"The objective of Aksharam is to infuse the spirit of learning and providing quality education among children who are so far deprived of it."

Aksharam was started with the aim to engage children in a preliminary learning experience through educational and interactive activities at their doorstep or nearest center to make them eager and interested to learn further. *They reach out the non-enrolled/dropout children in their locality and conduct regular evening classes for the children as a first step towards connecting them to mainstream education.*

Aksharam group worked in 08 slums with more than 500 underprivileged kids who were deprived of education because of their socio-economic background. Initially, they started with a very small group of students in the Holkar premises under the guidance of Dr. Suwarna Tanwani and slowly flourished in an active self-help group with multifaceted goals. Their further goals lead to the initiation of following activity:

Prerak: The objective of Prerak is to make efforts for improving the quality of life of marginalized sections of society, along with integrating mainstream education with children and collaborating with government schools to facilitate the services provided by the administration to children.

Navkriti: The objective of Navkriti is to enhance the skill development of children and to make favourable conditions in government schools for the management and inculcation of quality education.

"Shaurya - An Expression of Pride"

The impact of this activity:

The impact of the Aksharam initiative is profound and far-reaching, as it has successfully addressed the educational needs of underprivileged children and brought positive changes in their lives and communities. Some of the key impacts include:

Increased Access to Education: Aksharam has provided access to education for over 500 underprivileged children in 08 slums. By conducting regular evening classes in their localities, the initiative has reached out to non-enrolled and dropout children, bridging the gap between them and mainstream education.

Promoting Learning Interest: Through interactive and educational activities, Aksharam has instilled eagerness and interest in learning among the children. By providing a preliminary learning experience, the initiative has encouraged them to further pursue education.

Empowering the Community: The initiative's self-help group model has empowered the community to take ownership of the educational development of their children. By engaging parents and community members, Aksharam has fostered a sense of responsibility and involvement in the children's education.

Socio-economic Upliftment: Education is a powerful tool for socio-economic upliftment. By enabling underprivileged children to access education, Aksharam is contributing to breaking the cycle of poverty and creating opportunities for a better future.

Fostering a Positive Learning Environment: Aksharam's evening classes provide a safe and nurturing environment for the children to learn. This positive atmosphere encourages children to explore their potential and develop essential skills.

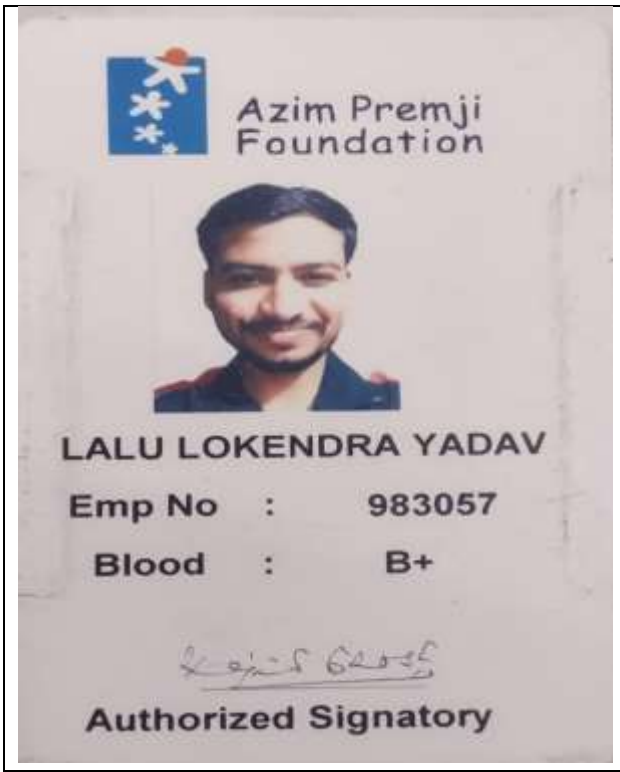

Transforming Lives: The initiative has brought about a transformation in the lives of the underprivileged children it serves. By equipping them with education, Aksharam is opening doors to better opportunities and a brighter future.

Creating Role Models: Through the guidance of Dr. Suwarna Tanwani and other mentors, Aksharam is creating role models for children. These mentors serve as inspiration and guidance, motivating the children to dream big and aim high.

Community Building: Aksharam has brought together various stakeholders, including students, parents, mentors, and volunteers, to work collectively towards a common goal of education and community development. This community-building aspect strengthens social bonds and fosters a sense of belonging.

The Aksharam initiative has made a significant impact in the lives of underprivileged children by providing them with educational opportunities and igniting a passion for learning. Through its multifaceted approach and active community involvement, Aksharam has become a beacon of hope and empowerment for the children and communities it serves.

“The impact of their work lead to the selection of four students in the prestigious Azim Premji Foundation, which work towards a just equitable, human and sustainable society.”

5	**Report of the Activity :** Tree plantation activity has been carried out by the 1 MP Girls battalion cadets, who participated actively in planting trees in an open field rather than in a campus. They went outside the campus and promoted tree plantation, encouraged people and spread message for planting as much as trees for the better environment. With this they showed their true love and affection towards the nature and their motherland. The activity has been conducted under **ANO MAJ (DR.) PREETI CHATURVEDI** Ma'am. Impact of the activity: The tree plantation activity carried out by the cadets of 1 MP Girls battalion had a significant impact on the environment and the community. By actively participating in planting trees outside the campus in an open field, they showcased their dedication to environmental conservation. Promoting tree plantation and encouraging people to plant more trees helped raise awareness about the importance of a greener environment. Their efforts not only contributed to improving air quality and mitigating climate change but also fostered a sense of responsibility towards nature and their motherland. The cadets' love and affection for nature inspired others to join in the cause, leading to a positive ripple effect for a better and sustainable future.

2	Name of the Activity:	**No Food Waste Awareness Programme in the University Campus**
3	Date and Year of the Activity:	16.10.2017
4	Number of Students Participated in the activity:	25
5	**Report of the Activity :** The NCC Cadets of Holkar science college, organized a drive in the University campus to make students and staff aware about the consequences of food wastage and asked them not to waste food and counseled other students in the cafeteria, mess and campus premises not to waste food and realize the need of the time. Impact of the Activity:The food wastage awareness drive organized by the NCC Cadets of Holkar Science College had a positive impact on both students and staff within the university campus. Increased Awareness: The activity successfully raised awareness among the students and staff about the consequences of food wastage. Many individuals might not have been fully aware of the environmental, social, and economic implications of wasting food. Through the drive, they were sensitized to the importance of reducing food wastage. Behavior Change: The counseling and awareness sessions conducted in the cafeteria, mess, and campus premises played a significant role in motivating students to change their behavior towards food consumption. The cadets' efforts might have encouraged individuals to be more mindful while serving food, leading to reduced plate wastage and overall food wastage. Cultivation of Responsible Habits: By counseling students in various food service areas, the NCC cadets promoted the development of responsible habits among the university community. Being mindful of food consumption and minimizing wastage not only benefits the environment but also cultivates a sense of responsibility towards resource conservation. Ripple Effect: The impact of the activity may extend beyond the university campus. Students who were counseled during the drive might have shared the knowledge and awareness with their friends and family outside of the campus, creating a ripple effect of responsible food consumption practices.	

	Institutional Commitment: The drive showcases the institution's commitment to promoting sustainable practices and creating a culture of conscious consumption. By organizing such initiatives, the college sends a strong message about its dedication to addressing environmental issues and sustainable development. In conclusion, the food wastage awareness drive organized by the NCC Cadets had a positive and significant impact on creating awareness, promoting responsible habits, and fostering a culture of sustainability within the university community. It contributes to the larger goal of reducing food wastage and promoting environmental consciousness in society.

6	**Report of the Activity**: An AIDS awareness programme was organized by both the NSS units of the college on 1st December 2017. The purpose of organizing activity on this day was to bring awareness about AIDS in the society. A silent rally was conducted on 1st December 2017 from college campus to the slum area of Bhanwarkuan area of the city for public awareness on the evils of HIV/AIDS. Nearly 49 volunteers and 04 staff members participated in this educative rally by slogans and placards. This rally helped the students and the neighboring community know how to protect their health from dangerous diseases like HIV AIDS. A poster competition was also held on this occasion in which the volunteers participated enthusiastically. **Impact of the Activity:** The AIDS awareness programme organized by both the NSS units of the college had a significant impact. By conducting a silent rally and distributing awareness through slogans and placards, the activity effectively spread knowledge about HIV/AIDS to the public. The participation of 49 volunteers and 04 staff members in the educative rally demonstrated the collective effort of the college community in addressing the issue. The event not only educated the students but also reached the neighboring community, increasing awareness about the prevention and risks associated with HIV/AIDS. The	

	poster competition further engaged the volunteers, fostering a sense of responsibility and commitment to promoting awareness about HIV/AIDS. Overall, the activity contributed to reducing stigma, encouraging responsible behavior, and fostering a healthier and more informed society.

5	Number of Students Participated in the activity:	36 Volunteers & 02 Programme Officers
6	**Report of the Activity:** Drug consumption is growing as a social menace especially among the people living in slum areas. Therefore, an awareness programme regarding De-addiction of drug & its side effects was done in the slum areas as well as in the adopted village. The volunteers took information from the visited family about their educational status, their habits and their employment status since, these are the factors onto which there is direct influence of drug intake by any of the family members. There were some people who enthusiastically paid attention to what was being explained by our volunteers regarding Drug De-addiction on this occasion. **Impact of the Activity:** The "No Drug Awareness Drive" conducted on International Nasha Mukti Diwas had a significant impact on the slum areas and the adopted village. The awareness program aimed to address the growing social menace of drug consumption. Volunteers visited families to collect information about their educational, employment status, and habits, as these factors are directly influenced by drug intake. The drive successfully educated people about the importance of drug de-addiction and its side effects. Some individuals showed enthusiasm and attentiveness during the explanations provided by the volunteers. The activity played a crucial role in raising awareness, motivating individuals to consider the consequences of drug addiction, and fostering a healthier and drug-free community.

6	**Report of the Activity:** Mahatma Gandhi dreamt of an India which should not only be free but also clean and developed. In line of this thinking Swachhta abhiyan was successfully done by both NSS Units. The countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. This was the message which was conveyed by our volunteers in the society by observing cleanliness drive in adopted village, adjoining slum areas, Rajbara Chhatri the Historical monument of Indore city & also in the college campus. NSS Programme Officers Dr. Seemavati Sisodiya & Dr. Sandeep Kumar Gohar coordinated with the Volunteers for successful completion of this Activity. This activity was done under the Guidance of Dr. Arun Kher sir, Principal of the college. **Impact of the Activity:** The Cleanliness Drive (Swachhta Abhiyan) at Historic Monuments of Indore, organized by both NSS Units, had a significant impact on the society and the college community. The activity aligned with Mahatma Gandhi's vision of a clean and developed India. Volunteers conveyed the message of cleanliness and responsible waste disposal to the society, emphasizing that clean countries are a result of citizens' conscious efforts to avoid littering. The drive covered various areas, including the adopted village, adjoining slum areas, Rajbara Chhatri (a historical monument in Indore), and the college campus. This	

	widespread approach contributed to a cleaner and more hygienic environment in these locations. NSS Programme Officers Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar's coordination ensured the successful execution of the activity. Under the guidance of Dr. Arun Kher, the Principal of the college, the cleanliness drive demonstrated the college's commitment to promoting cleanliness and environmental consciousness. Overall, the impact of the activity was evident in creating awareness about cleanliness, encouraging responsible behavior, and fostering a sense of civic duty among volunteers and the local community.

2	Name of the Activity:	"**Sadak Suraksha- Jeevan Raksha**" - Road Safety Awareness programme
3	Date and Year of the Activity:	4th – 10th February 2019
4	Number of Students Participated in the activity:	26
5	**Report of the Activity**: Ministry of Road Transport and Highways observed "30th National Road Safety Week" from 4th – 10th February 2019. The theme of this year was, "**Sadak Suraksha- Jeevan Raksha**". The ministry has asked various stakeholders to spread the awareness to make our roads safer. During the rally, the police officials conveyed the message of obeying traffic rules, wearing helmets to ensure safety measures while driving. Mr. Shantinath also addressed the vehicle owners about the ill-effects of not following traffic rules and regulations. Following traffic rules can help curb road mishaps, he added. **Impact of the activity**: The observation of the "30th National Road Safety Week" with the theme "Sadak Suraksha- Jeevan Raksha" had a significant impact on raising awareness about road safety and promoting responsible driving habits. Through various activities, such as rallies and awareness campaigns, the Ministry of Road Transport and Highways effectively conveyed the importance of obeying traffic rules and adopting safety measures while driving. The involvement of police officials and Mr. Shantinath in addressing the audience further reinforced the message. The impact of the event was evident in the increased awareness among the public about the consequences of not following traffic rules. People were sensitized to the fact that adhering to road safety guidelines can help prevent road accidents and protect lives. This awareness campaign likely contributed to a positive change in the behavior of drivers and pedestrians alike.	

	Moreover, the outreach to various stakeholders, including vehicle owners, emphasized the collective responsibility of everyone in ensuring road safety. The event fostered a sense of ownership and accountability among citizens towards making roads safer. The "30th National Road Safety Week" played a crucial role in spreading awareness, instilling responsible driving habits, and motivating people to prioritize road safety. It aligned with the mission of reducing road accidents and making India's roads safer for everyone.

This is the art that confined system and traditional of combat practiced for a number of reason such as self-defence, military and law enforcement applications, competition; physical ;mental and spiritual development; entertainment and the preservation of nation intangible culture heritage.	

	The most recent example of this is point shooting which relies on muscles memory to more effectively utilize a firearm. GRANDMASTER SHIFFU BHARDWAJ trained THE CADETS. **Impact of the Activity:** The Mission Sahasi initiative, launched to train girls in self-protection, had several positive impacts: **Empowering Girls:** By providing self-protection training to girls, Mission Sahasi empowered them with essential skills and knowledge to defend themselves in challenging situations. This increased their confidence and sense of security, promoting gender equality and women's empowerment. **Skill Development:** The training in martial arts and combat techniques helped the girls develop valuable physical and mental skills. These skills not only enhance their ability to protect themselves but also contribute to overall physical fitness and mental well-being. **Spreading Awareness:** The cadets from 09 MP BN NCC HSC took the initiative to train other SW (SW might stand for Senior Wing) in different colleges about martial arts and self-protection. This created awareness about the importance of self-defense and encouraged more girls to take up such training for their safety. **Collaboration and Leadership:** The cadets' efforts to train others showcased their leadership and collaborative abilities. By taking the initiative to teach and share their knowledge, they demonstrated their commitment to the cause of self-protection and community development. **Preservation of Cultural Heritage:** The practice of martial arts as a form of self-defense carries the intangible cultural heritage of the nation. By training in these traditional combat techniques, the cadets contributed to preserving this aspect of the country's culture. **Point Shooting Technique:** Learning the point shooting technique, which relies on muscle memory for effective firearm usage, can significantly enhance the cadets' self-defense capabilities. This specialized training prepared them to handle challenging situations effectively. **Personal Safety Awareness:** The Mission Sahasi training fostered a sense of personal safety awareness among the participating girls. They learned to be vigilant and prepared to protect themselves from potential threats. **Role Model Effect:** The cadets trained by Grandmaster Shiffu Bhardwaj can serve as role models for other girls, inspiring them to take up self-defense training and build confidence in their ability to protect themselves.

