## CHAPTER II - GENERAL CONDITIONS

**6. Right to leave.-** (1) Leave cannot be claimed as of right.

(2) When the exigencies of public service so require, leave of any kind may be refused or revoked by the authority competent to grant it, but it shall not be open to that authority to alter the kind of leave due and applied for except at the written request of the Government servant.

**7. Regulation of claim to leave.-** A Government servant's claim to leave is regulated by the rules in force at the time the leave is applied for and granted.

**8. Effect of dismissal, removal or resignation on leave at credit.-** (1) Any claim to leave to the credit of a Government servant, who is dismissed or removed or who resigns from Government service, ceases from the date of such dismissal or removal or resignation.

(2) Where a Government servant applies for another post under the State Government but outside his parent office or department and if such application is forwarded through proper channel and the applicant is required to resign his post before taking up the new one, such resignation shall not result in the lapse of the leave to his credit.

(3) A Government servant, who is dismissed or removed from service and is reinstated on appeal or revision, shall be entitled to count for leave his service prior to dismissal or removal, as the case may be.

(4) A Government servant, who having retired on compensation or invalid pension or gratuity is re-employed and allowed to count his past service for pension, shall be entitled to count his former service towards leave.

**9. Commutation of one kind of leave into another.-** (1) At the request of a Government servant the authority which granted him leave may commute it retrospectively into leave of a different kind which was due and admissible to him when leave was granted, but the Government servant cannot claim such commutation as a matter of right.

(2) The commutation of one kind of leave into another shall be subject to adjustment of leave salary on the basis of leave finally granted to the Government servant, that is to say, any amount paid to him in excess, shall be recovered or any arrears due to him shall be paid.

Note.- Extraordinary leave granted on medical certificate or otherwise may be commuted retrospectively into leave not due subject to the provisions of rule 30.

**10. Combination of different kinds of leave.-** Except as otherwise provided in these rules, any kind of leave under these rules may be granted in combination with or in continuation of any other kind of leave.

Explanation.- Casual leave which is not recognised as leave under these rules shall not be combined with any other kind of leave admissible under these rules.

**11. Maximum period of absence from duty .-** No Government servant shall be granted leave of any kind of a continuous period exceeding five years.  
(Substituted by F.D. Notification No. G-3/1/96/C/IV dated 29.2.96)

**12. Acceptance of service or employment while on leave.-** (1) A Government servant (other than a Government servant who has been permitted a limited private practice or who has been permitted to under-take casual literary work or service as an examiner or similar employment) while on leave, including leave preparatory to retirement or leave granted beyond the date of retirement shall not take up any service or employment elsewhere, including the setting up of a private professional practice as Accountant, consultant or legal or medical practitioner without obtaining the previous sanction of-

(a) The Governor, if the proposed service or employment lies elsewhere than in India; or

(b) the authority, empowered to appoint him, if the proposed service or employment lies in India.

(2) No Government servant while on leave, other than leave preparatory to retirement or leave granted beyond the date of retirement, shall ordinarily be permitted to take up any other service or employment.

(3) No Government servant while on leave preparatory to retirement shall be permitted to take up private employment. If, however, a Government servant on leave preparatory to retirement is permitted to take up employment under any local authority or a Corporation or Company wholly or substantially owned or controlled by the State Government, or a body controlled or financed by the State Government, the leave and the employment shall run concurrently and he shall be paid leave salary in addition to his pay on such employment.

(4) (a) In case a Government servant who has proceeded on leave preparatory to retirement is required, before the date of retirement, for employment during such leave in any post under the State Government in or out side India, the unexpired portion of the leave from the date of rejoining shall be cancelled.

(b) The leave so cancelled under clause (a) above shall be treated as leave refused and subject to the provisions of rule 34 it may be granted from the date of retirement of the Government servant.

(c) No leave shall be earned in respect of any period of employment during leave preparatory to retirement.

(5) Where a Government servant is on leave beyond the date of retirement as provided in rule 34 and is employed during such leave in any post under the State Government or under a local body his leave shall run concurrently with such employment, and he shall be paid leave salary in addition to his pay on such employment.

(6) In cases covered by sub-rule (3) and (5) the Government servant shall also be granted dearness and compensatory allowances, if any, admissible on the basis of pay. These allowances will neither be admissible on leave salary, nor will the leave salary taken into account in calculating the allowances.

