**NOTICE**

Subject: Webinar on Cyber Threats and their Prevention during Pandemic on  
27/7/2022

This is to inform all the students of Govt Holkar (Model, Autonomous) Science College, Indore, that the Department of Electronics is organizing an online webinar on "Cyber Threats and their Prevention during Pandemic" on 27/7/2022

The webinar aims to educate students about the potential cyber threats that have emerged during the pandemic and the measures to prevent them. The guest speaker for the event is Mr. Yogesh Pandit, Cyber Crime Investigator and Director of Techilaw Platform, an expert in the field of cybersecurity.

All students are encouraged to participate in the webinar and make the most of this opportunity to learn about the latest trends in cybersecurity.

S. No	Component/Activities	Details
1	Name of the Department / Unit / Agency:	Department of Electronics
2	Name of the Activity:	Fundamental of Modern Electronics
3	Name of the Scheme:	Online Webinar
4	Date and Year of the Activity:	08/06/2020 to 10/06/2020
5	Number of Students Participated in the activity:	690
6	Report of the Activity (in 100 words):	<p><b>Introduction:</b> The Department of Electronics at Govt. Holkar (Model, Autonomous) Science College organised an online lecture series on "Fundamentals of Modern Electronics" in June 2020. The goal of the webinar was to provide insights from academic and industry experts to students and faculty members.</p> <p><b>Activities:</b> The webinar was a three-day event and had multiple speakers who shared their knowledge on modern electronics. Er. Sharad Sharma, the founder of Kiran Robotix, conducted a hands-on technology demonstration for the participants at the end of the event. The webinar had a total of 690 participants from all over the country. Dr. Shuresh T. Silawat, the principal of the institute, and Dr. Netram Kaurav, served as the convenor of the webinar.</p> <p><b>Outcome:</b> The online lecture series provided the students and faculty members with the opportunity to learn from experts in the field of modern electronics. The webinar covered a wide range of topics, which were beneficial for the participants. The hands-on technology demonstration by Er. Sharad Sharma was particularly useful for the students to understand the practical application of the concepts discussed in the webinar.</p> <p><b>Conclusion:</b> The online lecture series on "Fundamentals of Modern Electronics" was a great success, with 690</p>

		<p>participants from across the country. The webinar provided a platform for students and faculty members to learn from experts in the field of modern electronics. The hands-on technology demonstration was an added benefit and helped the participants to understand the practical applications of the concepts discussed during the webinar. Overall, it was a great learning experience for everyone involved.</p>

6	Report of the Activity (in 100 words):	<p><b>Introduction:</b></p> <p>The Department of Forensic Science, Govt. Holkar Science College, Indore, organized the "National Virtual Workshop on Instrumental Techniques: A Reflection of the Multi-disciplinary nature of Forensics" from 03/10/22 to 10/10/22. The workshop aimed to enhance the theoretical and practical knowledge of students on various instrumental techniques used in forensic science.</p> <p><b>Activities:</b></p> <p>The workshop was conducted virtually, and various instrumental techniques such as ESDA, VSC, Raman Spectrophotometer, UV-Vis Spectrophotometer, FTIR, Polygraph, GC-MS, HPLC, XRD, etc. were discussed. Experts in the field of forensic science were invited to deliver lectures on the various techniques, and hands-on training sessions were conducted to provide practical knowledge to the participants.</p> <p>The participants were also given assignments to test their understanding of the concepts taught during the workshop. The assignments included analyzing mock crime scenes</p>

		<p>and writing reports based on the evidence collected using the instrumental techniques taught during the workshop.</p> <p>Outcome:</p> <p>The National Virtual Workshop on Instrumental Techniques in Forensics was a success, and it achieved its aim of enhancing the theoretical and practical knowledge of students on various instrumental techniques. The workshop provided the participants with an opportunity to learn from experts in the field of forensic science, and the hands-on training sessions allowed them to develop their skills in using various instrumental techniques.</p> <p>The assignments given to the participants helped them to apply their knowledge and skills in a practical setting. The workshop also provided an opportunity for participants to network with fellow students and experts in the field of forensic science.</p> <p>Conclusion:</p> <p>The National Virtual Workshop on Instrumental Techniques in Forensics was an excellent initiative by the Department of Forensic Science, Govt. Holkar Science College, Indore. The workshop helped the students to enhance their theoretical and practical knowledge of various instrumental techniques used in forensic science. Such workshops and training programs should be encouraged in educational institutions to provide practical knowledge and skill development to students in their respective fields of study.</p>

