EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	NSS (UNIT 1 & 2)
2	Name of the Activity:	Cleanliness Drive (Swacchta Abhiyaan) at Historic Monuments of Indore
3	Name of the Scheme:	National Service Scheme
4	Date and Year of the Activity:	02/10/2017
5	Number of Students Participated in the activity:	22 Volunteers & 02 Programme Officers
6	<p>Report of the Activity:</p> <p>Mahatma Gandhi dreamt of an India which should not only be free but also clean and developed. In line of this thinking Swachhta abhiyan was successfully done by both NSS Units. The countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. This was the message which was conveyed by our volunteers in the society by observing cleanliness drive in adopted village, adjoining slum areas, Rajbara Chhatri the Historical monument of Indore city & also in the college campus. NSS Programme Officers Dr. Seemavati Sisodiya & Dr. Sandeep Kumar Gohar coordinated with the Volunteers for successful completion of this Activity. This activity was done under the Guidance of Dr. Arun Kher sir, Principal of the college.</p> <p>Impact of the Activity:</p> <p>The Cleanliness Drive (Swachhta Abhiyan) at Historic Monuments of Indore, organized by both NSS Units, had a significant impact on the society and the college community. The activity aligned with Mahatma Gandhi's vision of a clean and developed India. Volunteers conveyed the message of cleanliness and responsible waste disposal to the society, emphasizing that clean countries are a result of citizens' conscious efforts to avoid littering.</p> <p>The drive covered various areas, including the adopted village, adjoining slum areas, Rajbara Chhatri (a historical monument in Indore), and the college campus. This</p>	

	<p>widespread approach contributed to a cleaner and more hygienic environment in these locations. NSS Programme Officers Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar's coordination ensured the successful execution of the activity.</p> <p>Under the guidance of Dr. Arun Kher, the Principal of the college, the cleanliness drive demonstrated the college's commitment to promoting cleanliness and environmental consciousness. Overall, the impact of the activity was evident in creating awareness about cleanliness, encouraging responsible behavior, and fostering a sense of civic duty among volunteers and the local community.</p>