	Spreading the Message: As the trained cadets spread their knowledge to other colleges, the impact of the initiative extended to a wider audience, promoting the importance of self-protection and encouraging more girls to participate in similar programs. Mission Sahasi's initiative to train girls in self-protection through martial arts had a significant positive impact. It empowered girls with essential skills, promoted gender equality, and contributed to their physical and mental well-being. The training efforts of the cadets and their collaboration in spreading the message created awareness about self-protection, making a valuable contribution to the community's safety and well-being.

5	**Report of the Activity**: The **Kasturba Gandhi National Memorial Trust** is an organisation dedicated to the development of women and children in rural India. It was founded by Mahatma Gandhi in 1945 in dedication to his deceased wife Kasturba Gandhi. It has its headquarters in Kasturbagram, Indore, Madhya Pradesh. It has branches in 22 States and focuses on health care, education, vocational training and employment. In 2008, the Government of India conferred the Indira Gandhi Award for National Integration upon the trust. The cadets understood the various extension services done by the trust such as their socio-economic programmes, training programmes for women, support facilities for village etc.. Thet understood about hand spinning, which is a Gandhian ethic and how it is undertaken as a value of self-reliant life style in most branches of the Trust. Every Centre of Assam branch is engaged in hand spinning and hand-weaving. Chhattisgarh, Orissa, West Bengal and Kasturbagram, Indore are also playing a steady role for this. Special services during pandemics, natural disasters were also explained to them. **Impact of the Activity:** The activity of visiting the Kasturba Gandhi National Memorial Trust and understanding its various extension services had several positive impacts on the NCC cadets: **Awareness and Understanding:** The cadets gained valuable knowledge about the Kasturba Gandhi National Memorial Trust and its dedication to the development of women and children in rural India. They became aware of the Trust's various socio-economic programs, training initiatives for women, and support facilities for villages. **Appreciation of Gandhian Values:** Learning about hand spinning as a Gandhian ethic and its promotion as a means of self-reliant lifestyle instilled a sense of appreciation for Gandhian principles and values among the cadets.	

	Social Responsibility: Understanding the Trust's efforts in providing special services during pandemics and natural disasters reinforced the importance of social responsibility and humanitarian work. The cadets gained insights into how organizations can play a significant role in helping communities during challenging times. **Exposure to Grassroots Development:** Visiting Kasturbagram and observing the Trust's activities allowed the cadets to witness grassroots development efforts firsthand. This exposure can inspire them to get involved in similar community-based initiatives in the future. **Empowerment of Women and Children**: Learning about the Trust's focus on health care, education, vocational training, and employment for women and children highlighted the importance of empowering these vulnerable sections of society for overall societal development. **Recognition of Philanthropic Efforts:** Understanding that the Trust received the Indira Gandhi Award for National Integration from the Government of India showcased the impact and recognition of philanthropic efforts in fostering national integration. **Inspiration for Community Service:** The activity may have motivated the cadets to engage in community service and contribute to the welfare of marginalized communities in their future endeavors. **Building Synergy with NGOs:** Interacting with the Kasturba Gandhi National Memorial Trust allowed the cadets to understand the importance of synergy between NGOs and government organizations in addressing social and developmental challenges effectively. **Cultural Appreciation:** Observing hand spinning and hand-weaving activities in different branches of the Trust exposed the cadets to India's rich cultural heritage and traditional crafts. The impact of the activity was multi-faceted, ranging from awareness and understanding of social issues to inspiration for community service and appreciation for Gandhian values. It provided the NCC cadets with insights into the efforts and contributions made by organizations like the Kasturba Gandhi National Memorial Trust in uplifting the lives of women and children in rural India.

4	Number of Students Participated in the activity:	35
5	**Report of the Activity :** Road safety is one of the major concerns of the 21st century. In order to address this concern the road safety week or traffic awareness week is celebrated all around the country. Probably that's why in recent times, newspaper report writing on road safety week is in trend in various exams. It provide assistance to local bodies, Union Territories and States to improve the quality of crash investigation and of data collection, transmission and analysis. A National Road Safety Information System will be established for providing continuity and policy guidelines to this activity. Cadets of Holkar Science College actively participated in the traffic awareness sessions at Abhay Prashal. **Impact of the Activity:** The participation of the NCC cadets of Holkar Science College in the traffic awareness sessions during the road safety week had several positive impacts: **Increased Awareness:** The cadets became more aware of the importance of road safety and the challenges faced on the roads. They learned about the significance of following traffic rules and the consequences of reckless driving. **Education on Road Safety:** The sessions provided the cadets with valuable information and knowledge about road safety measures, preventive measures, and best practices to avoid accidents and ensure the safety of all road users. **Sensitization:** Through the awareness sessions, the cadets were sensitized about the impact of road accidents on individuals, families, and society as a whole. They developed empathy and understanding towards victims of road accidents.	

	Empowerment: The cadets were empowered with the knowledge to become responsible road users. They learned how to contribute to road safety by being vigilant and cautious while driving or walking on the roads. **Advocacy:** The participation of NCC cadets in the traffic awareness sessions can have a ripple effect as they can become advocates for road safety within their communities and among their peers. They can influence others to adopt safe practices on the roads. **Positive Behavioral Change:** The activity may have led to a positive behavioral change among the cadets, encouraging them to be more disciplined and law-abiding while on the roads. **Collaboration with Authorities:** By actively participating in the sessions at Abhay Prashal, the cadets showed their willingness to collaborate with authorities and contribute to road safety initiatives in their local area. **Potential Reduction in Road Accidents:** Through the dissemination of knowledge and awareness about road safety, the activity may have contributed to reducing the number of road accidents in the future. **Contribution to National Road Safety Information System:** The cadets' involvement in the awareness sessions may have indirectly contributed to the establishment and improvement of the National Road Safety Information System, leading to better data collection and analysis for road safety policies. The impact of the activity was positive, as it equipped the NCC cadets with valuable knowledge and skills related to road safety. Their active participation in the traffic awareness sessions demonstrated their commitment to creating a safer road environment and promoting responsible road behavior. This kind of awareness and advocacy is essential in addressing the concern of road safety in the 21st century.

4	Date and Year of the Activity:	11-17 January 2018
5	Number of Students Participated in the activity:	44 Volunteers & 02 Programme Officers
6	**Report of the Activity:** The program was initiated to create awareness about road safety measures so that it will benefit society in the long run. During this week Volunteers from both the NSS units of the college were assigned duty at Bhanwarkuan Square, Navlakha Square, Tower Square, and sapna sangeeta road which is situated near the college campus. The volunteers were given the task to make people aware of traffic rules and the importance of wearing helmets, especially for the two-wheeler owners. The volunteers accomplished their given task for 7 consecutive days thereby spreading the message among the public and society to abide by all the traffic rules which ensures their safety. **Impact of the Activity:** The Traffic Rules Awareness Drive during Traffic Safety Week, organized by both NSS units of the college, had a significant impact on creating awareness about road safety measures in society. The volunteers actively participated in their assigned duties at busy traffic junctions like Bhanwarkuan Square, Navlakha Square, Tower Square, and Sapna Sangeeta Road. Their primary focus was to educate people about traffic rules and the importance of	

	wearing helmets, particularly for two-wheeler owners. By dedicating 7 consecutive days to this initiative, the volunteers effectively spread the message of adhering to traffic rules to ensure their safety. The activity contributed to instilling a sense of responsibility and awareness among the public and society at large. It aimed to reduce road accidents and promote safe commuting practices. The impact of the Traffic Rules Awareness Drive was evident in encouraging people to be more cautious and law-abiding while on the roads, ultimately leading to a safer and more disciplined traffic environment.

2	Name of the Activity:	Blood Donation 18-19Camp jointly taken by NSS, red ribbon club & Red Cross Society in collaboration with the blood bank department of MYH hospital, Indore
3	Name of the Scheme:	National Service Scheme
4	Date and Year of the Activity:	2018-19
5	Number of Students Participated in the activity:	310 Students & 85 Teachers
6	**Report of the Activity:** The thought behind organizing this program was that blood donation is a service to mankind especially to the needy ones. Initiative for organizing the Blood donation camp was jointly taken by NSS, red ribbon club & Red Cross Society of the college. This blood donation camp was very successful as 45 units of blood were collected. This camp was done with help of medical & non-medical staff from the blood bank department of MYH hospital, Indore. This camp was organized in the supervision of Dr. Seemavati Sisodiya, Dr. Sandeep Kumar Gohar, Dr.Angoorbala Bafna & Dr. Poonam Bhatnagar under the guidance of Dr.Arun Kher, principal of the college. **Impact of the Activity:** The blood donation camp organized jointly by NSS, Red Ribbon Club, and Red Cross Society of the college had a significant impact on both the college community and the society at large. Firstly, the camp served as a platform to raise awareness about the importance of blood donation and its crucial role in saving lives. The initiative aimed to promote the idea that donating blood is a noble act of service to humanity, particularly for those in need.	

	Secondly, the camp's success in collecting 45 units of blood reflects the active participation and willingness of the college students and staff to contribute to this lifesaving cause. The significant number of units collected indicates a strong sense of social responsibility and compassion among the participants. Moreover, the collaboration with the blood bank department of MYH hospital, Indore, ensured that the donation process was conducted safely and professionally. This collaboration also strengthened the ties between the college and the medical community, fostering a sense of cooperation in addressing critical healthcare needs. Overall, the blood donation camp not only collected essential units of blood for medical emergencies but also served as a catalyst in promoting a culture of altruism, empathy, and social service among the college students and staff. The impact of this activity resonates in the lives saved through the blood collected and the heightened awareness about the significance of blood donation in building a healthier and compassionate society.

4	Date and Year of the Activity:	16.02.2019
5	Number of Students Participated in the activity:	1000 Students & 150 Teachers
6	**Report of the Activity:** Massive protests and candlelight march was held under both the NSS units of the college against the Pulwama terror attack. Pulwama attack is one the incident that shook the entire nation. The martyrs of this attack were paid homage by all the students, teaching and non-teaching staff members. A rally was organized by NSS to protest this heinous act of killing our soldiers. This rally was organized under the guidance of the then principal Dr. Arun Kher followed by his condolence speech. In this protest rally all the volunteers, Students, Teaching & Non-Teaching staff observed a moment of silence for the departed souls of the soldiers. **Impact of the Activity:** The impact of the protests and candlelight march against the Pulwama terror attack was profound on both students and society. For the students, it instilled a sense of patriotism and solidarity with the armed forces, fostering a deeper understanding of the sacrifices made by our soldiers. Witnessing the collective grief and support during the rally brought about a sense of community and unity among the students. It also sensitized the young minds towards the consequences of terrorism and the importance of national security. In society, the event sent a strong message of condemnation against such acts of violence, promoting a spirit of national pride and a shared commitment to safeguarding the nation. The rally served as a platform for expressing grief and standing in solidarity, reinforcing the importance of peace and harmony in the community.

6	**Report of the Activity:** Clean India Mission or commonly known as the Swachhta Abhiyan was a country-wide campaign initiated by the government of India in the year 2014. The aim of swacchta Abhiyan is to eliminate the open littering of garbage and various other pollutants causing adverse effects on the environment. Both the NSS units of our college organized the Swachhta Abhiyan program to spread awareness about keeping our surroundings clean. Our volunteers went to the slum areas for the counseling of the people living in slum areas and started a swacchta campaign which includes cleaning choked drains, cleaning of slum surroundings, and removing polythene thereby setting an example for the people to follow the same. Our volunteers requested the slum residents to observe cleanliness around their living spaces. The arrangement of the campaign was done by the programme officers Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar under the guidance of Dr. Arun Kher, principal of the college.	

	Impact of the Activity: The Swachhta Abhiyan conducted in the slum areas had a significant impact on both the residents and the volunteers. The campaign raised awareness about the importance of cleanliness and hygiene, encouraging the slum dwellers to actively participate in keeping their surroundings clean. By cleaning choked drains and removing polythene, the volunteers set an example for the community to follow, promoting a sense of responsibility towards the environment. The initiative not only improved the overall cleanliness of the slum areas but also fostered a sense of pride and ownership among the residents. Additionally, the active involvement of the NSS volunteers in organizing and executing the campaign enhanced their leadership skills and community engagement, instilling a sense of social responsibility in them. The activity also showcased the college's commitment to social causes and community development.

6	**Report of the Activity :** A one day programme of rally on World population day (11th July 2018) was organised collectively by all the NSS units running under DAVV, Indore. 276 Volunteers from our c participated in this massive rally. This rally started from Gandhi Hall MG road and it ende Rajwada (a Historical monument located in the heart of the Indore city). During the proces the population rally the students marched with slogans and explaining the people about the demerits of the increasing population and its related problems. All the volunteers were und command of NSS co-ordinator Dr. Prakash Garhwal, NSS program officers Dr. Seemava Sisodiya and Dr. Sandeep Kumar Gohar while the guidance was given by Dr. Arun Kher, principal of the college. **Impact of the Activity:** The Awareness Rally for Controlled Population on World Population Day had a significant impact on both the students and the community. For the students, participating in the rally provided them with a platform to actively engage in a social cause and raise awareness about the importance of controlling population growth. It helped them develop a sense of responsibility towards society and understand the challenges associated with overpopulation. Through the rally, students learned how to effectively communicate important messages to the public and became	

	more conscious about the need for sustainable population practices. On the community level, the rally served as an eye-opener for the general public about the consequences of uncontrolled population growth. The slogans and explanations provided by the volunteers helped create awareness among the spectators and passersby about the negative impacts of overpopulation on resources, environment, and social welfare. The rally sparked discussions and conversations within the community, encouraging people to rethink their approach towards family planning and population control. The rally played a vital role in promoting the concept of controlled population growth among both the students and the wider community, contributing to building a more informed and responsible society. It set the foundation for continued efforts in spreading awareness about population control and its importance in ensuring a sustainable future for all.

6	**Report of the Activity:** Accumulation of plastic objects and particles on earth leads to adverse effects on wildlife, wildlife habitat, and humans. Therefore, a plastic-free campaign was initiated on 5th June 2019 by both the NSS units, under this activity NSS Volunteers of the college collected the plastics thrown as litter to free the college campus and adopted village Asrawad (Umrikheda) from such an environmental menace. The NSS Programme Officers Dr. Seemavati Sisodiya & Dr.Sandeep Kumar Gohar organized this event under the guidance of Dr. Roop Lekha Vyas, Principal of the college. **Impact of the Activity:** The plastic-free campaign initiated by the NSS units had a significant impact on the environment and society: Environmental Preservation: The active involvement of NSS Volunteers in collecting plastic litter from the college campus and the adopted village helped in reducing plastic waste accumulation, thereby preserving the environment. It prevented plastics from entering water bodies and ecosystems, reducing adverse effects on wildlife and their habitats.	

