**Report of Executive Development Programme for IQAC Members on "Quality  
Assurance: An Important Aspect"**

Date: **04.08.2022.**

Time: **12.30 pm onwards**

Venue: **Conference Hall**

**Introduction:** An Executive Development Programme on "Quality Assurance: An Important Aspect" was organized for the members of the Internal Quality Assurance Cell (IQAC). Dr. Suresh T Silawat, Principal, GHSC & Additional Director, Indore & Dr. Anoop Vyas, Principal, SAVBGACC, Indore were the eminent speakers. Vote of thanks was proposed by IQAC incharge Dr. Nagesh Dagaonkar. The programme was conducted by Dr. Kanta Moolchandani.

**Objective:** The main objective of the programme was to enhance the understanding of IQAC members on quality assurance and to equip them with the necessary skills to implement quality assurance processes effectively.

**Programme Highlights:** The programme was structured in a way that ensured maximum participation and interaction among the participants. Dr. Suresh T Silawat focused on quality assurance as an institutional benchmarking. Dr. Anoop Vyas discussed best practices for quality assurance. He took few relevant case studies. The key topics covered during the programme included:

- 1. Quality assurance: Definition, principles, and processes**
- 2. Internal quality assurance mechanisms**
- 3. Best practices for quality assurance**
- 4. Measuring and evaluating quality**
- 5. Quality assurance in the context of higher education**

The programme was conducted through a mix of lectures, case studies, and interactive sessions. The sessions were facilitated by subject matter experts in the field of quality assurance.

**Outcomes:** The programme was successful in achieving its objectives. Participants gained a deeper understanding of quality assurance and its importance in higher education. They were able to identify key areas of improvement in their respective institutions and develop strategies to address them. The participants were also able to identify best practices and tools that could be

used to improve quality assurance processes in their institutions. The programme provided them with the necessary skills and knowledge to implement these processes effectively.

**Conclusion:** The Executive Development Programme on "Quality Assurance: An Important Aspect" was successful in equipping IQAC members with the necessary skills and knowledge to implement quality assurance processes effectively. The programme provided a platform for participants to exchange ideas and best practices, which can be applied to improve quality assurance processes in their respective institutions.
