Note

1. In the case of academic work being less than the prescribed standard days due to unavoidable reasons, the academic days should be increased as per the requirement at the college/university level to ensure that the academic calendar is adhered to in a timely manner.

2. For admission to all classes other than graduation and post-graduation first semester, it should be ensured to start academic work by adopting the admission renewal

process mentioned in the admission guidelines (2017-18).

3. Priority should be given to organize NSS/NCC camps during semester intervals so that the standard target of working days remains the same. Academic tours/seminars/workshops/ conferences/training programs should also be organized during this period after obtaining competent permission.

4. The annual gathering festival, prize distribution and publication and release of the annual magazine should be done by the second week of February 2018.

Teachers can be detained by the Principal of the college in the semester break as per the requirement.