	Awareness and Education: Through this campaign, volunteers raised awareness about the detrimental effects of plastic on the environment, wildlife, and human health. By actively engaging with the community, they educated people about the importance of reducing plastic usage and promoting eco-friendly alternatives. Behavioral Change: The campaign played a role in changing people's behavior toward plastic usage. By witnessing the efforts to remove plastic litter, individuals were motivated to adopt more sustainable practices in their daily lives. Community Participation: Involvement in the plastic-free campaign brought the community together, fostering a sense of responsibility towards the environment and encouraging collective efforts to combat plastic pollution. Institution-led Environmental Initiatives: The guidance and support from Dr. Roop Lekha Vyas, the Principal of the college, showcased the institution's commitment to environmental conservation and sustainability. Overall, the plastic-free campaign created a positive impact by promoting environmental consciousness, encouraging responsible waste management, and contributing to the preservation of nature and wildlife in the college campus and adopted village.

6	**Report of the Activity:** NCC cadets of Govt. Holkar Science College, Indore visited the gram panchayat, govt. hospital at Ring Road and interacted with the hospital in charge, doctors, the head of the panchayat, and the local people. Cadets consulted with them and discussed the difficulties faced by them. The main difficulty that they were facing was the problem of water supply. The Cadets also started the cleaning program of many sewage pipes that were left untreated by consulting municipal corporation. The Cadets also visited the anganwadis and shared time with them. **Impact of the Activity:** The NCC cadets' visit to the gram panchayat, government hospital, and anganwadis, along with their efforts to address the problem of water supply and cleaning sewage pipes, had several positive impacts: **Addressing Water Supply Issue**: By interacting with the local people and authorities, the cadets identified the problem of water supply in the area. This initiative brought attention to the issue and could have prompted the authorities to take necessary measures to improve the water supply situation in the region. **Community Engagement:** The interaction with the head of the panchayat, doctors, and local people demonstrated the cadets' commitment to community engagement and social welfare. This engagement fosters a sense of trust and cooperation between the cadets and the local community. **Civic Responsibility:** Through their cleaning program of sewage pipes, the cadets showcased their civic responsibility and concern for public health and sanitation. Their actions inspired others to take up similar initiatives to maintain cleanliness and hygiene in the locality. **Collaboration with Authorities:** By consulting the municipal corporation to address the issue of untreated sewage pipes, the cadets demonstrated the importance of collaboration with relevant authorities to find solutions to community problems. This collaboration can lead to better municipal services and infrastructure in th E**mpathy and Social Impact:** Visiting the anganwadis and spending time with the children showed the cadets' empathy towards the younger generation. This interaction can have a positive social impact by encouraging education, health, and well-being in the community.	

	Inspiration for Others: The cadets' proactive approach and dedication to community service can serve as an inspiration for other students and members of the community to engage in similar activities for the betterment of society. **Strengthening NCC's Image:** The activity showcased the NCC's commitment to social welfare and community service. It helps strengthen the image of the NCC as an organization that not only focuses on military training but also contributes to the development of responsible and compassionate citizens. **Long-term Impact:** The impact of the cadets' visits and initiatives is likely to be long-term, as it creates a positive influence on the community's well-being and encourages sustainable development in the area. The NCC cadets' visit to the gram panchayat, government hospital, and Anganwadis, along with their efforts to address water supply issues and clean sewage pipes, had significant positive impacts on the community's well-being, civic engagement, and collaboration with authorities. These initiatives showcase the NCC's commitment to social responsibility and community service, leaving a lasting positive impression on the community and inspiring others to contribute to the welfare of society.

7.	**Report of the Activity (in 100 words):**	

	True joy lies in the act of giving without expecting anything in return. Giving provides an intrinsic reward that is far more valuable than the gift we receive. Under this, our department experienced the joy of giving by distributing grocery for about one month to the children of the **Jeevan Shala Visharjan Ashram (slum area)** on the occasion of Diwali. Under the guidance of head of the department along with faculty members and students of M.Sc. Teachers as well as students enjoyed a lot by giving the smile on faces of poor students. Vote of thanks was given by the head of the Jeevan Shala Visharjan Ashram (slum area). Impact: The act of giving without expecting anything in return had a profound impact on the Department and the recipients, the children of Jeevan Shala Visharjan Ashram (slum area). By distributing grocery for about a month to the underprivileged children during Diwali, the department exemplified the true essence of joy through selfless giving. The intrinsic reward of spreading happiness and making a positive difference in the lives of others surpassed any material gift. The gesture not only provided essential resources to the children and their families but also instilled a sense of care and compassion among the faculty members and students involved. The smiles on the faces of the recipients and the joy experienced by the givers created a heartwarming atmosphere, fostering a sense of community and empathy. The act of giving undoubtedly left a lasting impact on both the givers and receivers, reinforcing the value of selflessness and the power of kindness in making the world a better place.

06	Report of the activity	The chemistry department of Govt. Holkar Science College had an opportunity to visit "Jyoti Niwas" an Old Age Home at Navlakha, Indore on 18/09/2019. Head of department, professors and M.Sc. students went to this old age home. Old age is the last phase of our life In this phase we need more love and affection from our family members. Unfortunately, people are so busy in this dazzling lifestyle that they forget their own parents. Jyoti Niwas gives shelter to these elderly persons left at their door steps. We all went there to know their experiences and entertained them by singing bhajans, songs etc. They told us about the truth of life and inspired to do social work for good course. They showered blessing on all of us and gave best wishes for bright future. In the end, we all realized the real wealth

		in life is to give loving service to old people who have treasure of "Experiences in life" which helps in our life.

6	**Report of the Activity** (in 100 words): Cultural activities were organized for financially weak children who belong to rural backgrounds and who do not afford studying in such schools which can organize such activities. Dance activity was organized for such children. They used the platform very well and participated in the activity which helped them to exhibit their talents in public and enhance their skill. **Impact of the Activity:** The organization of cultural activities specifically designed for financially disadvantaged children from rural backgrounds had a transformative impact. Through the dance activity, these children were provided with a platform to showcase their talents and abilities. Participating in such activities not only boosted their confidence but also allowed them to express themselves creatively. The opportunity to perform in public enhanced their skills and fostered a sense of accomplishment and self-worth. By bridging the gap between the privileged and underprivileged, the cultural activities promoted inclusivity and equal opportunities for all children, regardless of their financial background. It opened doors for these children to explore their potential and pursue their passions, empowering them with a belief in their abilities and a sense of pride in their cultural heritage.

6	**Report of the Activity**: Residents from some localities of Indore have reported an unknown foul smell in their areas. People have said the smell to be of some kind of decomposition or fermentation. Local residents are facing health issues with this smell. Indore Municipal Corporation and M.P. Pollution control Board have worked on the reasons of foul smell but could not get any inference regarding the cause of smell. Department of Microbiology from Govt Holkar Science, Indore, took the problem as their social responsibility, and have worked on the reasons of foul smell. The survey was done with the help of questionnaire and the survey result showed that local residents of certain areas have been continuously facing this problem for the last 1.5 months. As per residents, the smell is similar to decomposition or fermentation. The smell usually comes in the evening hours maximum before 6-10 pm. Residents residing in Devguradia and near by places have suspected that the smell is coming from trenching ground. It was observed that no foul smell was felt when the wind direction was south-north. This indicate that cause of the foul smell may be in southern parts of the city. In the second level of studies, sampling was done from 06 different of suspected locations. Water and soil samples were collected from Kahn river which was suspected as a possible waste disposing area resulting in foul smell. The report helps in concluding that soil and water are not the possible cause for foul odour in affected areas.	

	Impact of the Activity: The outreach activity conducted by the Department of Microbiology from Govt Holkar Science, Indore, to investigate the foul smell problem has had a significant impact on students. By actively engaging them in this real-world problem, the students were exposed to hands-on research and practical applications of their studies. They gained valuable experience in conducting surveys, using questionnaires, and collecting samples for analysis. This experiential learning opportunity not only enhanced their scientific skills but also instilled a sense of social responsibility and empathy towards the affected community. It inspired the students to apply their knowledge for the betterment of society and encouraged them to pursue careers in research and problem-solving related to environmental issues and public health.

6	**Report of the Activity:** This Camp was organized from 11-17 January 2019. It was organized in the village Village Asravad (Umarikheda). There were various activities like Shram Daan, Awareness regarding HIV/ AIDS, Education Awareness, motivating people to use cashless transaction payment method, Swachhta Abhiyan, Health Checkup, Eye Checkup Camp with the help of NGO Nayan- Mitra, Distribution of spectacle at a very low price by NGO. Dr. Prakash Garhwal (NSS Co-ordinator, DAVV, Indore), Dr. Sachin Sharma (District Co-ordinator, Indore), Dr. Indu Tiwari (Senior Prof. of English Dept.) , Dr. Swarna Tanwani (Senior Prof. of English Dept), Dr. Poonam Bhatnagar (Senior Prof. of Geology) & Dr. Angoorbala Bafna (HOD & (Senior Prof. of Bio-Chemistry Dept.) were invited to address the volunteers in Baudhik session which was organized daily in Post Lunch sessions. Students performed in various cultural activities in the closing ceremony. **Impact of the Activity:** The 7-day camp organized in Village Asravad (Umarikheda) in January 2019 had a significant impact on both the villagers and the participating volunteers. The diverse range of activities, including Shram Daan, HIV/AIDS awareness, Education Awareness, promoting cashless transactions, Swachhta Abhiyan, Health Checkup, and Eye Checkup Camp, addressed various essential aspects of community development and well-being.	

	The awareness sessions conducted by experts and professors from different departments provided valuable insights and knowledge to the volunteers, empowering them with a broader perspective on social issues. The health check-up camps, eye check-up initiatives, and distribution of spectacles at a low cost improved the villagers' access to healthcare services and enhanced their overall well-being. The cultural activities performed by students during the closing ceremony added vibrancy and joy to the camp, fostering a sense of unity and cultural exchange between the volunteers and the villagers. The camp's impact extended beyond its duration, leaving a lasting impression on both the villagers and the college community. It strengthened the bond between the college and the adopted village and instilled a sense of responsibility and social consciousness among the volunteers. Overall, the camp contributed to the holistic development of the village community and instilled a spirit of service and compassion among the participants.

6	Report of the Activity: This year a 7-day special (DIVA) camp was organized in the adopted village Asravad (Umarikheda) on 18-24th January 2018. The camp was inaugurated by the chief guest Dr. Rooplekha Vyas Madam, Principal of the college. On this occasion Mr. Surendra Singh Chabra Janbhagidari president, Dr. R.C. Dixit, Administrative officer, Dr. M.M.P. Shrivastav, Dr. Pradeep Sharma & Shri Bhojraj Sarpanch of the village was present. During the stay of 7 days in the adopted village the Sarpanch of the village gave us support and guidance for conducting various activities. There were hundred volunteers who were divided into ten equal groups and they were assigned different tasks. During this seven-day camp, various lectures were organized in the Baudhik Charcha session for the benefit of volunteers. All the activities done in the campus were reported on a daily basis through Shivir Darpan by one of the teams assigned for this task. Activities like Swachhta Abhiyan, HIV/AIDS Awareness, Sarva Shiksha Abhiyan, Literacy Campaign, Health Check & Eye check-up through MPVHA (an Indore-based NGO) were done during this camp. In addition to this our Volunteers made an effort to repair the boundary wall of a leprosy patient's residence worth Rs 1650/- as well as a cricket pitch for village kids was prepared for them, a shram of worth Rs 1200/-. Impact of the Activity: The 7-day special (DIVA) camp organized in the adopted village Asravad (Umarikheda) had a significant impact on the village community and the volunteers involved. The camp, inaugurated by Dr. Rooplekha Vyas Madam, Principal of the college, received support and guidance from various village officials and leaders.	

	The camp's activities, divided into different tasks and lectures, focused on various important aspects, including Swachhta Abhiyan, HIV/AIDS Awareness, Sarva Shiksha Abhiyan, Literacy Campaign, and Health Check & Eye check-up. The camp also involved repairing the boundary wall of a leprosy patient's residence and creating a cricket pitch for village kids. These activities contributed to improving the village's overall cleanliness and hygiene, spreading awareness about health-related issues, and promoting education and literacy among the villagers. The volunteers' efforts in repairing the leprosy patient's residence and creating a cricket pitch demonstrated their commitment to community service and social welfare. The impact of the camp extended beyond its duration, leaving a positive and lasting impression on both the volunteers and the villagers. The spirit of service, collaboration, and compassion displayed during the camp fostered a sense of unity and mutual understanding between the college and the adopted village. Overall, the DIVA camp played a vital role in empowering the community and promoting the principles of social responsibility and community development.

1	Name of the Department / Unit / Agency:	NSS (UNIT 1 & 2)
2	Name of the Activity:	Blood donation and Eye Check-up Camp (With NGO Nayan-Mitra)
3	Name of the Scheme:	National Service Scheme
4	Date and Year of the Activity:	30/12/2019
5	Number of Students Participated in the activity:	156 Students & 28 Teachers
6	**Report of the Activity:** A voluntary Blood Donation camp was organized in the college jointly by NSS, NCC & Red Cross Society. In this activity along with Voluntary blood donation complete Health Checkup was done by the team of MYH Hospital and Eye Checkup was done by the personnel from NGO Nayan-Mitra. Each donor was given a certificate of blood donation by our respected principal Dr. Suresh T. Silawat. **Impact of the Activity:** The voluntary Blood Donation camp organized jointly by NSS, NCC, and Red Cross Society had a significant impact on both the donors and the community. Saving Lives: The blood donated during the camp can potentially save numerous lives, especially in times of emergencies, surgeries, and for patients in need of blood transfusions. Creating Awareness: The camp helped raise awareness about the importance of voluntary blood donation and its role in saving lives. It encouraged more people to come forward as voluntary blood donors in the future.	

	Health Checkup: Conducting complete health checkups for the donors not only ensured their fitness for donation but also helped identify potential health issues that could be addressed early on. Eye Checkup: The eye checkup conducted by the NGO Nayan-Mitra contributed to the early detection of eye-related problems in the donors, promoting better eye health in the community. Encouragement for Future Donation: The certificates of blood donation presented by the principal Dr. Suresh T. Silawat acted as a token of appreciation and encouragement for the donors to continue donating blood in the future. Overall, the voluntary Blood Donation camp had a positive impact on the donors, as they contributed to a noble cause and experienced the satisfaction of saving lives. The event also created awareness about blood donation and the importance of regular health checkups, benefiting the community's health and well-being.