EXTENSION AND OUTREACH PROGRAM

S. No.	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	Department of Botany
2	Name of the Activity:	Awareness Programme under National AIDS Control Program at Lasudiya Mori
3	Name of the Scheme:	Outreach Activity
4	Date and Year of the Activity:	18/08/2019
5	Number of Students Participated in the activity:	53
6	<p>Report of the Activity : Human immunodeficiency virus (HIV) is the virus that causes AIDS when a person becomes infected with HIV, the virus attacks and weakens the immune system. The awareness for prevention and control of AIDS is necessary for all people. The students of Botany department gathered at Lasudiya mori village to generate awareness in village people. One poster presentation competition among students also organised to show the figures related to AIDS and HIV. The response of people of this rural area was good and all they participated in this awareness program organised by the department.</p> <p>Impact of the Activity: The awareness programme on AIDS conducted in a village had a profound impact on the community. Through various sessions, the programme effectively disseminated knowledge about HIV/AIDS prevention, transmission, and treatment. The programme also aimed to reduce stigma and discrimination associated with the disease. As a result, the villagers gained a better understanding of, the importance of regular testing, and the significance of supporting people living with HIV/AIDS. The awareness programme helped empower the community with vital information, promoting healthier behaviors,</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details
1	Name of the Department / Unit / Agency:	Microbiology
2	Name of the Activity:	Assessment of Air Quality of Indore City.
3	Name of the Scheme:	Outreach Research Study under Swachh Bharat Abhiyan
4	Date and Year of the Activity:	05.12.2017 to 16.02.2018
5	Number of Students Participated in the activity:	15 Students
6	<p>Report of the Activity (in 100 words):</p> <p>Department of Microbiology, Govt. Holkar Science College, Indore conducted research study on the assessment of air quality of outdoor locations of Indore city, in which temples, crowded areas, bus stand, Airport, collectorate office, and Rajwada has been covered. The study of aeromycoflora of a particular region provides the clear view about the interaction of fungal spores in the form of disease on plants as well as occurrence of allergy in human being. Present study was carried out in the months of December 2017- February 2018.</p> <p>Present study shows that the information about concentration and diversity of air borne fungi gives idea to allergologists in the treatment of allergic diseases. Except for <i>Aspergillus</i> sp. and <i>Alternaria</i> sp. all other fungi found in the lowest concentration which may be due to the positive impact of Swachh Bharat Abhiyaan in Indore. Care for the environment is essential because healthy environment is the basic need of all type of living organism such as human beings, plants and Air is the most important factor for survival so continuous sampling and analysis is required to provide information about allergic components of air which will help in restricting them from arising right at the source and minimize their impact on health.</p> <p>Impact of the Outreach activity:</p> <p>The outreach research study on the assessment of air quality in Indore city, conducted by the Department of Microbiology, Govt. Holkar Science College, had a profound impact on the students involved. Through this study, students gained valuable experience in field research, data collection, and analysis of aeromycoflora. They learned about the interaction of fungal spores, their impact on plants, and the occurrence of allergies in humans. This hands-on experience not only enriched their scientific knowledge but also heightened their awareness of environmental and public health issues. The study under Swachh Bharat Abhiyan inspired students to actively contribute to the improvement of air quality, fostering a sense of responsibility towards a cleaner and healthier environment.</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details
1	Name of the Department / Unit / Agency:	Microbiology in collaboration with Kamla Nehru Zoo, Indore
2	Name of the Activity:	One Day Workshop On “Conservation & Management of Wild Life”.
3	Name of the Scheme:	Extension Workshop
4	Date and Year of the Activity:	26 September, 2022
5	Number of Students Participated in the activity:	130 Students & 20 Faculties
6	<p>Report of the Activity:</p> <p>Department of Microbiology & Botany, Govt. Holkar Science College, Indore in collaboration with Kamla Nehru Zoo, Indore organized one day extension workshop On “Conservation & Management of Wild Life”. The program’s Convenor Dr. Sanjay Vyas conducted the program. Dr. Uttam Yadav, Director, Zoo were the key note speaker who gave a lecture on Zoo Management of Wild Life.</p> <p>The second speaker Dr. Shivani Bante, Veterinary officer from Mhow explained about the animal diseases, endoparasitic diseases and importance of botanical medicinal plants.</p> <p>After the guest lectures, Prof. Anuja Sharma, form Microbiology Department discussed Microbiological view of Zoo along with research prospects for microbiology students, followed by lecture of Prof. Purva Shrivastava, from Botany Department who discussed veterinary medicines in the use for treating animal diseases. Lastly Dr. Smita Dubey, Co-Convenor delivered the vote of thanks.</p> <p>Impact of the Activity:</p> <p>The one-day extension workshop on "Conservation & Management of Wild Life" organized by the Department of Microbiology & Botany in collaboration with Kamla Nehru Zoo, Indore had a significant impact. Keynote speaker Dr. Uttam Yadav highlighted the importance of Zoo Management for wildlife conservation. Dr. Shivani Bante's lecture on animal diseases and botanical medicinal plants emphasized the significance of veterinary care. Prof. Anuja Sharma discussed the Microbiological view of the Zoo, inspiring research prospects for microbiology students. Prof. Purva Shrivastava's insights on veterinary medicines expanded knowledge on treating animal diseases. The workshop fostered interdisciplinary learning and research collaboration, encouraging students to explore career opportunities in wildlife conservation and veterinary sciences. Overall, the activity contributed to promoting awareness and understanding of wildlife conservation and its relevance for sustainable ecosystems.</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	09 MP BN NCC HSC INDORE
2	Name of the Activity:	Cleanliness drive at historic Monuments: “ My Clean India”
3	Date and Year of the Activity:	02.11.2018
4	Number of Students Participated in the activity:	29
5	<p>Report of the Activity:</p> <p>My Clean India’ has now become a mass movement which aims to create an awareness about cleanliness and hygiene. To encourage the spirit of cleanliness across the nation. Cadets, on this day went to historic monuments of Indore and other public places has a cleanliness drive. They also made aware the visitors to keep such heritage areas very clean.</p> <p>Impact of the Activity:</p> <p>The "My Clean India" mass movement organized by the Cadets with a cleanliness drive at historic monuments in Indore has had a significant impact:</p> <div style="margin-left: 40px;"> <p>Awareness and Education: The activity brought attention to the importance of cleanliness and hygiene, not only in public spaces but also at historic monuments. By engaging with visitors and educating them about the significance of keeping these heritage areas clean, the cadets created awareness about responsible tourism and the preservation of cultural sites.</p> <p>Behavioral Change: The cleanliness drive and interactions with visitors likely resulted in behavioral changes among both the cadets and the visitors. The cadets, through their active participation, set an example of responsible citizenship and cleanliness, inspiring others to follow suit and adopt cleaner habits.</p> <p>Sensitization to Heritage Preservation: By focusing on historic monuments, the activity helped sensitize people to the need for preserving our cultural heritage. It fostered a sense of responsibility and pride among the visitors towards their nation's history and heritage, leading to a collective effort to maintain these sites in pristine condition.</p> <p>Community Participation: The involvement of NCC cadets and interactions with visitors created a sense of community participation in the cleanliness drive. It</p> </div>	