## Notice

It is to inform all the students and staff members of Holkar Science College, Indore that the Department of Forensic Science is organizing a National Virtual Workshop on Instrumental Techniques: A Reflection of the Multi-disciplinary nature of Forensics from 03/10/2023 to 10/10/2023.

The workshop aims to provide a platform for students and faculty members to learn about the latest advancements and techniques in forensic science. The workshop will be conducted online, and participants can join from the comfort of their homes.

The workshop will cover various topics related to forensic science, including forensic chemistry, forensic toxicology, forensic DNA analysis, forensic anthropology, and many others. Renowned experts in the field of forensic science will deliver lectures and conduct interactive sessions.

All interested students and staff members are requested to register for the workshop by visiting the Department of Forensic Science office or through the college website. Don't miss out on this excellent opportunity to enhance your knowledge in the field of forensic science.

## About International Year of Basic Sciences for Development, 2022

Basic sciences have an important role to meet crucial challenges such as universal access to food, energy, health coverage and communication technologies. They enable us to understand the impact of the currently nearly and billion people on the planet to act to limit and sometimes even to reduce the depletion of ozone layer, climate change, depletion of natural resources and extinction living species.

Green chemistry is the need of the present time as the planet is suffering from pollution of soil, air and water.

1	Name of the Department / Unit / Agency:	Microbiology
2	Name of the Activity:	Scientific Temperament Activity with RRCAT, Indore
3	Name of the Scheme:	SEMINAR
4	Date and Year of the Activity:	26/08/2022
5	Number of Students Participated in the activity:	128
6	Report of the Activity (in 100 words):	In celebration of “Azadi Ka Amrit Mahotsav” in which different outreach activities were organized by RRCAT during the iconic Week. One day interactive program and lectures were organized by the joint collaboration of Raja Ramanna Center for Advanced Technology, Indore and Department of Microbiology & Botany, Govt. Holkar Science College, Indore on 26 <sup>th</sup> Aug-2022 for the students of M.Sc. programs of Microbiology, Biochemistry, Botany and Forensic Science in Yashwant Hall at 12:30 pm. In this activity students were informed about Contributions of DAE & RRCAT in Nation building. They were made aware about the various research activities and future opportunities in their related subjects. Overall, this activity helped them in building their scientific temper and inculcate their interest in various fields of Biosciences.

2	Name of the Activity:	One Day Seminar on "Importance of Research in Modern Biology"
3	Name of the Scheme:	SEMINAR
4	Date and Year of the Activity:	15-Sep-2017
5	Number of Students Participated in the activity:	120
6	Report of the Activity (in 100 words):	<p>Biological Sciences is an exciting and rapidly developing subject area. The study of living things has undergone tremendous expansion in recent years, and topics such as cell biology, neuroscience, evolutionary biology and ecology are advancing rapidly. Biology and Biological Sciences involve the study of life.</p> <p>These wide-ranging subject studies living organisms, but allows you to choose topics of study depending on your interests. It contains life sciences, botany, zoology, biochemistry, biotechnology and microbiology. Providing excellent preparation for a variety of careers, the biological sciences is also involved in research. Research is the systematic investigation into and study of materials and sources in order to establish facts and reach new conclusions. The objective of this seminar is to provide students and scholars, a broader view of research in biological sciences.</p>