Report of the Activity:

FIT India Cyclotron Rally was organized by the Local District Administration. The Volunteers of NSS from our college participated in this rally. It started from Jawaharlal Nehru Cricket Stadium via Palasia then it reached back to the stadium covering the areas which fall under this route. Hence a message for fitness was spread among the residents of the city by this cyclotron.

Impact of the Activity:

The FIT India Cyclotron Rally organized by the Local District Administration and participated in by NSS Volunteers from our college had a positive impact on the community:

Fitness Awareness: The rally's main objective was to promote fitness and a healthy lifestyle. By covering various areas in the city, the rally effectively spread the message of the importance of staying fit and active.

Community Engagement: The presence of NSS Volunteers from our college in the rally enhanced community engagement. The participants' active involvement and interaction with the residents further reinforced the message of fitness.

Inspiration for Physical Activity: The rally served as an inspiration for people to engage in

physical activities and adopt healthier habits. It motivated individuals to take charge of their fitness and well-being.

Public Awareness: The large-scale event garnered public attention and generated awareness about the significance of maintaining a fit and healthy lifestyle, contributing to overall community well-being.

Support for FIT India Campaign: By participating in the FIT India Cyclotron Rally, the NSS Volunteers demonstrated their support for the national FIT India Campaign, encouraging others to join the movement as well.

Overall, the FIT India Cyclotron Rally had a positive impact on the community, motivating people to embrace fitness and encouraging them to lead healthier lives. The event's success in spreading the fitness message in different areas of the city contributed to building a fitter and more health-conscious society.

6	**Report of the Activity:** AIDS Day is observed on 1st December 2018. Our NSS units organised a programme on HIV/AIDS. A poster-making competition was organised for spreading awareness in this regard. The AIM of the programme was to help youngsters and people in society to know how to protect their health from dangerous disease like HIV/AIDS. This programme was done under the supervision of Dr Seemavati Sisodiya and Dr. Sandeep Kumar Gohar under the guidance of Dr.Arun Kher principal of the college. **Impact of the Activity:** The programme organized by the NSS units on World AIDS Day on 1st December 2018 had a significant impact in spreading awareness about HIV/AIDS among the college community and society. The poster-making competition served as a creative and engaging platform to convey crucial information about HIV/AIDS. By involving students in the competition, the programme successfully captured the attention of youngsters and other participants, making them more receptive to the awareness messages. The main aim of the programme was to educate people about how to protect their health from the dangerous disease of HIV/AIDS. By raising awareness on preventive measures, safe practices, and the importance of getting tested and seeking treatment, the initiative played a vital role in empowering individuals to take charge of their health and	

	well-being. The impact of the activity can be seen in the increased awareness about HIV/AIDS among college students and staff. Moreover, as these students interact with their families, friends, and communities, the knowledge they gained through the programme will likely spread, further increasing awareness and understanding about HIV/AIDS. Overall, the programme on World AIDS Day not only served as a means to raise awareness but also as a stepping stone towards breaking the stigma and misconceptions associated with HIV/AIDS. By initiating this dialogue, the NSS units contributed to fostering a more informed and compassionate society, which is crucial in combating the spread of the disease and supporting those affected by it.

6	**Report of the Activity:** The NSS units organized traffic safety week, especially at the different traffic signals of the city. Our Volunteers highlighted the importance of road safety and the necessity of being obedient to traffic rules. The objective of this activity was to create awareness among citizens about the consequences of rash and negligent driving. Our volunteers urged the public to abide by traffic rules like wearing helmets while riding their two-wheelers, wearing seat belts, etc for their safety**.** This activity was accomplished by our volunteers under the supervision of Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar NSS Programme officers and under the guidance of Dr. Suresh T. Silawat, Principal and Additional Director, Indore Division. **Impact of the Activity:** The traffic safety week organized by the NSS units had a significant impact on creating awareness about road safety: Increased Awareness: The volunteers' efforts in highlighting the importance of road safety and obedience to traffic rules contributed to increased awareness among citizens. People were made aware of the potential consequences of rash and negligent driving,	

	encouraging them to be more responsible on the roads. Promotion of Safe Practices: Through their interactions with the public, the volunteers promoted safe practices such as wearing helmets while riding two-wheelers and using seat belts while driving. These practices are crucial for reducing road accidents and injuries. Community Engagement: The activity involved active engagement with the community, allowing the volunteers to directly communicate road safety messages to a wider audience. This approach fostered a sense of responsibility among citizens toward their safety and the safety of others on the roads. Support for Traffic Authorities: By spreading awareness about traffic rules and safety, the volunteers indirectly supported the efforts of traffic authorities in maintaining road discipline and reducing road accidents. Institutional Impact: The organized traffic safety week demonstrated the college's commitment to social responsibility and community welfare, showcasing the institution's role in creating responsible and safety-conscious citizens. Overall, traffic safety week had a positive impact on promoting road safety awareness, encouraging safe practices, and engaging the community in making roads safer for everyone.

6	Report of the Activity: Swacchta Abhiyan was organized by the NSS units of the college. Under this activity, our volunteers worked to clean the campus and the football ground situated in the campus. The volunteers also initiated a cleanliness drive in the adopted village by cleaning the village premises and clearing the choked drains. All the sludge which was accumulated in the choked drains was removed and hence making the drains flow clearer. The whole activity was organized by Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar NSS Programme officers under the guidance of Dr. Suresh T. Silawat, Principal and Additional Director, Indore Division. Impact of the Activity: The Swachhta Abhiyan organized by the NSS units had a positive impact on both the college campus and the adopted village: Improved Campus Environment: The cleaning activities carried out by the volunteers resulted in a cleaner and more hygienic campus environment. Removing waste and debris from the football ground contributed to a better playing area for students and	

	improved overall aesthetics. Enhanced Village Cleanliness: The cleanliness drive in the adopted village led to a significant improvement in the village's cleanliness. Clearing choked drains not only improved the appearance but also helped prevent waterlogging during the rainy season, reducing health hazards. Awareness and Behavioral Change: The volunteers' efforts to clean and maintain cleanliness in the campus and village helped raise awareness about the importance of cleanliness and hygiene. This activity likely encouraged behavioral changes, promoting responsible waste disposal practices among the community. Community Participation: Involving volunteers and community members in the Swachhta Abhiyan fostered a sense of community ownership and responsibility towards maintaining a clean environment. Institutional Commitment: The active organization of the Swachhta Abhiyan by NSS Programme Officers Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar demonstrated the college's commitment to environmental cleanliness and community development. Overall, the Swachhta Abhiyan had a positive impact by creating a cleaner and healthier environment, promoting community participation, and encouraging sustainable practices in the college campus and the adopted village.

6	**Report of the Activity:** Traffic Safety Week is observed by our NSS Volunteers. A total of 11 teams containing 10 volunteers each were made. These volunteers were assigned alternate duties in some of the places like Navlakha Square, Bhanwarkuan Square, and Agrasen Square to help the traffic police. The volunteers were allotted a duty for 2 hours with the different teams doing their duties in allotted time slots alternately. The task of volunteers was not only to convey the traffic safety rules to the people but also to manage the traffic during their duty hours with the help of local traffic police officials. Our Volunteer ku. Riya Chaturvedi also participated in Refresher Workshop on "Road safety Awareness on Traffic rules" organized by **VE Commercial Group (a Volvo Group and Eicher Motors Joint venture).** The entire activity was organized by programme officers Dr. Seemavati Sisodiya & Dr. Sandeep Kumar Gohar under the guidance of Dr. Arun Kher, Principal of the college. **Impact of the Activity:** The Traffic Safety Week conducted by NSS Volunteers had a positive impact on both the society and the volunteers. By actively participating in managing traffic and creating awareness about traffic safety rules, the volunteers contributed to reducing road	

	accidents and promoting responsible behavior among road users. Their presence and assistance helped ease traffic congestion and ensure a smoother flow of vehicles during their assigned duty hours. The participation of one of the volunteers in the Refresher Workshop on Road Safety Awareness further enhanced their knowledge and understanding of traffic rules and safety measures. This knowledge could be shared with the community, spreading awareness and encouraging safer road practices. Overall, the activity demonstrated the college's commitment to community service and civic responsibility, fostering a sense of duty and social consciousness among the volunteers. The collaboration with local traffic police officials also strengthened the relationship between the college and the authorities, promoting collective efforts towards maintaining road safety in the city.

6	**Report of the Activity:** Swachh Bharat Mission or Swachh Bharat Abhiyaan is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defection and improve solid waste management. Cleanliness is a must around us to work in a healthy and happy environment which increases the good work atmosphere and decreases the incidence of diseases. The department organized swachhta Abhiyan for staff and students on 26.11.2020 to join the People with Clean India mission. These activities created awareness in students to know about the importance of cleanliness. **Impact of the Activity:** The Swachh Bharat Abhiyan organized by the department on 26.11.2020 had a positive impact on staff and students. By actively participating in the extension activity of the cleanliness drive, they contributed to the nationwide effort to eliminate open defecation and improve solid waste management. The initiative fostered a sense of responsibility toward maintaining cleanliness and hygiene in the college premises and beyond. It created awareness among students about the importance of cleanliness in promoting a healthy and disease-free environment. The Swachh Bharat Mission not only enhanced the college's appearance but also instilled a culture of cleanliness and social responsibility, empowering students to become agents of positive change for a cleaner and healthier India.

5	**Report of the Activity:** More than 70 students have participated in blood donation camp, of which more than 20 students donated blood for the first time. The camp was organized on the occasion of NCC day. The blood bank team arrives at the venue of the camp before the time given to donors. They inspected pre-donation, donation, and post-donation areas as per their specific standards. The cadets donated their blood under the guidance of their ANOs. **Impact of the Activity:** The blood donation camp organized on the occasion of NCC day has several impactful outcomes: **Life-Saving Contribution:** More than 70 students donating blood means that potentially, 70 lives can be saved or improved with this selfless act. Blood donation is a critical aspect of healthcare and can make a significant difference in emergency situations and medical treatments. **Encouraging First-Time Donors:** The fact that more than 20 students donated blood for the first time indicates that the camp has been successful in encouraging and motivating young individuals to participate in this noble cause. This sets a positive precedent for future blood donation drives and cultivates a culture of regular blood donation among the youth. **Awareness and Education:** By organizing the blood donation camp, the NCC has contributed to raising awareness about the importance of blood donation and its impact on saving lives. It also educates students about the blood donation process and its significance in healthcare. **Building a Culture of Giving:** Blood donation camps organized on special occasions like NCC day foster a culture of giving back to society and serving the community. It	

	instills a sense of responsibility and compassion among the students, encouraging them to actively participate in social welfare activities. **Strengthening Community Bond:** The blood donation camp brings together students, ANOs, and the blood bank team, fostering a sense of community and collaboration. Such events promote unity and solidarity in working towards a common goal of helping those in need. **Recognizing the NCC's Positive Impact:** By successfully organizing the blood donation camp, the NCC showcases its commitment to not only developing disciplined and responsible citizens but also nurturing individuals who actively contribute to society's well-being. **Saving Lives during Emergencies:** Blood banks play a vital role in emergency situations, and by donating blood, the students have directly contributed to the availability of life-saving blood units that can be readily used in times of crisis. **Personal Growth and Empowerment:** The act of blood donation not only benefits recipients but also brings a sense of fulfillment and empowerment to the donors. Knowing that their donation can make a difference empowers students to take on more socially responsible roles in the future. **Spreading a Positive Message:** The blood donation camp sends a positive message to the larger community about the importance of voluntary blood donation and the critical role that young individuals can play in saving lives. The blood donation camp organized on NCC day has had a far-reaching impact on individuals' lives, the community, and society as a whole. It showcases the spirit of service, compassion, and altruism that the NCC strives to instill in its cadets, making them valuable assets to the nation.

5	**Report of the Activity:** Yoga is an ancient art that originated in India almost around six thousand years ago . ancient people were used to practicing yoga and meditation in their daily lives to live a healthy and active life. Yoga is very safe and can be practiced safely by anyone at anytime; even children and older people can also take all its benefits and today it is best to live a healthy and robust life. On International Yoga Day, due to Corona Pandemic and social distancing issues, NCC cadets participated in e-mode remotely from their houses and motivated their family members to do YOGA to remain fit and healthy under the guidance of their ANOs I**mpact of the Activity:** The impact of the International Yoga Day activity, where NCC cadets participated in e-mode remotely from their houses and motivated their family members to do yoga, was multi-dimensional and positive: ● **Health Benefits:** By encouraging their family members to practice yoga, the NCC cadets contributed to the overall health and well-being of their households. Regular practice of yoga can lead to improved flexibility, strength, balance, and overall physical fitness. It can also help in managing stress and anxiety, which was particularly relevant during the challenging times of the COVID-19 pandemic. ● **Promoting Yoga Culture:** The participation of NCC cadets and their families in the International Yoga Day activity helped promote the culture of yoga within their communities. By embracing yoga as a part of their daily routine, they set an example for others to follow and emphasized the importance of integrating this ancient practice into modern lifestyles. ● **Awareness and Education:** The e-mode participation allowed for a wider reach and increased awareness about the benefits of yoga. As the NCC cadets engaged in the activity from their homes, they demonstrated that yoga can be practiced safely and effectively in any setting, fostering a sense of inclusivity and accessibility.	

	• **Family Bonding:** The activity served as an opportunity for family bonding and shared experiences. By practicing yoga together, the NCC cadets and their family members strengthened their relationships, creating a positive and supportive environment for each other's health and well-being. • **NCC's Social Impact:** The NCC's involvement in promoting yoga and healthy living further reinforced its commitment to social service and community engagement. It showcased the organization's dedication to holistic development and encouraged a sense of responsibility towards one's own health and the well-being of others. • **Encouraging Lifelong Habits:** By motivating their family members to practice yoga, the NCC cadets instilled the value of maintaining a healthy lifestyle. The positive experience of participating in the activity may encourage individuals to continue practicing yoga and other fitness activities in the long run, leading to lasting health benefits. • **Adapting to the Pandemic:** Amidst the challenges posed by the COVID-19 pandemic and social distancing measures, the e-mode participation demonstrated the ability to adapt and continue essential activities remotely. It showcased resilience and determination in continuing to celebrate International Yoga Day despite the prevailing circumstances. The International Yoga Day activity conducted by the NCC cadets had a profound impact on the physical and mental well-being of the participants and their families. It also contributed to the promotion of yoga as a holistic practice and encouraged a culture of health and fitness within the community.

The certificate of appreciation she received acknowledges her commitment and positive impact on the educational journey of young students. **Empowering Youth:** Being selected as an educator empowered Ku. Apurva Karahe and other young students, showcasing their ability to contribute meaningfully to society during challenging times. This recognition can inspire more young individuals to step up and make a difference in their communities. **Supporting Online Learning:** As the pandemic necessitated a shift to online learning, Ku. Apurva Karahe's efforts contributed to making quality education accessible to students even in remote areas. This helped in maintaining continuity in education and minimizing the disruptions caused by the pandemic. Ku. Apurva Karahe's work as an educator had a positive impact on education during the COVID-19 pandemic. Her dedication, creativity, and commitment to online education contributed to empowering students and ensuring that learning remained a priority despite the challenging circumstances.