	<p>demonstrated the power of collective action and the role individuals can play in maintaining cleanliness in public spaces.</p> <p>Ripple Effect: The impact of the activity is likely to extend beyond the immediate participants. The visitors who were made aware of the importance of cleanliness at historic monuments might carry this message with them and apply it in other places they visit, creating a ripple effect of cleanliness and hygiene awareness.</p> <p>Government Support: The mass movement gained momentum, garnering support from various stakeholders, including local authorities and the government. This may lead to the allocation of more resources and initiatives for cleanliness and heritage preservation in the city and beyond.</p> <p>Promoting Tourism: The cleanliness drive and awareness activities at historic monuments contribute to promoting tourism by creating a positive and welcoming environment for visitors. Clean and well-maintained heritage sites enhance the overall tourism experience and encourage more people to visit such places.</p> <p>In conclusion, the "My Clean India" mass movement organized by the NCC Cadets in Indore, focusing on cleanliness and heritage preservation, has had a positive impact on creating awareness, promoting behavioral change, and fostering community participation. It contributes to the larger goal of creating a clean and hygienic environment across the nation and preserving our rich cultural heritage for future generations.</p>

NCC Activity In charge

EXTENSION/ OUTREACH ACTIVITY

ACTIVITY DONE BY: DEPARTMENT OF GEOLOGY

DATE: 01.10.2019

NUMBER OF PARTICIPATING STUDENTS: 20

PLACE OF VISIT: AASRA NISHAKTJAN KALYAN SANSTHA, SANGAM NAGAR, INDORE

Type of Activity: Outreach activity to Support and help to the mentally and physically disabled student of 'Nishaktjan Aadhar Welfare Society, Sangam Nagar, Indore

REPORT OF THE ACTIVITY:

Students and teachers of the Department of Geology visited the society, interacted with mentally and physically disabled students and observed their handicraft preparation activities, purchased their articles, and motivated them. Fruits and sweets were also shared with them. Students also understood the challenges faced by them.

IMPACT OF THE ACTIVITY:

The visit of students and teachers from the Department of Geology to the society, where they interacted with mentally and physically disabled students and observed their handicraft preparation activities, had a profound impact. The students developed a greater sense of empathy and understanding toward the challenges faced by individuals with disabilities. By engaging with the students, they recognized their unique talents and abilities. The purchase of handicrafts not only supported the students financially but also motivated them to continue their creative endeavors. The outreach activity fostered a sense of social responsibility, inclusivity, compassion, and appreciation for the abilities and contributions of individuals with disabilities among the visiting students.

