06	Report of the activity	The Chemistry department of Govt. Holkar Science College has organized a Jail visit on 19-09-2019. The motive of the event was to interact with the women prisoners of the Jail. The visiting team was headed by Dr. Anamika Jain (HOD, Chemistry). Dr. Rachna Dubey, Dr. P. Makwane and students of M.Sc. final were also there in the team. On this occasion the Jail superintendent, Aditi Chaturvedi, Deputy Superintendent Shri Kushwah and Deputy Jailor Mr. Brajesh Makwane were also present. During this, the M.Sc. final students conducted a cultural programme in which the Women Prisoners were also participated actively. Dr. Anamika Jain addressed the women prisoners and distributor's prizes, religious books, general knowledge books, stationeries etc. The women prisoners also shared their experience at the prison.

1.	Name of the Department / Unit / Agency:	Department of Biotechnology & Bioinformatics
2.	Name of the Activity:	**Joy of Giving (at Jeevan Shala Visharjan Ashram (slum area)**
3.	Name of the Scheme:	Social work
4.	Date and Year of the Activity:	02/11/2019
5.	Number of Students Participated in the activity:	35
6.	**Activity Photographs**	
		
		
7.	**Report of the Activity (in 100 words):**	

	True joy lies in the act of giving without expecting anything in return. Giving provides an intrinsic reward that is far more valuable than the gift we receive. Under this, our department experienced the joy of giving by distributing grocery for about one month to the children of the **Jeevan Shala Visharjan Ashram (slum area)** on the occasion of Diwali. Under the guidance of head of the department along with faculty members and students of M.Sc. Teachers as well as students enjoyed a lot by giving the smile on faces of poor students. Vote of thanks was given by the head of the Jeevan Shala Visharjan Ashram (slum area). Impact: The act of giving without expecting anything in return had a profound impact on the Department and the recipients, the children of Jeevan Shala Visharjan Ashram (slum area). By distributing grocery for about a month to the underprivileged children during Diwali, the department exemplified the true essence of joy through selfless giving. The intrinsic reward of spreading happiness and making a positive difference in the lives of others surpassed any material gift. The gesture not only provided essential resources to the children and their families but also instilled a sense of care and compassion among the faculty members and students involved. The smiles on the faces of the recipients and the joy experienced by the givers created a heartwarming atmosphere, fostering a sense of community and empathy. The act of giving undoubtedly left a lasting impact on both the givers and receivers, reinforcing the value of selflessness and the power of kindness in making the world a better place.

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	Department of Forensic Science
2	Name of the Activity:	Encouragement Program: Purchasing Diwali items from Divyangjan Special shops organised by district office, Indore (M. P.)
3	Name of the Scheme:	Helping-Hands Social Activity
4	Date and Year of the Activity:	22/11/2019
5	Number of Students Participated in the activity:	04
6	Report of the Activity : Faculties and Students of Forensic Department actively participated in purchasing the deepawali items made by Divyangjan (Specially-abled people) organised by district office, Indore to motivate and help them for deepawali festivals that was very encouraging for divyangjan as they had earned money for the same. Impact of the Activity: The active participation of faculties and students from the Forensic Department in purchasing Deepawali items made by Divyangjan (specially-abled people) had a profound impact. By supporting the initiative organized by the district office, Indore, they not only motivated and encouraged the Divyangjan for the festival but also provided them with an opportunity to earn money through their skills and craftsmanship. The act of purchasing the items not only contributed to the financial well-being of the Divyangjan but also recognized and appreciated their talents. The activity promoted inclusivity, empathy, and social responsibility, demonstrating support for the empowerment of specially-abled individuals and fostering a more inclusive society. It also showcased the department's commitment to making a positive impact and creating opportunities for the marginalized and underprivileged.