प्रोफेसर मनोविज्ञान ने मैनेजिंग स्ट्रेस ड्यूरिंग कोरोना क्राइसिस पर कही। होलकर साइंस कॉलेज की युवा रेडक्रॉस सोसायटी और महिला सशक्तिकरण इकाई की ओर से मेंटल हेल्थ एंड कोविड-19 विषय पर वेबीनार आयोजित किया गया। इसमें देशभर के 15 राज्यों से 1000 से अधिक प्रतिभागियों ने रजिस्ट्रेशन करवाया। वेबीनार कोरोना काल में हमारे मानसिक स्वास्थ्य को कैसे संतुलित रखें इस उद्देश्य से आयोजित किया गया। कोरोना से जुड़ी खबरों से आम व्यक्ति बहुत प्रभावित: जहां पूरी दुनिया कोरोना वायरस से जूझ रही है और विश्वभर में इस महामारी के निजात के लिए बहुत से कदम उठाए जा रहे हैं। इन सबके बीच कोरोना वायरस के बढ़ते प्रभाव और उससे जुड़ी खबरों से आम व्यक्ति बहुत प्रभावित है। एक डर का माहौल बना हुआ है और हर व्यक्ति मानसिक रूप से अस्थिर है इससे मानसिक स्वास्थ्य पर गहरा प्रभाव पड़ रहा है। प्रश्न उठता है कि इस विषय परिस्थिति में अपने मानसिक स्वास्थ्य को कैसे ठीक रखें। वेबीनार के उद्घाटन में अतिरिक्त संचालक उच्च शिक्षा इंदौर संभाग ने कहा कोरोना संक्रमण काल में बीमारी की रफ्तार को कम करने के लिए सामाजिक दूरी बनाए रखना आवश्यक हो गया है। मानसिक भावनाओं को संतुलित बनाए रखने के लिए इस तरह के विषय पर वेबीनार आयोजित करना अतिआवश्यक है। दिनचर्या को नियमित व नियंत्रित रखें डॉ. संदीप अग्रे ने कहा हमारे विचार, भावनाएं और व्यवहार हमारे इमोशनल वेल बीइंग को नियंत्रित करते हैं। अच्छा काम करने से हमें अच्छा महसूस होता है। अपनी दिनचर्या को नियमित व नियंत्रित रखकर जो भी काम करें वो पूर्ण तल्लीन होकर करें। भावनात्मक तौर पर अपने लिए समय निकालें और साथ ही सभी के साथ अच्छा समय व्यतीत करें। वैचारिक दृष्टिकोण से एक समय पर एक कार्य करें और अपने विचारों पर हमेशा नजर रखें व उन्हें गलत दिशा में न जाने दें बल्कि नई सकारात्मक दिशा देने की कोशिश करें। कार्यक्रम का आयोजन डॉ. पुनम भटनागर, प्रभारी महिला सशक्तिकरण के निर्देशन में डॉ. अंगूरबाला बाफना, प्रभारी युवा रेडक्रॉस सोसायटी व विभागाध्यक्ष जीवरसायन द्वारा किया गया। अतिथि परिचय डॉ. अनामिका जैन, विभागाध्यक्ष रसायन शास्त्र, संचालन प्रो. शीतल उइके ने व आभार प्रो. तसनीम रंगवाला ने माना।  100 से अधिक युवाओं ने भाग लिया प्रदर्शन करेंगे। कि जल्द काम पूरा हो जाएगा। सकती है। मानसिक व भावनात्मक संतुलन कोरोना काल की आवश्यकता 6pm नगर प्रतिनिधि, इंदौर शा. होलकर विज्ञान महाविद्यालय की युवा रेडक्रास सोसा. व महिला सशक्तिकरण इकाई द्वारा 30 जुलाई को मेंटल हेल्थ एंड कोविड-19 विषय पर वेबिनार का आयोजन किया। इसमें देशभर के 15 राज्यों से 1000 से अधिक प्रतिभागियों ने पंजीयन कराया। वेबिनार कोरोना काल में हमारे मानसिक स्वास्थ्य को कैसे संतुलित रखें, इस उद्देश्य से आयोजित किया गया। जहां पूरी कैसे ठीक रखें। वेबिनार के उद्घाटन अवसर पर डॉ. सुरेश टी. सिलावट, अतिरिक्त संचालक उच्च शिक्षा इंदौर संभाग व प्राचार्य होलकर विज्ञान महाविद्यालय ने उद्बोधन में कहा कि कोरोना संक्रमण काल में बीमारी की रफ्तार को कम करने के लिए सामाजिक दूरी बनाये रखना जरूरी है, जिसके कारण नीरसता का भाव पैदा हो रहा है। अतः मानसिक भावनाओं को संतुलित बनाये रखने के लिए इस तरह के विषय पर वेबिनार आवश्यक है। इसी तरह वक्ता डॉ. अशोक जैन ने मैनेजिंग स्ट्रेस ड्यूरिंग कोरोना क्राइसिस पर बड़ा ही प्रभावशाली व्याख्यान दिया। इसमें उन्होंने बताया कि मानसिक स्वास्थ्य के लिए जरूरी है कि इस स्ट्रेस एंजाइटी व डिप्रेशन को काबू में रखें। मानसिक स्वास्थ्य के लिए अच्छा महसूस करें व नकारात्मक भावनाओं से प्रभावित न हों। स्ट्रेस मानव शरीर की बहुत सी जैव रसायनिक क्रियाओं को प्रभावित करता है, हार्मोनल असंतुलन पैदा करता है, जिससे कई तरह EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	Department of Biochemistry
2	Name of the Activity:	COVID Vaccination e-Awareness Programme for Students and Parents
3	Name of the Scheme:	Online Extension Activity
4	Date and Year of the Activity:	8/4/21
5	Number of Students Participated in the activity:	85
6	**Report of the Activity:** As most of the people in India were not aware of the benefits of having COVID vaccination and were afraid of vaccination. With the aim of making students and their parents aware of vaccination and convincing them for the same, the department of Biochemistry organized an online program. In this faculties of biochemistry interacted with students and parents and clear their doubts about COVID vaccination. Parents were convinced to have COVID vaccination for them and their entire family and also assured that they will spread this awareness in their neighborhood also. **Impact of the Activity:** The online program organized by the Department of Biochemistry had significant impacts on raising awareness and dispelling fears related to COVID vaccination: **Increased Awareness:** The program successfully educated students and parents about the benefits of COVID vaccination. Many people in India, especially in rural areas, might not have access to accurate information about vaccines. By interacting with faculty members, they gained valuable insights and reliable information. **Dispelling Misconceptions:** The session provided an opportunity to address misconceptions and doubts surrounding COVID vaccination. Faculty members could clarify any misunderstandings and provide evidence-based information, which helped in dispelling fears and hesitations. **Building Trust:** The interaction between faculty members and students' parents helped build trust in the vaccination process. Trust in the credibility of information sources is	

	essential for people to make informed decisions about their health. **Increased Acceptance:** By addressing doubts and concerns, the program increased acceptance of COVID vaccination among students and their parents. This could lead to a higher number of people getting vaccinated, contributing to the overall vaccination drive in India. **Ripple Effect**: The assurance given by parents to spread awareness in their neighborhoods created a positive ripple effect. It is likely that the knowledge gained from the program would be shared with others, further enhancing vaccination awareness and acceptance in the community. **Health Protection:** By convincing parents to get vaccinated for themselves and their entire family, the program contributed to the protection of their health. Wider vaccination coverage helps in curbing the spread of the virus and reducing the severity of COVID-19 cases. **Support for Vaccination Drive**: As more people become aware of the importance of vaccination and overcome their fears, they are likely to support and participate in vaccination drives actively. This can lead to an increase in vaccination rates in the region. **Contribution to Herd Immunity:** By encouraging families to get vaccinated, the program contributes to the achievement of herd immunity, which is essential for controlling the spread of COVID-19 in the population. **Reducing Vaccine Hesitancy:** The program's success in convincing people to get vaccinated can contribute to reducing vaccine hesitancy overall. As more individuals receive vaccines and share positive experiences, others may be motivated to follow suit. Overall, the online program organized by the Department of Biochemistry had a positive impact on vaccine awareness, acceptance, and vaccination rates among students and their parents. By providing accurate information and addressing concerns, the program played a crucial role in contributing to the fight against COVID-19 and promoting public health.

06	Report of the activity	Department of chemistry, Govt. Holkar Science College, Indore has organized an awareness programme. The main objective of the programme was to create awareness and perform survey of Covid-19 vaccination among the slum area people. And the activity was done in the slum area of bhanwarkua Indore. HOD, Dr. Anamika Jain guided the students of M.Sc. chemistry and the students went to slum area. Nearly 60 students participated in this activity. The students explained about safety measure and protocol. We came to know that more than 80% people were vaccinated. The entire program was accomplished by Dr.Sandeep Gohar, Dr. Pushpa Makwane, Prof. Vinita Khare and Dr. Namita Bende under the supervision of Dr.Anamika Jain, HOD, Chemistry department.

6	**Report of the Activity** (in 100 words): A Cloth Distribution Programme was conducted by the Forensic Science Club (Department of Forensic Science), Govt. Holkar Science College, Indore. The students of M.Sc. Previous 2022 and faculties went to "Gold Coin Seva Trust" NGO to help the needy people. They donated clothes, performed songs and spent some quality time with them. **Impact of the Activity**: The act of giving not only provided essential clothing items but also brought smiles to the faces of the underprivileged individuals. The students also showcased their talents by performing songs, bringing joy and entertainment to the recipients. The activity fostered a sense of compassion, empathy, and social responsibility among the participants, instilling in them the importance of giving back to society and creating a positive impact on the lives of others.

5.	**Report of the Activity:** Village Asrawad Khurd on the Nemawar Road in the year 2021 faced a very unusual event. It was reported in newspapers that mysteriously red-coloured water was coming out of their hand pumps and tube wells in the village. All the villagers were very concerned about the situation and they were considering that the havoc has been due to some divine wrath and they reported this matter to their village Panchayat. Dr. Narendra Joshi, Head of the Department of Geology was consulted by the newspapers regarding the issue. He, Dr. Vishnu Gadgil and his team from the Department of Geology took the initiative to investigate the matter by visiting and making their observations as per BIS-Specifications and forwarded their report to the Public Health Engineering Department for necessary action. According to the Geology Department, the probable causes of this may be due to pollution in the deeper earth, which may arise due to the dumping of some chemical wastes nearby or the release of wastes from the factories from the industrial belt located nearby. **Impact of the Activity:** The initiative taken by Dr. Narendra Joshi and his team from the Department of Geology had several important impacts: **Identification of the Issue:** The investigation by the Geology Department helped identify the cause of the unusual red-colored water coming out of hand pumps and tube wells in	

	the village. By pinpointing the probable causes of pollution in the deeper earth, the team shed light on potential sources of contamination. **Public Awareness:** The news reports and investigation raised awareness among the villagers about the potential hazards of the red-colored water. This information prompted the villagers to report the matter to their village Panchayat, seeking necessary action. **Preventive Measures:** By forwarding their report to the Public Health Department, the Geology Department paved the way for necessary action to address the issue. This proactive approach can help prevent further contamination and protect the health and well-being of the villagers. **Environmental Protection**: Identifying the potential sources of pollution, such as chemical waste dumping or industrial waste release, highlights the need for strict environmental regulations and responsible waste management practices. The report may lead to increased vigilance and monitoring in the industrial belt to prevent similar incidents in the future. **Scientific Expertise:** The involvement of the Geology Department and Dr. Narendra Joshi showcased the importance of scientific expertise in investigating and resolving environmental issues. Their intervention added credibility to the investigation and helped in arriving at a probable cause for the problem. **Collaboration with Authorities:** By involving the Public Health Engineering Department, the Geology Department fostered collaboration between scientific experts and relevant authorities responsible for public health and environmental protection. This teamwork can lead to more effective and timely solutions. **Mitigation and Remediation:** The investigation's findings can guide the authorities in formulating appropriate mitigation and remediation measures to address the contamination. This can include water treatment and measures to prevent further pollution. **Long-term Health Impact:** Identifying and addressing the pollution issue can have a positive impact on the long-term health of the villagers. Access to clean and safe drinking water is essential for preventing waterborne diseases and ensuring the overall well-being of the community. The initiative taken by the Geology Department helped in understanding the cause of the red-colored water issue in the village and paved the way for necessary actions to protect the health and environment of the community. It also emphasized the significance of scientific investigation and collaboration with relevant authorities to address environmental challenges effectively.