### CHAPTER III - GRANT OF AND RETURN FROM LEAVE

**13. Application for leave.-** (1) An application for leave or for an extension of leave must be made to the authority competent to grant such leave or extension in Form 1.

(2) Applications for leave on grounds other than ill health should be made at least three weeks before such date. This limit would, however, be six weeks if the leave applied for is preparatory to retirement. The authority competent to grant leave may accept belated application at its discretion.

**14. Leave account.-** A leave account shall be maintained in Form 2 for each Government servant by the Head of Office.

**15. Verification of title to leave.-** No leave shall be granted to a Government servant until a report regarding its admissibility has been obtained from the authority maintaining the leave account.

**16. Leave not to be granted in certain circumstances.-** Leave shall not be granted to a Government servant whom a competent punishing authority has decided to dismiss, remove or compulsorily retire from Government service.

**17. Grant of leave on Medical Certificate to Government servant.-** [(1) An application for leave on medical certificate, made by a Government servant, shall be accompanied by a medical certificate in Form 3 given by an Authorised Medical Attendant or a Registered Medical Practitioner, defining as clearly as possible the nature and probable duration of the illness. Such application shall be submitted, as far as possible, prior to or simultaneously with the commencement of the period for which leave is applied:

Provided that, in exceptional circumstances where it is not reasonably practicable for the Government servant to submit an application within the aforementioned time limit, it may be submitted not later than 7 days from the date of commencement of the period of leave applied for:

Provided further that, in exceptional circumstances, where the authority competent to sanction leave is satisfied that it was not reasonably practicable for the Government servant to submit the required medical certificate along with his application for leave, it may, at its discretion, condone a delay of not more than 7 days, counted from the date of commencement of the period of leave applied for, in the submission of medical certificate by such Government servant.]

**(Substituted by F.D. Notification No. 118/2306/85/R-1/IV dated 19.3.86)**

(2) A Medical Officer shall not recommend the grant of leave in any case in which there appears to be no reasonable prospect that the Government servant concerned will ever be fit to resume his duties and in such case, the opinion that the Government servant is permanently unfit for Government service shall be recorded in the Medical Certificate.

(3) The authority competent to grant leave may, at its discretion, secure a *second medical* opinion by requesting a Government Medical Officer not below the rank of a Civil Surgeon or Staff Surgeon, to have the applicant medically examined on the earliest possible date.

(4) It shall be the duty of the Government Medical Officer referred to in sub-rule (3) to express an opinion both as regards the facts of the illness and as regards the necessity for the amount of leave recommended and for that purpose he may either require the applicant to appear before himself or before a medical officer nominated by himself.

(5) The grant of a medical certificate under this rule does not in itself confer upon the Government servant concerned any right to leave, the medical certificate shall be forwarded to the authority competent to grant leave and orders of that authority awaited.

(6) The authority competent to grant leave may, at its discretion, waive the production of a medical certificate in case of an application for leave for a period not exceeding [seven] days at a time. Such leave shall not, however, be treated as leave on medical certificate and shall be debited against leave other than leave on medical grounds.

**(Substituted for "three" by F.D. Notification No. 1331/2002/82/R-1/IV dated 11.10.82)**

**18. Leave to a Government servant who is unlikely to be fit to return to duty.-** (1) (a) When a medical authority has reported that there is no reasonable prospect that the Government servant will ever be fit to return to duty, *leave shall not necessarily be refused to such Government servant.*

(b) The leave may be granted, if due, by the authority competent to grant leave on the following conditions:-

(i) If the medical authority is unable to say with certainty that the Government servant will never again be fit for service, leave not exceeding twelve months in all may be granted and such leave shall not be extended without further reference to a medical authority;

(ii) If a Government servant is declared by a medical authority to be completely and permanently incapacitated for further service, leave or an extension of leave may be granted to him after the report of the medical authority has been received, provided the amount of leave as debited to the leave account together with any period of duty beyond the date of the report of the medical authority does not exceed six months.

(2) A Government servant who is declared by a medical authority to be completely and permanently incapacitated for further service shall,-

(a) If he is on duty, be invalided from service from the date of relief of his duties, which should be arranged without delay on receipt of the report of the medical authority, if however, he is granted leave under sub-rule (1) he shall be invalided from service on the expiry of such leave.

(b) If he is already on leave, be invalided from service on the expiry of that leave or extension of leave, if any, granted to him under sub-rule (1).

