# Govt. Holkar (Model Autonomous) Science College, Indore (M.P.)

**Dr. Suresh T. Silawat** Principal Govt. Holkar (Model Autonomous) Science College, Indore

An effective Grievance Redressal Policy is instituted to resolve administrative, academic or any other form of grievances of the staff and students. In fact, all the stakeholders have an equal right to address their grievances if any in the institution.

The institution follows a centralised, transparent, admission procedure which is student friendly also. Various help centres, and Committees, information on boards, are displayed for the benefit of the students and their parents. Admission Committees are constituted to facilitate the admission process smoothly. There are sufficient verification counters and students are extended all kind of help and guidance in the process.

In addition to this, the administrative officer, the officers of the NCC, NSS, sports department, the discipline committee, senior faculty and all the stakeholders are very keenly involved in resolving any problem or issue that the students might face.

The College strictly follows a zero-tolerance policy towards ragging as per the instructions laid down by the Higher education department, Government of Madhya Pradesh. We ensure that there is no incident of ragging, and students can freely contact the staff in case there is any problem.

Any kind of discrimination, gender related grievances or any other inappropriate behaviour is taken seriously and steps are taken to resolve any such issues.

Students having grievances related to the Examination, valuation, revaluation or any other exam related issues are dealt with in a smooth and systematic manner. It is my endeavour to provide a congenial, easy and smooth working environment to all the students, and any grievances of any type are resolved with the help of my team, quickly.

I extend my best wishes to you all!

- The institution should display "action to be taken" notices on the campus, related to the zero-tolerance policy backed by the institution regarding gender discrimination and harassment at any level.