Detailed Report in Hindi is also enclosed:

इन्दौर से नेमावर रोड (एन एच. 47) पर स्थित ग्राम असरावद बुजुर्ग जो, इन्दौर से लगभग 27 कि. मी. की दूरी पर स्थित है, के कुछ घरों में बोर-वेल से निकल रहे लाल रंग के पानी की सूचना स्थानीय समाचार-पत्र एवं प्रेस के माध्यम से प्राप्त हुई।

होलकर विज्ञान महाविद्यालय, इन्दौर के भूविज्ञान विभाग के प्राध्यापकों द्वारा उक्त घटना पर स्वतः संज्ञान लिया गया। हमेशा की तरह इस बार भी समाज के प्रति जिम्मेदारी का निर्वहन करते हुए, भूविज्ञान विभाग के दो प्राध्यापक- डॉ. विष्णु गाडगिल तथा डॉ. नरेन्द्र जोशी दिनांक 24.02.2021 को ग्राम

असरावद बुजुर्ग के ग्राम पंचायत कार्यालय पँहुचे। ग्राम पंचायत कार्यालय से जानकारी प्राप्त कर स्थानीय ग्रामीणों से चर्चा कर कारण जानने का प्रयास किया। ग्रामीणों द्वारा बताया गया कि विगत लगभग 10-15 दिनों से कुछ रह वासियों के घरों में स्थित बोर-वेल से लाल रंग का पानी आ रहा है, इस कारण वे दहशत में हैं। प्राध्यापकों को ज्ञात हुआ कि लगभग सभी बोर-वेल में जल-स्तर अच्छा है, 300 से 350 फीट की गहराई पर भूमिगत जल उपलब्ध है। सभी बोर-वेल सतह से लगभग 20-30 फीट की गहराई तक, केसिंग-पाईप डाले गये हैं, इसके पश्चात मुरम तथा कठोर चट्टानें आ जाती हैं।

भूविज्ञान की द्वष्टि से पूरे क्षेत्र में सतह पर काली मिट्टी (Black cotton soil) है, इसके नीचे मुरम तथा गहराई पर लावा से बनी बेसाल्टिक चट्टानों (Basaltic rocks) के 6 से 7 लावा प्रवाह (Lava flows हैं। दो लावा प्रवाहों के मध्य अपक्षय क्षेत्र (weathered zone) तथा रेड-बोल (Red bole) की परते भी पायी जाती हैं। बेसाल्टिक चट्टानों में पायी जाने वाली गुहिकाओं (cavities), दरारों (fractures) अपक्षय क्षेत्रों (weathered zones) आदि में भूमिगत जल एकत्रित रहता है जो बोर-वेल के द्वारा प्राप्त किया जाता है।

प्राध्यापकों द्वारा स्थानीय ग्रामीणों - श्री देवी सिंह ठाकुर, श्री शंकर लोहानी, श्री सुनील सेन, श्री रामनिवास मीणा आदि से चर्चा की। रहवासियों द्वारा बताया गया कि अलग-अलग घरों के बोर-वेल से पूरे समय लाल रंग का पानी आता है। इस कारण पानी का उपयोग पीने मे नही कर पा रहे है। प्राध्यापकों ने भी देखा कि पानी का रंग हल्के लाल रंग का है, इसमें कोई गंध नहीं है (odourless), किसी प्रकार की गाद (silt) भी नीचे एकत्रित नहीं हो रही है। भूवैज्ञानिकों को इस बात की भी आशंका है कि संभवतः उक्त क्षेत्र में भूमिगत - जल के अति-दौहन के कारण, भूजल स्तर गहराई में चला गया हो, और गहराई पर, दो लावा-प्रवाहों के मध्य कोई मोटा रेड-बोल संस्तर (red bole bed) उपस्थित हो, जिस कारण कुछ बोर-वेल्स से हल्के लाल रंग का पानी आना प्रारंभ हो गया हो। red bole में आयरन ऑक्साइड होता है जिसके कारण से भूमिगत जल का रंग लाल का हो जाता है।

Image of Red bole bed between lava flows

प्राध्यापकों द्वारा ग्रामीणों में फैली दहशत के संबंध में सुझाव दिया कि इसका संबंध न तो आने वाले किसी भूकम्प से है, न ही यह कोई दैवीय प्रकोप है, अतः घबराऐं नहीं। उन्होंने ग्रामीणों को बताया कि यह कोई गंभीर मामला नहीं है। इसमें आयरन की मात्रा कुछ बढ़ गई है जो हानिकारक नहीं है। इस प्रकार ग्रामीणों में व्यापत दहशत (panic) को दूर किया। प्राध्यापक-द्वय द्वारा, समीप ही स्थित एक वेल्डिंग रॉड/इलेक्ट्रोड बनाने वालों कारखाने का भी भ्रमण कर प्रदूषण का कारण जानने का प्रयास किया गया लेकिन संबंधित उघोग से ऐसी कोई जानकारी प्राप्त नहीं हुई जिससे उक्त क्षेत्र का भूमिगत जल प्रभावित हो रहा हो।

भूवैज्ञानिकों को इस बात की भी आशंका है कि संभवतः उक्त क्षेत्र में भूमिगत - जल के अति-दौहन के कारण, भूजल स्तर गहराई में चला गया हो, और गहराई पर, दो लावा-प्रवाहों के मध्य कोई मोटा रेड-बोल संस्तर (red bole bed) उपस्थित हो, जिस कारण कुछ बोर-वेल्स से हल्के लाल रंग का पानी आना प्रारंभ हो गया हो। red bole में आयरन ऑक्साइड होता है जिसके कारण से भूमिगत जल का रंग लाल का हो जाता है। ये समस्या अभी है किन्तु शीघ्र ही सामान्य रंग का जल बोरवेल से प्राप्त होने लगेगा।

प्राध्यापकों द्वारा चार अलग-अगल नल-कूपों (बोर-वेल्स) से हल्के लाल रंग के पानी के नमूने भी एकत्रित किये। ग्राम पंचायत अध्यक्ष एवं जनपद पंचायत कार्यालय का भ्रमण कर संबंधित अधिकारियों से भी चर्चा की तथा एकत्रित किये गये पानी के नमूनों की जांच संबंधी आंकड़ो का भी अध्ययन किया। पानी के नमूनों की जांच से यह भी जानकारी मिलती है कि पानी के नमूनों में किसी भी विषैले तत्व की उपस्थिति नहीं है। दो नमूनों में पानी मटमैला अवश्य था लेकिन कोई हानिकारक तत्व नहीं हैं। प्राध्यापक आशान्वित है, कि यदि यह कोई प्राकृतिक घटना है तो चूंकि प्रकृति स्वंय भी मरम्मत का कार्य करती है अतः आने वाले कुछ दिनों में यह समस्या स्वतः ही समाप्त हो जायेगी। लेकिन यदि यह प्रदूषण जनित है तो इसे संबंधित प्रषासकीय अधिकारियों को गंभीरता से लेना होगा तथा प्रदूषण नियत्रंण के प्रभावी उपाय करने होगें। इस संबंध में ग्राम पंचायत कार्यालय को आश्वस्त किया की भविष्य में यदि समस्या आधिक गंभीर हो तब हमे सूचित करे हम पुनः जाँच करने आ सकेंगे।

1	Name of the Department / Unit / Agency:	09 MP BN NCC HSC INDORE
2	Name of the Activity:	**Off-Campus Tree Plantation @ "Go Green India"**
3	Date and Year of the Activity:	10.08.2021
4	Number of Students Participated in the activity:	30
5	**Report of the Activity:** A tree plantation drive was carried out by the students of Holkar science college to create awareness and spread the message of saving our planet- 'protecting our environment is the need of an hour.' Students brought different types of saplings and planted them outside the college campus. A little effort made by each of us can make a huge difference to the overall environment of Earth. The plantation activity was conducted under the guidance of the ANOs. **Impact of the Activity:** The Off-Campus Tree Plantation drive, "Go Green India," conducted by the students of Holkar Science College, has had a significant impact on the environment and the community: **Environmental Conservation:** By planting trees outside the college campus, the students have actively contributed to environmental conservation. Trees play a vital role in purifying the air, reducing pollution, and providing habitat for various wildlife species. **Raising Awareness:** The tree plantation drive has served as a platform to create awareness among students and the community about the importance of protecting the environment. It spreads the message that each individual's small effort can collectively contribute to a greener and healthier planet. **Encouraging Environmental Responsibility:** Participating in the tree plantation activity instills a sense of environmental responsibility among the students. They realize the significance of taking concrete actions to address environmental challenges. **Promoting Sustainability:** Planting trees fosters a culture of sustainability and conservation among the students. It encourages them to adopt eco-friendly practices in their daily lives and become responsible stewards of nature.	

	Beautifying the Surroundings: The newly planted trees enhance the aesthetic appeal of the college campus and its surroundings. They contribute to creating a more pleasant and green environment for students, faculty, and visitors. **Biodiversity Support:** Different types of saplings being planted also support biodiversity by providing food and shelter for various animal and bird species. This helps in maintaining ecological balance and preserving the natural ecosystem. **Long-Term Impact:** As the trees grow, they will continue to provide numerous benefits, including shade, oxygen production, and soil conservation. The impact of the tree plantation drive will extend far into the future. **Community Engagement:** The tree plantation activity brings together students and the community, fostering a sense of unity and collective responsibility towards environmental conservation. **Educational Experience:** Participating in the tree plantation drive offers students a hands-on educational experience about the importance of trees and their role in sustaining life on Earth. **Environmental Leadership:** The guidance provided by the ANOs during the tree plantation activity showcases the college's commitment to nurturing environmentally responsible leaders and promoting sustainable practices. The "Go Green India" tree plantation drive conducted by Holkar Science College students has left a positive impact on both the environment and the individuals involved. It sets an example of how simple acts, like planting trees, can contribute to the larger goal of protecting our planet and building a sustainable future.

6	**Report of the Activity**: In adherence to the declaration (C0537-Scheme) of Honorable CM, Govt. of M.P., an initiative was taken by Government Holkar Science College, Indore to **"promote a positive perspective towards women, along with the skills of the 21st century, and contribute to their empowerment"**. For this purpose, an online counseling session was organized for students. Principal, and Additional Director, Higher Education Department, Indore Division, Dr. Suresh T. Silawat emphasized that the implementation of a positive perspective towards women and their counseling should begin from home itself. Despite creating new rights and laws, we are not entirely successful in ensuring their safety. It is crucial to address the psychological issues that often develop in students' minds, leading to criminal tendencies. Counseling them on a psychological level will help develop a positive perspective toward students. Dr. Ashok Jain was the guest speaker and he shed light on various aspects of student counselling. He explained, why there is a growing trend of criminal tendencies among students of a young age. Psychological conflicts between parents gradually accumulate in children's minds and manifest as mental disorders. Sometimes, they even choose the wrong path for fulfilling their needs. Character, ethics, positive thinking, and all these elements shape a person's environment. Dr. Seemavati Sisodiya, in-charge of the C.0537 Scheme in the college, provided	

	information about the activities to be undertaken. Through this counseling lecture, an attempt was made to develop a positive perspective in students toward their peers. Such counseling sessions and workshops will be organized under this announcement. Dr. Seemavati Sisodiya was the coordinator of the program. Dr. Sandeep Kumar Gohar introduced the guest and Dr. Angurbala Bafna extended her gratitude. Technical expert Dr. Netaram Kaurav was also present. **Impact of the activity:** The online counseling session held as part of the C0537 Scheme had a positive impact on the students. The emphasis on promoting a positive perspective towards women and addressing psychological issues resonated with the attendees. Dr. Ashok Jain's insights shed light on the root causes of criminal tendencies among students and the importance of character development. The program helped create awareness and understanding among students, contributing to their personal growth and development. With the support and coordination of Dr. Seemavati Sisodiya, the activity was successful in conveying the message of empowerment and positive thinking. Further workshops and counseling sessions are expected to continue making a positive impact on the students' perspective and behavior.

3	Name of the Scheme:	National Service Scheme
4	Date and Year of the Activity:	25/09/2021
5	Number of Students Participated in the activity:	38 Volunteers & 02 Programme officers
6	**Report of the Activity:** An activity on Poshan Aahar Week was organized by both the NSS units of the college in the month of September 2021. The aim of the programme was to spread awareness in reducing malnutrition in the Country in a phased manner, through the life cycle concept, by adopting a synergized and result-oriented approach. The goals of **POSHAN ABHIYAAN** also involve achieving improvement in the nutritional status of Children from 0-6 years, Adolescent Girls, Pregnant Women, and Lactating Mothers. Keeping these goals in mind the NSS volunteers went to the different Anganwadi centers near their residential areas followed by counseling and spreading knowledge regarding the importance of Poshan Aahar especially among the malnourished children and girls. The volunteers also shared information like the requirement of nutritional content in the food. The entire programme was conducted by Programme Officer Dr. Seemavati Sisodiya & Dr. Sandeep Kumar Gohar under the guidance of Dr. Suresh T. Silawat, Principal of the college. **Impact of the Activity:** The activity on Poshan Aahar Week organized by both NSS units had a positive impact	

	on spreading awareness and addressing malnutrition: **Spreading Awareness:** The volunteers effectively spread awareness about the importance of nutrition and the Poshan Abhiyaan goals. By visiting Anganwadi centers and counseling the community, they reached a vulnerable group of children, pregnant women, and lactating mothers, which is essential for creating a healthy and informed society. **Targeted Approach:** The focus on malnourished children and girls highlighted the need for specific attention to those who require extra support in terms of nutrition. This targeted approach can contribute to a significant reduction in malnutrition rates in the community. **Empowerment through Information:** By sharing information about the nutritional content required in food, the volunteers empowered individuals to make better food choices and take charge of their health. **Building Synergy:** The collaborative effort between the NSS units and the Anganwadi centers showcased the synergy in addressing nutrition-related challenges. This approach fosters a more comprehensive and coordinated response to malnutrition. **Community Participation:** Involving the community in the Poshan Aahar Week activity encouraged ownership and participation in addressing malnutrition, which is crucial for the sustainability of nutrition-related interventions. **Aligning with National Goals:** The activity's alignment with the goals of Poshan Abhiyaan demonstrated the college's commitment to supporting national initiatives to improve the nutritional status of vulnerable groups. **Long-term Impact:** The awareness and knowledge shared during the Poshan Aahar Week can have a long-term impact on the nutritional practices of the community, leading to improved health outcomes over time. **Promoting Healthy Habits:** By educating children, pregnant women, and lactating mothers about proper nutrition, the activity promoted healthy eating habits that can contribute to overall well-being. The Poshan Aahar Week activity conducted by the NSS units significantly impacted raising awareness, empowering individuals with knowledge, and fostering community

	engagement in the fight against malnutrition. It contributed to building a healthier and nutritionally aware society.

6	**Report of the Activity:** Roko Toko Abhiyan, Mask Distribution and Social Distancing Awareness Campaign COVID-19 Awareness was organized. It was organized on 25-03-2021. In this activity, the volunteers of our NSS units went to Rajbada (a historical monument of the city) which is a densely populated and crowded part of the Indore city. In this campaign, a Roko Abhiyan was done and the volunteers went to the different parts of Rajbada urging people to use masks, observe social distancing & also distributed masks and sanitizer to the people. In this activity, ADM Shri Ajay Sharma, SDM Shri Saraswat Ji, and NSS Co-ordinator DAVV Dr. Prakash Garhwal were present and guided the procession of Volunteers in the different parts of Rajbada, Indore. The volunteers showed great enthusiasm under the supervision of program officers Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar and under the guidance of Dr. Suresh T. Silawat, Principal and Additional Director Indore Division. **Impact of the Activity:** The Roko Toko Abhiyan, Mask Distribution, and Social Distancing Awareness Campaign organized by the NSS units had a significant impact on COVID-19 awareness	

	in Indore: **Increased Compliance:** The campaign effectively urged people in Rajbada to use masks and observe social distancing, leading to increased compliance with COVID-19 safety measures in a densely populated and crowded area. **Mask Distribution:** The distribution of masks and sanitizers by the volunteers helped in ensuring that more people had access to essential protective equipment, enhancing the overall safety of the community. **Community Engagement:** The presence of government officials like ADM Shri Ajay Sharma and SDM Shri Saraswat Ji, along with the guidance of Dr. Prakash Garhwal, increased the credibility of the campaign and encouraged active participation from the community. **Spreading Awareness:** The enthusiastic participation of the volunteers effectively spread awareness about the importance of COVID-19 precautions, leading to an improved understanding of the pandemic's severity. **Preventive Measures:** The campaign reinforced the significance of preventive measures in controlling the spread of COVID-19, empowering people to take responsibility for their health and the well-being of others. **Safe Public Spaces:** By urging people in Rajbada to follow safety protocols, the campaign contributed to making public spaces safer and reducing the risk of COVID-19 transmission. **Leading by Example:** The NSS units' active involvement demonstrated the spirit of volunteerism and community service, inspiring others to join the cause and contribute to the fight against the pandemic. The Roko Toko Abhiyan as COVID-19 awareness campaign had a positive impact in promoting safety and preventive measures, fostering a sense of responsibility, and making a significant difference in the ongoing battle against COVID-19 in Indore.

