Dear Dr. Anamika Jain mam and Dr. Aparna mam,

I am writing this letter to heartfelt gratitude towards your immense support, guidance and mentorship throughout my Master's degree chemistry. Your dedication and commitment towards your students have made a great impact in my life. I am blessed to have you mentors, who have shaped my life in many ways. I would like to express my sincere appreciation for your efforts in helping me to career path. You demonstrated passionate leadership by your commitment to our disciplinary and academic needs. I am also grateful time that the professors, lecturer and staff has spent in building up our understanding and knowledge of the subject.

Through your guidance, I have learned to become a more confident and competent person both academically and as a person. Your selflessness, patience, and passion for teaching have had a great impact on my character and personal development. Words can't express how much I appreciate the support that you have given me, which indirectly assisted me in pursuing my studies in the UK. Your encouragement contributed massively to my journey towards my professional career.

Thank you once again for being amazing mentors and playing a crucial role in my career success.