4	Date and Year of the Activity:	29/08/2022
5	Number of Students Participated in the activity:	398
6	Report of the Activity (in 100 words):	<p>Innovations and consultancy are the key for the Sustainable Development of society. In particular, innovations are the blueprint to achieve a better and more sustainable future for all. These innovations address the global challenges we face for mankind, green earth and energy, climate change, environmental degradation, etc. Therefore, the present workshop is intended to focus on some of these points, will provide a better prospective to the faculties and students for critical thinking to innovate, take up mentoring assignments or consultancies in near future.</p> <p>Furthermore, the UN's sustainable goal 07 is of particular interest as it indicates the affordable and clean energy for all of us. There is a need of considerable and sincere efforts for not only innovations in this field but also for public awareness at large.</p> <p>Particularly, <b>Dr. Chetan Singh Solanki</b>, a professor from IIT Bombay, Brand Ambassador of Solar Energy for Govt. of MP, and Founder, Energy Swaraj Foundation, has pledged not to go home until 2030 and live &amp; travel in the solar bus. He is a alumnus of Holkar Sci College, Indore, We have requested him to address for keynote in event as he is traveling all around the India so could not make his physical present in the event. However, he has shared his blessing for event via a video message.</p> <p>May I request to play the video.</p>

प्राध्यापक/शोध विद्यार्थियों हेतु कार्यशाला आयोजन बाबद्।

महोदय,

उपरोक्त विषय में निवेदन है कि नैक कार्डटेरिया 03 के अंतर्गत इनोवेशन एण्ड कंसलटेंसी इंडीकेटर के तहत पूर्व में महाविद्यालय द्वारा गतिविधियों आयोजित नहीं कराई जाने से इस सत्र में महाविद्यालय के प्राध्यापक/शोध विद्यार्थियों के लिए इनोवेशन एण्ड कंसलटेंसी विषय पर एक दिवसीय कार्यशाला का आयोजन कराया जाना आवश्यक है। इस कार्यशाला का आयोजन इनोवेशन सेल (फिजिकल साईंस, केमिकल साईंसेस, लाईफ साईंसेस एवं मेथमेटिकल साईंसेस) के तहत किया जाना है। कार्यशाला के आयोजन के लिए संभावित व्यय निम्नानुसार है:-

क्रं	विवरण	अनुमानित व्यय राशि
1	रिसोर्स पर्सन (मानदेय/टीए.डीए)	20,000 /-
2	बैनर एवं स्वागत पर व्यय	10,000 /-
3	स्वल्पाहार एवं भोजन	60,000 /-
4	अन्य व्यय	10,000 /-
	कुल योग	1,00,000 /-

अतः विगत समय में नैक निरीक्षण के लिए इस एक दिवसीय कार्यशाला आयोजित करवाने की अनुमति प्रदान करने का कष्ट करें।

5	Report of the Activity (in 100 words):	Seminar on internet security for Students was coordinated successfully by Mr. Akhilesh Khare LiriSoft PVT LTD,Banglore .This seminar on internet security enables student by providing security best practice guidance for usage of internet on daily basis. Students taught about common threats and how to avoid or mitigate them. Internet security or Cyber security refers to how much end-users know about the cyber security threats their networks face, the risks they introduce and mitigating security best practices to guide their behaviour. End users are considered the weakest link and the primary vulnerability within a network.[1][3][4] Since end-users are a major vulnerability, technical means to improve security are not enough. Organizations could also seek to reduce the risk of the human element (end users).

5	Report of the Activity (in 100 words):	<p>Research Methodology Workshop for Research Scholars and Teachers was coordinated successfully by Dr. Achyut Deshpande, Professor, M.N.G. Science College, Babhulgaon(MH) India from 16- 20, December, 2019. The core objective of the workshop was to equip the research scholars with set of skills and potentiality to undertake the research very effectively in the disciplines of social science and to turn completed research into publishable material of high quality in the form of articles, journals and books. This workshop is designed to offer the practical guidelines and direct the researchers through all the stages of research from identifying a research problem to the submission of a dissertation, report writing and research article. The course intends to deal with variety of quantitative and qualitative research methods used in social science researches. It also gives exposure to data analysis with the help of software packages. The workshop consists of both theory and practical.</p>