6	**Report of the Activity :** Yuva Shakti Corona Mukti Abhiyan is an iniative taken by the honourable chief minister of Madhya Pradesh. It was started in the month of July 2021 in all the educational institutes including government school and college along with private sector institutes. The objective of this Abhiyan was to create awareness in the students and society for prevention of further spreading of the corona virus. The NSS unit of the college has registered approximately 6000 students and the awareness session has been organized for nearly 5500 students. These students are seen as knowledge spreaders to make more and more people aware about coronavirus and the preventive measures like social distancing, sanitization etc. The information of those students who attended the session has been regularly uploaded on the COVSANDESH App developed by the government of M.P. **Impact of the Activity:** The Yuva Shakti Corona Mukti Abhiyan has had a significant impact on creating awareness and preventing the further spread of the coronavirus in Madhya Pradesh. The initiative's impact can be observed in several ways: **Awareness among Students:** Through the awareness sessions organized for approximately 5500 students, the initiative has successfully educated a large number of	

	young individuals about the importance of COVID-19 prevention measures such as social distancing, wearing masks, and regular sanitization. **Knowledge Spreaders:** The 6000 registered NSS students are now acting as knowledge spreaders in their communities, schools, and colleges. They are actively sharing the information they learned during the sessions, reaching out to more people and helping to disseminate accurate information about COVID-19. **Community Engagement:** By involving educational institutes, including government schools and colleges, as well as private sector institutes, the initiative has created a comprehensive network of students and educators working together to raise awareness about COVID-19. **Utilization of Technology:** The regular uploading of information on the COVSANDESH App ensures that data is effectively collected and monitored, allowing for better tracking of the initiative's progress and impact. **Prevention of Spread:** The primary objective of the initiative, to prevent further spreading of the coronavirus, is being achieved through the dissemination of information and the active participation of students in promoting preventive measures. **Collaborative Effort:** The Abhiyan's implementation in all types of educational institutes, including government and private, indicates a collaborative effort between various stakeholders, fostering a sense of unity in combating the pandemic. **Empowerment of Youth:** The involvement of NSS students empowers the youth to take responsibility for their communities health and safety. It encourages young individuals to actively participate in social initiatives for the greater good. **Support to Government Efforts:** The Abhiyan aligns with the government's efforts to tackle the COVID-19 pandemic by engaging educational institutions and leveraging technology to spread awareness. The Yuva Shakti Corona Mukti Abhiyan has proven to be a commendable initiative that has effectively mobilized students to become ambassadors of COVID-19 prevention in Madhya Pradesh. By educating and empowering young minds, the initiative has

	contributed significantly to the collective effort to control the pandemic's spread and create a safer environment for the people of the state.

Report:- Yuva Shakti Corona Mukti Abhiyan is an iniative taken by the honourable chief minister of Madhya Pradesh Shri Shivraj singh ji Chouhan . It was started in the month of July 2021 in all the educational institutes including government schools, colleges along with private sector institutes. The objective of this Abhiyan was to create awareness in the students and society for prevention of further spreading of the corona virus. The NSS unit of the college registered approximately 6000 students and the awareness session was organized for nearly 5500 students. These students were seen as knowledge spreader to make more and more people aware about corona virus and the preventive measures like social distancing, sanitization etc. The information of those students who attended the session has been regularly uploaded on the COVSANDESH App developed by the government of M.P.

In addition to this corona awareness activities were also organized in the adopted village Morud. A presentation was shown to the villagers to make them aware about the corona virus and the preventive measures needed to be followed. The volunteers went door to door to educate the villagers and Mask distribution was also carried out by them.

Vaccination camp for COVID-19 was organized in the college campus for the staff members and other peoples living around the college campus. The volunteers also went to the vaccination centre of Municipal Corporation situated in the nearby place of vishnupuri colony and made the arrangement for COVID-19 Vaccination. During this period the volunteers who were staying at their home went to the nearby COVID-19 Vaccination Centre and worked there for the management of masses reaching for vaccination. some of the volunteers staying out of the state (Ranchi, Jharkhand) also offered their services to the nearby Vaccination centre.

During this activity the volunteers participated enthusiastically. The entire activity was done under the supervision of Programme officers Dr. Seemavati Sisodiya & Dr. Sandeep Kumar Gohar and under the guidance of Dr. Suresh T. Silawat, Principal & Additional director, Indore Division.

होलकर महाविद्यालय के विद्यार्थी बताएंगे किसानों को बेहतर कृषि करने के तरीके

र (नईदुनिया प्रतिनिधि)। नकर कालेज के विद्यार्थी अब अपने य की पढ़ाई करने के साथ किसानों भी मदद करेंगे। संस्थान ने इसके लिए ठी कोशिश की है। कालेज में सीड ब बनाया गया है, इसमें बीएससी एमएससी के 230 विद्यार्थियों जोड़ा गया है। इसका मकसद गांव नाकर किसानों को खेती करने के तर तरीके बताना है। बीज तकनीकी ाग में विद्यार्थियों को जैविक खेती, वरण, जल संरक्षण और किसानों के से जुड़ी समस्याओं तथा समाधान के में विस्तार से जानकारी दी जाती है। -सी फसल किस तरह की जमीन के बेहतर है और मौसम का कृषि पर फर्क पड़ता है। इसकी भी जानकारी ज के विद्यार्थियों को रहती हैं।

सीड क्लब के संयोजक प्रो. धर्मेन्द्र का कहना है कि बीज तकनीकी ाग में विभिन्न जिलों के विद्यार्थी शिक्षा आते हैं। इन विद्यार्थियों में अधिकांश ण क्षेत्रों से हैं। अगर विद्यार्थी जीवन ी इन्हें जागरूक करेंगे तो भविष्य में ने-अपने गांव में जैविक कृषि दूत तरह जैविक खेती की उपयोगिता का र करने में मदद मिलेगी। जल संरक्षण

अच्छी पहल

- कालेज का बीज तकनीकी विभाग कर रहा विशेष प्रयास
- जैविक खेती, पर्यावरण, जल संरक्षण के लिए कर रहा है जागरूक

और पर्यावरण संरक्षण में भी विद्यार्थियों की भागीदारी महत्वपूर्ण हो सकती है। इसके लिए व्यवस्थित काम हो सके, इसके लिए क्लब की स्थापना की गई है। विद्यार्थियों को गांवों में भेजा जाएगा और वहां वे किसानों को बेहतर खेती से संबंधित सभी जानकारी देंगे।

तकनीकी विभाग के विभागाध्यक्ष डा. संजीदा इकबाल का कहना है कि

क्लब के उद्देश्य

- गांव में जाकर किसानों को सम्मानित किया जाएगा
- नुक्कड़ नाटक से ग्रामीणों को कृषि करते समय ध्यान रखने वाली बातें बताई जाएंगी।
- क्लब के विद्यार्थी शहर का यातायात सुधारने में योगदान देंगे।
- किसानों को बीज और तकनीकी के बारे में निशुल्क जानकारी दी जाएगी।

क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में विस्तार से जानकारी दी गई हैं। इससे संबंधित सभी सवालों का जवाब विद्यार्थी देने में सक्षम है। संस्थान ने क्लब की पूरी भागीदारी विद्यार्थियों को दे दी हैं, इसमें विद्यार्थी राहुल परिहार को क्लब का अध्यक्ष बनाया गया है। नेहा सिंगोरे को उपाध्यक्ष, सचिव के लिए विद्यार्थी मधु का चुनाव किया गया है और सहसचिव नेहा तिवारी को बनाया गया है। कालेज के प्राचार्य डा. सुरेश सिलावट ने बताया कि कृषि क्षेत्र में युवाओं की भागीदारी बढ़ाने के लिए इस तरह के प्रयास कारगर साबित होंगे।

4	Date and Year of the Activity:	27.03.2022
5	**Report of the Activity :** The seed club was established under seed technology department of Holkar science college for the welfare of environment and climate protection. The students assumed the role of "Organic Farming Ambassadors". The various activity conduct under the seed club like distribution of Earthen water pots (Mitti ke Sakore) in Bhaurkuwa square near college campus to save the birds from heat. **Impact of the Activity:** The establishment of the Seed Club under the Seed Technology Department of Holkar Science College has made a positive impact on environmental welfare and climate protection. One of the notable activities conducted by the club includes the distribution of earthen water pots (Mitti ke Sakore) near the college campus at Bhaurkuwa square, aimed at providing relief to birds during hot weather conditions. This initiative showcases a commitment to animal welfare and conservation, promoting a sense of empathy and responsibility towards the environment. By providing water sources for birds, the club actively contributes to preserving biodiversity and mitigating the effects of climate change. The Seed Club's efforts serve as a powerful reminder of the importance of collective action and individual responsibility in safeguarding our natural surroundings.

होलकर महाविद्यालय के विद्यार्थी बताएंगे किसानों को बेहतर कृषि करने के तरीके

इंदौर (नईदुनिया प्रतिनिधि)। होलकर कालेज के विद्यार्थी अब अपने विषय की पढ़ाई करने के साथ किसानों की भी मदद करेंगे। संस्थान ने इसके लिए अनूठी कोशिश की है। कालेज में सीड क्लब बनाया गया है, इसमें बीएससी और एमएससी के 230 विद्यार्थियों को जोड़ा गया है। इसका मकसद गांव में जाकर किसानों को खेती करने के बेहतर तरीके बताना है। बीज तकनीकी विभाग में विद्यार्थियों को जैविक खेती, पर्यावरण, जल संरक्षण और किसानों के हित से जुड़ी समस्याओं तथा समाधान के बारे में विस्तार से जानकारी दी जाती है। कौन-सी फसल किस तरह की जमीन के लिए बेहतर है और मौसम का कृषि पर क्या फर्क पड़ता है। इसकी भी जानकारी कालेज के विद्यार्थियों को रहती हैं।

सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट का कहना है कि बीज तकनीकी विभाग में विभिन्न जिलों के विद्यार्थी शिक्षा लेने आते हैं। इन विद्यार्थियों में अधिकांश ग्रामीण क्षेत्रों से हैं। अगर विद्यार्थी जीवन से ही इन्हें जागरूक करेंगे तो भविष्य में अपने-अपने गांव में जैविक कृषि दूत की तरह जैविक खेती की उपयोगिता का प्रसार करने में मदद मिलेगी। जल संरक्षण और पर्यावरण संरक्षण में भी विद्यार्थियों की भागीदारी महत्वपूर्ण हो सकती है। इसके लिए व्यवस्थित काम हो सके, इसके लिए क्लब की स्थापना की गई है। विद्यार्थियों को गांवों में भेजा जाएगा और वहां वे किसानों को बेहतर खेती से संबंधित सभी जानकारी देंगे।

तकनीकी विभाग के विभागाध्यक्ष डा. संजीदा इकबाल का कहना है कि क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में विस्तार से जानकारी दी गई हैं। इससे संबंधित सभी सवालों का जवाब विद्यार्थी देने में सक्षम है। संस्थान ने क्लब की पूरी भागीदारी विद्यार्थियों को दे दी हैं, इसमें विद्यार्थी राहुल परिहार को क्लब का अध्यक्ष बनाया गया है। नेहा सिंगोरे को उपाध्यक्ष, सचिव के लिए विद्यार्थी मधु का चुनाव किया गया है और सहसचिव नेहा तिवारी को बनाया गया है। कालेज के प्राचार्य डा. सुरेश सिलावट ने बताया कि कृषि क्षेत्र में युवाओं की भागीदारी बढ़ाने के लिए इस तरह के प्रयास कारगर साबित होंगे।

अच्छी पहल

- कालेज का बीज तकनीकी विभाग कर रहा विशेष प्रयास
- जैविक खेती, पर्यावरण, जल संरक्षण के लिए कर रहा है जागरूक

क्लब के उद्देश्य

- गांव में जाकर किसानों को सम्मानित किया जाएगा
- नुक्कड़ नाटक से ग्रामीणों को कृषि करते समय ध्यान रखने वाली बातें बताई जाएंगी।
- क्लब के विद्यार्थी शहर का यातायात सुधारने में योगदान देंगे।
- किसानों को बीज और तकनीकी के बारे में निशुल्क जानकारी दी जाएगी।

होलकर साइंस कॉलेज के सीड टेक्नोलॉजी डिपार्टमेंट की पहल

विद्यार्थियों को बनाया जैविक कृषि दूत जल-वन्यजीव संरक्षण में करेंगे भागीदारी

दबंग रिपोर्टर • रफी मोहम्मद शेख, 9826387809

जैविक खेती को बढ़ाना देने के साथ ही पर्यावरण व जल संरक्षण और किसान हित में विद्यार्थियों की सहभागिता बढ़ाने के लिए अब कॉलेज के विद्यार्थियों को प्रेरित किया जा रहा है। इस कड़ी में होलकर साईंस कॉलेज के सीड टेक्नोलॉजी डिपार्टमेंट द्वारा सबसे पहले पहल की गई है। उनकी जिम्मेदारी तय करने के उद्देश्य से में कॉलेज में सीड क्लब का गठन किया गया है। इस क्लब में डिपार्टमेंट के बीएससी एवं एमएससी के 230 से अधिक विद्यार्थियों को सदस्यता दी गई है।

प्रिंसिपल डॉ. सुरेश सिलावट के अनुसार भविष्य को देखते हुए, जैविक खेती एवं पर्यावरण संरक्षण हेतु विद्यार्थियों की भागीदारी तय करना जरूरी है। जैविक खेती को बढ़ावा मिलेगा तो उसका लाभ किसानों व शहर के हर परिवार को होगा। साथ ही जल संरक्षण एवं पर्यावरण हित हेतु विद्यार्थियों को प्रेरित करना भी बहुत जरूरी है।

अधिकांश विद्यार्थी किसान परिवार से

सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट ने बताया कि सीड टेक्नोलॉजी डिपार्टमेंट में अधिकतर विद्यार्थी ग्रामीण क्षेत्रों व किसान परिवार से आते हैं। साथ ही प्रदेश के लगभग सभी जिलों के विद्यार्थी है। भविष्य की खेती का जरोमदार प्रत्यक्ष या अप्रत्यक्ष रूप से इन्ही विद्यार्थियों पर रहेगा। असर हम इन विद्यार्थियों को अपने विद्यार्थी जीवन से ही जागरूक करेंगे तो ये भविष्य में अपने-अपने गांव में जैविक कृषि दूत की तरह जैविक खेती की उपयोगिता का प्रसार करने में योगदान देंगे तो यह कदम मील का पत्थर साबित हो सकता है। जल संरक्षण व पर्यावरण संरक्षण में विद्यार्थी की भागीदारी आवश्यक है, इसलिए इन विद्यार्थियों का क्लब बनाया गया है। इसमें एमएससी प्रथम सेमेस्टर के विद्यार्थियों को वरीयता अनुसार अध्यक्ष राहुल परिहार, उपाध्यक्ष नेहा सिंगौरे, सचिव मधु व सहसचिव नेहाखरी तिवारी को चुना गया है।