**19. Commencement and termination of leave.-** Except as provided in rule 20 leave ordinarily begins on the day on which the transfer of charge is effected and ends on the day preceding that on which the charge is resumed.

**20. Combination of holidays with leave.-** (1) Except in cases where for administrative reasons the leave sanctioning authority has specifically withheld the permission for prefixing and/or suffixing holiday(s) to leave, when the day, immediately preceding the day on which a Government servant's leave begins or immediately following the day on which his leave expires is holiday or one of a series of holidays the Government servant can leave his station at the close of the day before, or return to it on the day following, such holiday or series of holidays.

(2) In the case of leave on medical certificate, if the day on which a Government servant is certified medically fit for re-joining duty happens to be a holiday, the day shall be suffixed to his medical leave, and such day(s) shall not be counted as leave.

(3) If holidays are prefixed to leave, the leave and any consequent re-arrangement of pay and allowances take effect from the day after the holidays.

(4) If holidays are suffixed to leave, the leave is treated as having terminated and any consequent re-arrangement of pay and allowances takes effect from the day on which the leave would have ended if holidays had not been suffixed.

**21. Intimation of Leave at credit.-** The order sanctioning earned leave/half pay leave to a Government servant shall indicate the balance of such leave at his credit.

**22. Recall to duty before expiry of leave.-** A Government servant while on leave if recalled to duty before expiry of the leave, he shall be entitled:-

(a) If the leave from which he is recalled is in India, to be treated as on duty from the date on which he starts for the station to which he is ordered, and to draw :-

(i) travelling allowance under rules made in this behalf for the journey; and

(ii) leave salary, until he joins his post, at the same rate at which he would have drawn it but for recall to duty.

(b) If the leave from which he is recalled is out of India, to count the time spent on the voyage to India as duty for purposes of calculating leave, and to receive-

(i) leave salary, during the voyage to India and for the period from the date of landing in India to the date of joining his post, at the same rate at which he would have drawn it but for recall to duty ;

(ii) a free passage to India;

(iii) refund of his passage from India if he has not completed half the period of his leave by the date of leaving for India on recall, or three months, whichever is shorter;

(iv) travelling allowance, under the rules for the time being in force, for travel from the place of landing in India to the place of duty.

**23. Return from leave.-** (1) A Government servant on leave shall not return to duty before the expiry of the period of leave granted to him unless he is permitted to do so by the authority which granted him leave.

(2) Notwithstanding anything contained in sub-rule (1), a Government servant on leave preparatory to retirement shall be precluded from returning to duty, save with the consent of the authority competent to appoint him to the post from which he proceeded on leave preparatory to retirement.

(3) A Government servant who has taken leave on medical certificate may not return to duty until he has produced a medical certificate of fitness in Form 4.

(4) (a) A Government servant returning from leave is not entitled, in the absence of specific orders to that effect, to resume as a matter of course the post which he held before going on leave.

(b) Such Government servant shall report his return to duty to the authority which granted him leave or to the authority, if any, specified in the order granting him leave and await orders.

Note.- A Government servant who has been suffering from tuberculosis may be allowed to resume duty on the basis of Fitness Certificate which recommends light work for him.

**24. Absence after expiry of leave.-** (1) Unless the authority competent to grant leave extends the leave, Government servant who remains absent after the end of leave is entitled to no leave salary for the period of such absence and that period shall be debited against his leave account as though it were half pay leave to the extent such leave is due, the period in excess of such leave due being treated as extraordinary leave.

(2) Wilful absence from duty after the expiry of leave renders a Government servant liable to disciplinary action.

## CHAPTER IV - KINDS OF LEAVE DUE AND ADMISSIBLE

उन्नयन(upgradation) का व्यापक प्रसार करने और केताओं को प्रशिक्षण देने हेतु जीईएम पोर्टल पर  
उपलब्ध कराये गये निम्न उन्नयन का लेख किया है:-

1. यदि किसी विभाग द्वारा वांछित उत्पाद जीईएम पोर्टल पर उपलब्ध नहीं होता है, तो इस हेतु पोर्टल  
पर लॉगइन करने पर, जीईएम अवेलेबिलिटी रिपोर्ट(GeM Availability Report) बटन उपलब्ध होगा।  
केता विभाग द्वारा यह लेख करने पर कि, सभी केटेगरी में ढूँढ़ने पर वांछित सामग्री नहीं मिली है, पोर्टल  
पर जनेरेटेड अनुपलब्धता प्रमाण(NAC) पत्र प्राप्ति की नवीन सुविधा प्रारम्भ की गई है।