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	NSS (UNIT 1 & 2)
2	Name of the Activity:	Plastic Pollution Awareness and Cleanliness Drive through Community Participation in Village Morud
3	Name of the Scheme:	National Service Scheme and the Red Ribbon Club
4	Date and Year of the Activity:	03/09/2021
5	Number of Students Participated in the activity:	22 Volunteers & 03 Teachers
6	**Report of the Activity:** NSS units and the Red Ribbon Club of the college organized a one-day camp in the adopted village of Morud, District Indore. In the inauguration of this camp Mrs.Sangeeta Biloniya, sarpanch of the village was invited as chief guest. In this camp, the work done by our volunteers mainly includes giving information on plastic pollution awareness & Cleanliness Drive (Swacchata Abhiyan). The children and the villagers were also shown a documentary film on plastic pollution and cleanliness. They visited houses, and shops to create awareness. More than 20 volunteers along with NSS volunteer Riya Chaturvedi and Deepak Sihotiya participated enthusiastically in this one-day camp. This Camp was organized under the supervision of Dr.Seemavati Sisodiya and Dr.Sandeep Kumar Gohar with the help of Dr.Anupam Sharma. Shri Anmol Wagde and Shri Jagdish Vaishnav. The guidance for organizing this camp was given by Dr.SureshT.silawat, Principal & Additional Director Indore Division. **Impact of the Activity:** The one-day camp organized by the NSS units and the Red Ribbon Club in the **adopted**	

	village of Morud had a positive impact on both the villagers and the volunteers: Plastic Pollution Awareness: The camp successfully raised awareness about the harmful effects of plastic pollution among the villagers. The documentary film on plastic pollution and cleanliness provided visual evidence and insights, making the message more impactful. **Cleanliness Drive:** The Cleanliness Drive (Swachhata Abhiyan) conducted during the camp helped in improving the cleanliness of the village. Volunteers and villagers coming together for this activity created a sense of community involvement in maintaining a clean environment. **Education and Empowerment:** By imparting knowledge about plastic pollution and cleanliness, the camp empowered the villagers with information to make more sustainable choices and contribute to a cleaner environment. **Community Participation:** The presence of more than 20 enthusiastic volunteers, along with the local villagers, showcased a strong sense of community participation in addressing environmental issues. **Interaction with Sarpanch:** Inviting Mrs. Sangeeta Biloniya, the sarpanch of the village, as the chief guest created a platform for dialogue and collaboration between the villagers and local authorities in tackling environmental challenges. **Leadership Development:** NSS volunteers Riya Chaturvedi and Deepak Sihotiya's active participation in organizing the camp provided them with valuable leadership experience and a sense of responsibility towards community service. **Institutional Support:** The guidance provided by Dr. Suresh T. Silawat, the Principal, and Additional Director of the Indore Division, showcased the college's commitment to community engagement and environmental initiatives. The camp's impact can be seen in the increased awareness, improved cleanliness, and community engagement in addressing plastic pollution and promoting environmental sustainability in the adopted village of Morud.

"The objective of Aksharam is to infuse the spirit of learning and providing quality education among children who are so far deprived of it."

Aksharam was started with the aim to engage children in a preliminary learning experience through educational and interactive activities at their doorstep or nearest center to make them eager and interested to learn further. *They reach out the non-enrolled/dropout children in their locality and conduct regular evening classes for the children as a first step towards connecting them to mainstream education.*

Aksharam group worked in 08 slums with more than 500 underprivileged kids who were deprived of education because of their socio-economic background. Initially, they started with a very small group of students in the Holkar premises under the guidance of Dr. Suwarna Tanwani and slowly flourished in an active self-help group with multifaceted goals. Their further goals lead to the initiation of following activity:

Prerak: The objective of Prerak is to make efforts for improving the quality of life of marginalized sections of society, along with integrating mainstream education with children and collaborating with government schools to facilitate the services provided by the administration to children.

Navkriti: The objective of Navkriti is to enhance the skill development of children and to make favourable conditions in government schools for the management and inculcation of quality education.