हर साल नए विद्यार्थी जुड़ेंगे

डिपार्टमेंट की एचओडी डॉ. संजीदा इकबाल ने बताया कि क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में सीड टेक्नोलॉजी विभाग के प्रो. धर्मेन्द्र जाट, इंदर पाटीदार व गोविंद पटेल द्वारा विस्तार से समझाया जाएगा, जिससे विद्यार्थी सही जानकारी का प्रसार कर सकें। क्लब से जुड़े विद्यार्थियों की डिग्री पूर्ण होने पर क्लब गतिविधियों में भागीदारी का प्रमाण-पत्र भी डिपार्टमेंट द्वारा प्रदान किया जाएगा। साथ ही नए आने वाले विद्यार्थियों को हर वर्ष इस क्लब से जुड़कर जैविक खेती को बढ़ावा देने एवं पर्यावरण संरक्षण के साथ-साथ अन्य जनहितैषी कार्यों में अपना योगदान देने के लिए प्रेरित किया जाएगा।

विभिन्न जागरूकता कार्यक्रमों में भागीदारी

इस क्लब के सदस्य डिपार्टमेंट के विद्यार्थी जैविक कृषि के प्रसार हेतु जैविक कृषि दूत की तरह कार्य करेंगे। पर्यावरण संरक्षण (पौधारोपण, वन्यजीव संरक्षण आदि) हेतु विद्यार्थियों एवं आमजन को जागरूक करेंगे और क्लब के सदस्य सत्र में एक दिन शहर की ट्रैफिक व्यवस्था में अपना योगदान देंगे। किसान दिवस के अवसर पर किसी एक गांव जाकर किसानों को सम्मानित कर किसान दिवस मनाएंगे तो नुक्कड़ नाटक के माध्यम से जनहित के लिए महत्वपूर्ण विषय पर नाटक कर विद्यार्थियों एवं आमजन को जागरूक करेंगे। सत्र में एक बार बुद्धाश्रम जाने के साथ किसानों को गुणवत्तापूर्ण बीज की जानकारी प्रदान करेंगे। जल संरक्षण के प्रति जागरूकता के लिए अभियान चलाकर आमजन को जागरूक करने का काम भी क्लब के विद्यार्थी करेंगे।

विद्यार्थी बनेंगे जैविक कृषि दूत एवं वन्यजीव संरक्षण में देंगे अपनी भागीदारी

इंदौर। होलकर विज्ञान महाविद्यालय के सीड टेक्नोलॉजी विभाग द्वारा विद्यार्थियों को अपने विद्यार्थी जीवन मे जैविक खेती को बढ़ावे देने ,पर्यावरण , जल संरक्षण एवं किसान हित मे कार्य करने हेतु प्रेरित कर उनकी जिम्मेदारी तय करने के उद्देश्य से में सीड क्लब का गठन किया गया है इस क्लब में विभाग के बीएससी एवं एमएससी के 230 से अधिक विद्यार्थियों ने सदस्यता ली है।

महाविद्यालय के प्रचार्य डॉ सुरेश टी सिलावट के अनुसार भविष्य को देखते हुए जैविक खेती एवं पर्यावरण संरक्षण हेतु विद्यार्थियों की भागीदारी तय करना बेहद जरूरी है,क्योंकि जैविक खेती को बढ़ावा मिलेगा तो उसका लाभ किसानों के साथ साथ शहर के हर परिवार को होगा,साथ ही जल संरक्षण एवं पर्यावरण हित हेतु विद्यार्थियों को प्रेरित करना भी बहुत जरूरी है।

Holkar Science College Indore visited the valuable place of the community i.e. MISSINARIES OF CHARITY ST. MOTHER TERESSA'S "Jyoti Niwas" situated at 13, AB Road Navlakha Indore. It was established in 1981. Convener Dr. Rekha Killedar along with HOD Dr. Anamika Jain and Dr. Pushpa Makwane and Dr.Sandeep Gohar assemble in bhagwat lab of our department at 9.00 am. The main aim of this visit is to explore out the physical set up of the "Jyoti Niwas", to find out the organizational structure of Old Age Home, to know the how service and facilities provided to them. To make them feel special, happy and bring smile on their face. We reach their along with all the team members full with excitement and curiosity. Firstly, we gathered in the meeting hall Jyoti Niwas where the sister Agaeda Mary gave introduction about the organization and facilities rendered by them. We interacted with the old people. It was a pleasure witnessing of such wonderful work i.e., unconditional services. The students performed spiritual prayers and distributed breakfast to the elders. When we reached there, they were over helmed and could see the happiness in their eyes, but still we can feel their pain of not being able to live with their clear ones. But stillit looked like a big joint family. This event contributed to welfare promotion. After geeting an enormous and profuse response our college has decided to carry out this campaign

		for the next consecutive monthswith great eagerness, passion and zeal. This program was funded by Chemistry Department. Dr. Rekha Killedar - Convenor of Social Activity Dr. Pushpa Makwane -Member Dr. Sandeep Gohar – Member

"Glassy Affair Extension Activity" - 2022-23

S.No.	*Components*	*Details of Event*
1	Name of the Dept.	Department of Chemistry
2	Name of activity	"Glassy Affair"- Showcasing the Journey of Old and Modern Glass articles to School & College Community – An extension activity
3	Name of Scheme	"International Year of Glass, 2022"
4	Date and Year of Activity	25th to 28th August 2022
5	Number of students participated in activity	503
6	**Report of the activity** **Impact of the Activity**	The Glassy Affair was organized from 25th to 28th August 2022 by the Department of Chemistry. Dr. Suresh T. Silawat (Principal of Holkar Science College, Indore, and Director of Higher Education Indore Division) was the chief patron of this event. Dr. Pramod Kumar Jain, in her capacity as the convener introduced the event. At this event, different types of glassware and equipment were displayed. Various Glass wares have been used in micro and macro analysis since old times were showcased in the event. We are celebrating the International Year of the Glass, 2022 regarding information about Glass wares and Instruments in the exhibition we demonstrated various types of glass wares and instruments and explained their journey from past to present. In this event, students from different schools and colleges visited the Glass exhibition. The "Glassy Affair" extension activity, showcasing old and modern glass articles to the school and college community, had a significant impact. By displaying different types of glassware and equipment used in micro and macro analysis throughout history, the event provided valuable insights into the evolution of glassware and its applications. Celebrating the International Year of the Glass, 2022, the exhibition highlighted the importance of glass in scientific research and everyday life. The event attracted students from various schools and colleges, promoting interest in science and technology. The interactive demonstration and explanations deepened participants' understanding of glassware, fostering a culture of scientific exploration and appreciation for the contributions of glass in advancing human knowledge and technology.

About International Year of Glass, 2022
Glass wares have been used in micro and macro analysis since old times. The cost of chemicals and glass wares has increased tremendously and keeping in view the micro glassware and micro analysis has become the necessity of the present time.
We are Celebrating International Year of Glass, 2022 regarding information about glass wares and instruments. In the exhibition we will be demonstrative various types of glass wares & instruments and explaining their journey from past to present.
In association with our MOU partners

विषय–रसायनशास्त्र विभाग द्वारा आयोजित एक दिवसीय प्रदर्शनी आयोजित करने की अनुमति बाबद्।

महोदय,

उपरोक्त विषयांतर्गत निवेदन है कि रसायनशास्त्र विभाग द्वारा दिनांक 25.08.2022 को भागवत प्रयोगशाला में एक दिवसीय 'कॉच के उपकरणों' की प्रदर्शनी का आयोजन International Year of Glass, 2022 के अंतर्गत "The Glass Affairs" विषय पर किया जाना है।

इस हेतु अनुमति प्रदान करने का कष्ट करें।

सधन्यवाद्।

6	Report of the Activity: Department of Microbiology & Botany, Govt. Holkar Science College, Indore in collaboration with Kamla Nehru Zoo, Indore organized one day extension workshop On “Conservation & Management of Wild Life”. The program’s Convenor Dr. Sanjay Vyas conducted the program. Dr. Uttam Yadav, Director, Zoo were the key note speaker who gave a lecture on Zoo Management of Wild Life. The second speaker Dr. Shivani Bante, Veterinary officer from Mhow explained about the animal diseases, endoparasitic diseases and importance of botanical medicinal plants. After the guest lectures, Prof. Anuja Sharma, form Microbiology Department discussed Microbiological view of Zoo along with research prospects for microbiology students, followed by lecture of Prof. Purva Shrivas, from Botany Department who discussed veterinary medicines in the use for treating animal diseases. Lastly Dr. Smita Dubey, Co-Convenor delivered the vote of thanks. Impact of the Activity: The one-day extension workshop on "Conservation & Management of Wild Life" organized by the Department of Microbiology & Botany in collaboration with Kamla Nehru Zoo, Indore had a significant impact. Keynote speaker Dr. Uttam Yadav highlighted the importance of Zoo Management for wildlife conservation. Dr. Shivani Bante's lecture on animal diseases and botanical medicinal plants emphasized the significance of veterinary care. Prof. Anuja Sharma discussed the Microbiological view of the Zoo, inspiring research prospects for microbiology students. Prof. Purva Shrivas' insights on veterinary medicines expanded knowledge on treating animal diseases. The workshop fostered interdisciplinary learning and research collaboration, encouraging students to explore career opportunities in wildlife conservation and veterinary sciences. Overall, the activity contributed to promoting awareness and understanding of wildlife conservation and its relevance for sustainable ecosystems.

6	**Report of the Activity** : Department of Microbiology, Govt. Holkar Science College, Indore, M.P. has organized one day workshop (Extension activity) under school literacy mission on the topic "Scope & Opportunities in Microbiology". In this workshop students & faculty Mr. Ratnesh Choudhary and Mrs. Preeti Bist from Malhar Progressive Public School was invited. The program began with the welcome of invites by our Principal Dr. Suresh T. Silawat, our HOD Dr. Sanjay Vyas gave the introductory speech, after which Co convenor Dr. Deepti Khare delivered a lecture about the same topic followed by the practical demonstration of Microbiological & hematological experiment. In last a lab visit and introduction of our various instruments in our lab was given by the faculty members Prof. Anuja Sharma, Dr. Radhika Waghmare, Dr. Neha Sharma & Prof. Nidhi Kibe. The program ended with vote of thanks by Dr. Neha Sharma. **Impact of the Activity:** The one-day workshop on "Scope & Opportunities in Microbiology" organized by the Department of Microbiology, Govt. Holkar Science College, Indore, had a positive impact on school students. The workshop provided students and faculty from Malhar Progressive Public School with valuable insights into the field of microbiology. The lectures by experts and practical demonstrations of microbiological and hematological experiments enhanced participants' understanding and interest in the subject. The lab visit and introduction to various instruments enriched their knowledge of laboratory techniques. The event fostered academic exchange, promoting a culture of scientific learning and research collaboration. The workshop played a pivotal role in inspiring students to explore potential career opportunities in microbiology and other related fields, contributing to the advancement of scientific education and research.

6	**Report of the Activity** (in 100 words): Prof. Dharmendra Jat and Five students of Department of Seed Technology, Govt. Holkar Science College, Indore participated in the "Pre Monsoon Bird Survey" at 'Ratapani Wildlife Sanctuary' from 10th to 12th June 2022 organised by MP Forest Department. **Impact of the Activity**: The participation of Prof. Dharmendra Jat and five students from the Department of Seed Technology, Govt. Holkar Science College, Indore, in the "Pre Monsoon Bird Survey" at Ratapani Wildlife Sanctuary, organized by the MP Forest Department, had a significant impact. The survey provided a unique opportunity to study and document bird species in their natural habitat. The experience enriched the students' knowledge of avian biodiversity, ecological interactions, and conservation challenges. It also fostered a deeper appreciation for wildlife and nature conservation. By collaborating with the Forest Department, the students gained valuable field experience and practical insights into wildlife research and management. The survey contributed to the understanding and preservation of avian diversity in Ratapani Wildlife Sanctuary, while also inspiring the participants to become advocates for environmental protection and sustainable biodiversity management.

6	**Report of the Activity:** Gram darshan an activity conduct by the department of seed technology, with 30 students participated in it. Holkar science college students visit the Village and learn the the way of life, culture, rituals, agricultural Practices and difference things by visiting the village. **Impact of the Activity:** The Gram Darshan activity organized by the Department of Seed Technology, with the participation of 30 students from Holkar Science College, had a significant impact. The visit to the village allowed the students to immerse themselves in the way of life, culture, rituals, and agricultural practices of the rural community. This firsthand experience provided valuable insights and practical knowledge that textbooks alone cannot offer. The activity fostered a deep appreciation for rural life, enhanced understanding of agricultural practices, and promoted cultural exchange. It also instilled empathy and a broader perspective among the students, enabling them to connect with and understand the challenges and aspirations of rural communities. Overall, the Gram Darshan activity enriched the students' learning experience and contributed to their holistic development.

ग्राम दर्शन के लिए दलौता पहुंचे होलकर कॉलेज के विद्यार्थी

इंदौर » दबंग रिपोर्टर

होलकर साइंस कॉलेज के सीड टेक्नोलॉजी विभाग के एमएससी पाठ्यक्रम के विद्यार्थी एवं विभाग के प्रोफेसर ग्राम दर्शन के लिए ग्राम दतोदा पहुंचे। यहां विद्यार्थियों व प्रोफेसर्स ने गांव के किसानों के अनुभव जाने एवं उनको अच्छे बीज के महत्व व कृषि की उन्नत तकनीकी की जानकारी दी। साथ ही विभाग के प्रो. धर्मेन्द्र जाट ने विद्यार्थियों को विषय के व्यवहारिक ज्ञान देने के उद्देश्य से विद्यार्थियों को खेत में ले जाकर फसल निरीक्षण के तरीके को समझाया। प्रिंसिपल डॉ. सुरेश सिलावट ने बताया कि कृषि क्षेत्र के विषय से जुड़े विद्यार्थियों को लैब के ज्ञान के अलावा फील्ड का ज्ञान होना बेहद जरूरी है जिससे कि वे हमारे किसान भाइयों को अच्छी जानकारी दे सकें एवं अपनी विषय क्षेत्र में आगे बढ़ सके। विभाग के विभागाध्यक्ष डॉ. संजय व्यास ने बताया कि विद्यार्थियों के सर्वांगीण विकास के लिए इस तरह के कदम बेहद जरूरी है। विद्यार्थियों को इसका लाभ भविष्य में मिलेगा। विभाग की प्रभारी विभागाध्यक्ष डॉ. कमला शिवानी ने विद्यार्थियों की सराहना की।