2. यदि केता विभाग की जानकारी में वांछित उत्पाद का निर्माता/सेलर है एवं जीईएम पर पंजीकृत नहीं  
है, तो विभाग द्वारा जीईएम पोर्टल पर लॉगइन करने पर, उत्पाद केटेगरी में इन्वाइट सेलर(Invite

DO No.215/CEO-GeM/2020

10<sup>th</sup> November, 2020

Dear Sir/Madam,

As you are kindly aware, the Government e-Marketplace (GeM) has been established by the Government of India as the National Public Procurement Portal.

2. In order to meet the aspirations of all the buyers and sellers and the other stakeholders, GeM is continuously working towards improvements and enhancements in existing features and functionalities and deployment of new features and functionalities that can address diverse procurement needs while ensuring the basic principles of transparency and efficiency in public procurement.

3. I would like to inform you that in recent months GeM has introduced the following major features and functionalities:

A. **Implementation of the Unified Procurement System in which the next version of GeM, viz., GeM 4.0 is being anchored:** In accordance with OM dated 23/11/2020 issued by the Department of Expenditure, all Central Government buyers will be required to obtain a "GeM Availability Report and Past Transaction Summary" to take informed procurement decisions. GeM will prompt buyers of Ministry of Defence, Railways and CPSEs to publish a "custom bid" on GeM itself for estimated order value exceeding INR 50 lakhs if the goods or services that a buyer is looking for is not on the platform. If a buyer decides to publish the bid outside GeM on the Central Public Procurement Portal (CPPP) for example, the corresponding ID of GeM Availability Report will be required as a mandatory input before publishing of a bid can be allowed on platforms such as CPPP. This ID will be validated in real-time with GeM. After validation, a copy of the published tender will be returned to GeM for analysis. The integration of GeM with CPPP is live. The functionality of "custom bid" went live on October 7, 2020. The feature of "custom bid" will be in operation till all categories of products and services required by diverse buyers are made available on GeM. This feature will provide a single user experience to buyers under the Unified Procurement System mentioned in para 48 of the budget speech for FY 2020-21. This will also enable vendors to respond to bids for goods and services from GeM with the resultant advantages of better price discovery, economies of scale and dissemination of best practices.

B. **Seeking clarification from bidders:** It is now possible to seek clarifications from Bidders, on-line through GeM portal, with complete audit trail, if the Buyer is unable to decide on the technical suitability of a bidder based on the available information.

- C. **Introduction of a challenge rejection window for transparency and for curbing unjust and unfair rejection during technical evaluation:** Visibility of reasons of rejections to all sellers has been provided with a 48 hour challenge rejection window after technical evaluation, thereby increasing transparency and avoiding possibly erroneous / unfair decision.
- D. **Adding new specifications to categories at the time of creating bids:** Buyers in CPSEs, Railways and Defence can now add up to five new specifications parameters to create an instance of category with these new specifications for a particular bid. This will remove the constraint of not being able to add essential specifications in a category that a buyer might be looking for.
- E. **Uploading drawings/ scope of work in bids:** Upload of drawings / scope of work in bids is now allowed in certain categories (need based).
- F. **Staggered delivery:** Staggered Delivery is now enabled on GeM.
- G. **Supplementary Bill/ Invoice/ CRAC:** Generation of Supplementary Bill/ Invoice/ Consignee Receipt and Acceptance Certificate (CRAC) is now enabled on GeM.
- H. **Implementation of OM dated 23/1/2020 regarding timely payments:** As part of the implementation of this OM, generation of Auto PRC / Auto CRAC have been enabled. Milestone based payments will go live by November, 2020.
- I. **Implementation of OM dated 3/7/2020 of Department of Expenditure regarding charging of interest on delayed payments:** The OM regarding charging of interest on delayed payments is also being implemented and the interest charged on account of delayed payments for orders placed on or after October 1, 2020 will be shown in the buyers' dashboard by November, 2020.
- J. **Visibility of all contracts on GeM homepage:** In order to further enhance transparency and enable buyers to access details of all procurements happening on GeM and take informed procurement decisions, visibility of all contracts on GeM homepage has been provided.
- K. **Introduction of advanced bid search module:** An advanced bid search module has been introduced to enable sellers to look for additional opportunities and diversify their businesses and grow with GeM, which, in turn, will result in wider seller participation and better price discovery for buyers due to increased participation of sellers.
- L. **Single view of participants in a bid:** Buyers can now compare the technical specifications of all participants in a single view with a download option for an easier evaluation.
- M. **Rating of sellers by including the feedback of buyers and consignees apart from the transaction history on the platform:** Buyers / consignees can now rate sellers based on their procurement experience. The feedback from buyers and consignees along with the transaction history on the platform will be taken into account while rating sellers on the platform in a transparent and objective manner. The model of rating of sellers of products has already been finalized. The model of rating of service providers is expected to be finalized shortly.