"Shaurya - An Expression of Pride"

The impact of this activity:

The impact of the Aksharam initiative is profound and far-reaching, as it has successfully addressed the educational needs of underprivileged children and brought positive changes in their lives and communities. Some of the key impacts include:

Increased Access to Education: Aksharam has provided access to education for over 500 underprivileged children in 08 slums. By conducting regular evening classes in their localities, the initiative has reached out to non-enrolled and dropout children, bridging the gap between them and mainstream education.

Promoting Learning Interest: Through interactive and educational activities, Aksharam has instilled eagerness and interest in learning among the children. By providing a preliminary learning experience, the initiative has encouraged them to further pursue education.

Empowering the Community: The initiative's self-help group model has empowered the community to take ownership of the educational development of their children. By engaging parents and community members, Aksharam has fostered a sense of responsibility and involvement in the children's education.

Socio-economic Upliftment: Education is a powerful tool for socio-economic upliftment. By enabling underprivileged children to access education, Aksharam is contributing to breaking the cycle of poverty and creating opportunities for a better future.

Fostering a Positive Learning Environment: Aksharam's evening classes provide a safe and nurturing environment for the children to learn. This positive atmosphere encourages children to explore their potential and develop essential skills.

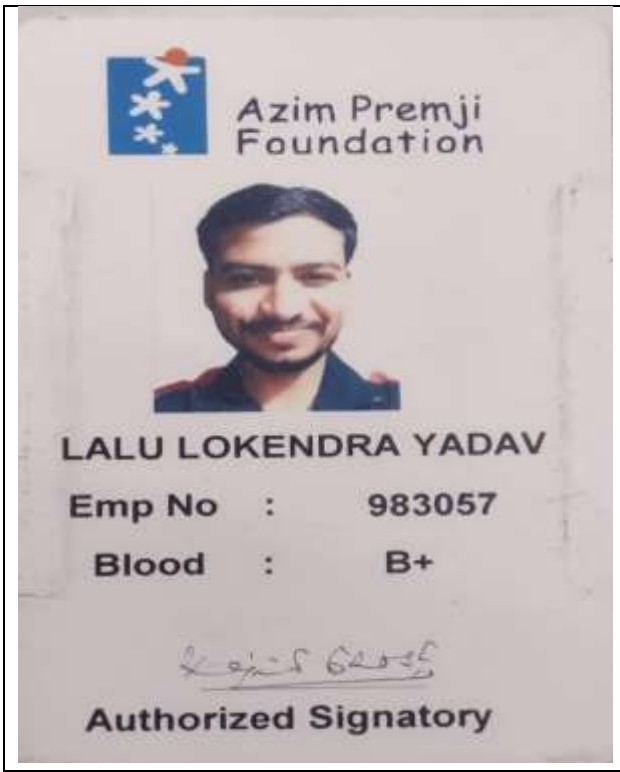

Transforming Lives: The initiative has brought about a transformation in the lives of the underprivileged children it serves. By equipping them with education, Aksharam is opening doors to better opportunities and a brighter future.

Creating Role Models: Through the guidance of Dr. Suwarna Tanwani and other mentors, Aksharam is creating role models for children. These mentors serve as inspiration and guidance, motivating the children to dream big and aim high.

Community Building: Aksharam has brought together various stakeholders, including students, parents, mentors, and volunteers, to work collectively towards a common goal of education and community development. This community-building aspect strengthens social bonds and fosters a sense of belonging.

The Aksharam initiative has made a significant impact in the lives of underprivileged children by providing them with educational opportunities and igniting a passion for learning. Through its multifaceted approach and active community involvement, Aksharam has become a beacon of hope and empowerment for the children and communities it serves.

“The impact of their work lead to the selection of four students in the prestigious Azim Premji Foundation, which work towards a just equitable, human and sustainable society.”