- N. **Flexibility in procurement lifecycle:** Flexibility in procurement lifecycle has been introduced by allowing extension of Offer Validity, Bid Lifecycle and Delivery Period on Buyer dashboard.
- O. **Invitation to certain sellers to participate in specific bids:** A separate module has been built on GeM to enable buyers to invite sellers to participate in bids thereby increasing competition, price discovery and savings.
- P. **Revamping of bid module:** Introduction of pre-bid queries / clarification module, anonymizing complaints, queries, clarifications from sellers is planned to go live by November 2020.
- Q. **Consignee Wise Item Wise bidding:** Consignee wise and item wise bidding will be enabled by December, 2020.
- R. **Demand aggregation:** Demand Aggregation within an organization is expected to go live by December 2020 for economies of scale and more efficient price discovery.
- S. **Seller invitation module:** GeM has created a seller invitation module to enable buyers to invite new sellers to onboard GeM and accelerate the process of onboarding of vendors on GeM.
- T. **Crowd sourcing of categories and sellers:** GeM has created a separate module for enabling buyers and sellers to suggest the creation of a new category on GeM. This will help in a faster and focused creation of categories.
- U. **Bypassing of email uniqueness validation when adding a secondary buyer:** This will enable the tagging of a secondary buyer with multiple primary buyers as the email uniqueness validation of a secondary buyer has been bypassed.
- V. **Creation of categories in a time bound manner in GeM:** A system has been set up in GeM whereby a buyer can request for category creation on GeM with complete specifications, which will be acknowledged, and the category will be created within a pre-defined timeframe and notified to the buyer. This will be in addition to the requests for categories received through the module of "crowd sourcing of categories and sellers" which was went live in March 2020.
- W. **Introduction of local filter for difficult areas:** As per OM dated 30/9/2020 of the Department of Expenditure, local filter is being enabled for difficult areas for one year subject to use by buyers in appropriate circumstances (by recording detailed justification) and where buyers found the prices of local sellers reasonable. This will enable a buyer to apply such a filter at district level. Further, in all cases before finalizing, the purchaser will be required to obtain and upload financial concurrences for buying the items at higher rates whenever required. This will go live by December, 2020.
- X. **Introduction of caution money deposit:** In order to deter sellers from declining/ refusing orders up to INR 5 lakhs in the Marketplace, a provision for one time caution money from sellers on GeM to cover the requirement of Performance Security etc. in respect of contracts that are not governed by the requirement of Performance Bank Guarantee (PBG) is being implemented with concurrence of the Department of Expenditure. This will go live by November, 2020. All sellers on GeM will be required to deposit a one-time amount as under as caution money:

- i. Seller Turnover less than 1 Crore: Rs 5,000/-
- ii. Seller Turn over > 1 Crore but < 10 Crore: Rs 10,000/-
- iii. Seller Turn over > 10 Crore : Rs 25,000/-

Y. **Introduction of GeM Seller ID:** According to instructions contained in Department of Expenditure OM no. 6/9/2020 - PPD dated 24.08.2020, it is now mandatory for sellers providing Goods and Services to Central Government Organizations (except Railways and for order value exceeding INR 25 lakhs) to be registered on GeM and obtain a unique GeM Seller ID, at the time of placement of order / acceptance of contract. This ID shall invariably be incorporated in every Supply Order / Contract / Agreement / Purchase Order, while awarding any contract / order for procurement by any Central Government Organization wef 1/11/2020. All sellers registered on GeM have now been assigned with a Unique GeM Seller ID. Sellers can check their Unique GeM Seller ID in the 'My Profile' section on seller dashboard. This ID has to be used by the sellers in all bids outside GeM also in which they participate and in which they are awarded contracts.

4. It is requested that all Departments / PSEs / other Buyer Organizations under the State government may kindly be made aware of these features and functionalities to accelerate their onboarding on GeM, to enable them to derive the full potential of GeM and share their feedback so that further improvements and enhancements of these processes can be taken up according to requirements.

With regards,

Yours sincerely,

Dear Sir/Honorable,

As you may be aware, the Government e-Marketplace (GeM) has been established by the Government of India as the National Public Procurement Portal.

- In order to meet the aspirations of all the buyers and sellers and the other stakeholders, GeM is continuously working towards improvements and enhancements in existing features and functionalities and deployment of new features and functionalities that can address diverse procurement needs while ensuring the basic principles of transparency and efficiency in public procurement. A list of major features and functionalities introduced during the recent months in GeM have already been shared with you vide DO No. 215/CEO-GeM/2020 dated 10/11/2020.
- GeM now has 10,301 product categories compared to 4,701 a year ago (an increase of 119%) and 173 service categories compared to 119 a year ago (an increase of 45%). The cumulative total transaction value on GeM now is INR 71,900 crore compared to 38,205 crore a year ago (an increase of 88% YoY). Similarly the number of sellers is 7,42,941 compared to 2,99,370 a year ago (increase of 148%), the number of MSME sellers is 2,42,460 compared to 59,751 a year ago (increase of 306%), the number of startups is 7,450 compared to 3,530 a year ago (increase of 111%) and the number of primary buyers is 48,035 compared to 40,315 a year ago (increase of 19%).

Another set of 325+ process enhancements consisting of 60 major ones are planned in November-December, 2020. This should result in significant ease of procurement and enhanced transparency in procurement of goods and services on GeM. Revamping and redesigning existing services and creating new services is part of this exercise.
- Based on the feedback received from various buyers and service providers, the following common use existing services have been revamped in recent months and are live on the platform:

- 6.11 Procurement of SAP Certified ERP Application Compute/ HANA DB Compute.
- 6.12 Cloud based Video Conferencing Service.
- 6.13 Managed Services for Cloud System.

7. Some of the new functionalities/ features introduced in the revamped/ newly created services, which are likely to enhance the ease of procurement and quality of services, are as follows:

- 7.1 Eligibility and technical criteria made more comprehensive and exhaustive.
- 7.2 Provision for buyers to upload Scope of Work.
- 7.3 Provision for buyers to upload additional Service Level Agreement (SLA) conditions, which are not repugnant to the Terms and Conditions of GeM.
- 7.4 Option for buyers to indicate any role under Custom Variant, if it is not available in standard list of HR Outsourcing Services.
- 7.5 Add-on parameters linked to core parameters (ease of selection for buyers).

- 7.9 Tool tips have been provided against various parameters for better appreciation of buyers and service providers.
- 7.10 Facility for the buyers to create custom package in addition to standard packages available in the market for cab and taxi hiring service.
- 7.11 HR Outsourcing: Buyer to provide break-up of basic pay, PF, ELDI, Bonus and other non-mandatory compliances. Details of components of remuneration will reflect in the bid as well as in the contract.

8. Since the creation of a new service may be a time-consuming process and buyers cannot wait endlessly, a new service template called **Custom Bid for Services** has been created. This template is visible in the list of services in Service Category on GeM Website. A similar functionality of **Custom Bid** has been introduced for products. With the introduction of the functionality of Custom Bid for Products and Services, a buyer can procure any product or service, which may not be currently available on

GeM and consequently, there may not be any need for any organization to step outside GeM for procuring a product or a service under ordinary circumstances. The service template allows the buyer to upload description of service, scope of work, SLA, payment terms, etc. for procurement of a Custom Service. The buyer can procure the service either by adopting the Least Cost Selection (LCS) method or the Quality cum Cost Based Selection (QCBS) method.

9. Although 173 services are currently available on GeM, the procurement of services by State Government Organisations is far below the potential. It is requested that all Departments / PSEs / other Buyer Organizations under the State Government may kindly be made aware of the availability of these revamped and new services to enable them to derive the full potential of GeM and share their feedback so that further improvements and enhancements of these processes can be taken up according to requirements. It is further requested to issue necessary instructions to all PSEs and Departments/Organisations under the State Government to procure all products and services through GeM.

With regards,

Yours sincerely,