5	<p>Report of the Activity:</p> <p>My Clean India’ has now become a mass movement which aims to create an awareness about cleanliness and hygiene. To encourage the spirit of cleanliness across the nation. Cadets, on this day went to historic monuments of Indore and other public places has a cleanliness drive. They also made aware the visitors to keep such heritage areas very clean.</p> <p>Impact of the Activity:</p> <p>The "My Clean India" mass movement organized by the Cadets with a cleanliness drive at historic monuments in Indore has had a significant impact:</p> <div style="background-color: #f0f0f0; padding: 10px; margin-top: 10px;"> <p>Awareness and Education: The activity brought attention to the importance of cleanliness and hygiene, not only in public spaces but also at historic monuments. By engaging with visitors and educating them about the significance of keeping these heritage areas clean, the cadets created awareness about responsible tourism and the preservation of cultural sites.</p> <p>Behavioral Change: The cleanliness drive and interactions with visitors likely resulted in behavioral changes among both the cadets and the visitors. The cadets, through their active participation, set an example of responsible citizenship and cleanliness, inspiring others to follow suit and adopt cleaner habits.</p> <p>Sensitization to Heritage Preservation: By focusing on historic monuments, the activity helped sensitize people to the need for preserving our cultural heritage. It fostered a sense of responsibility and pride among the visitors towards their nation's history and heritage, leading to a collective effort to maintain these sites in pristine condition.</p> <p>Community Participation: The involvement of NCC cadets and interactions with visitors created a sense of community participation in the cleanliness drive. It</p> </div>

	<p>demonstrated the power of collective action and the role individuals can play in maintaining cleanliness in public spaces.</p> <p>Ripple Effect: The impact of the activity is likely to extend beyond the immediate participants. The visitors who were made aware of the importance of cleanliness at historic monuments might carry this message with them and apply it in other places they visit, creating a ripple effect of cleanliness and hygiene awareness.</p> <p>Government Support: The mass movement gained momentum, garnering support from various stakeholders, including local authorities and the government. This may lead to the allocation of more resources and initiatives for cleanliness and heritage preservation in the city and beyond.</p> <p>Promoting Tourism: The cleanliness drive and awareness activities at historic monuments contribute to promoting tourism by creating a positive and welcoming environment for visitors. Clean and well-maintained heritage sites enhance the overall tourism experience and encourage more people to visit such places.</p> <p>In conclusion, the "My Clean India" mass movement organized by the NCC Cadets in Indore, focusing on cleanliness and heritage preservation, has had a positive impact on creating awareness, promoting behavioral change, and fostering community participation. It contributes to the larger goal of creating a clean and hygienic environment across the nation and preserving our rich cultural heritage for future generations.</p>

1	Name of the Department / Unit / Agency:	1 MP Girls Battalion NCC, Indore.
2	Name of the Activity:	Off-campus Tree plantation
3	Year of the Activity:	05.06.2018
4	Number of Students Participated in the activity:	20
5	<p>Report of the Activity :</p> <p>Tree plantation activity has been carried out by the 1 MP Girls battalion cadets, who participated actively in planting trees in an open field rather than in a campus. They went outside the campus and promoted tree plantation, encouraged people and spread message for planting as much as trees for the better environment. With this they showed their true love and affection towards the nature and their motherland.</p> <p>The activity has been conducted under ANO MAJ (DR.) PREETI CHATURVEDI Ma'am.</p> <p>Impact of the activity:</p> <p>The tree plantation activity carried out by the cadets of 1 MP Girls battalion had a significant impact on the environment and the community. By actively participating in planting trees outside the campus in an open field, they showcased their dedication to environmental conservation. Promoting tree plantation and encouraging people to plant more trees helped raise awareness about the importance of a greener environment. Their efforts not only contributed to improving air quality and mitigating climate change but also fostered a sense of responsibility towards nature and their motherland. The cadets' love and affection for nature inspired others to join in the cause, leading to a positive ripple effect for a better and sustainable future.</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	Department of Seed Technology
2	Name of the Activity:	Environment and climate protection through protection of Birds from summer heat
3	Name of the Scheme:	Seed Technology Club activity (58 Students Participated in it)
4	Date and Year of the Activity:	27.03.2022
5	<p>Report of the Activity : The seed club was established under seed technology department of Holkar science college for the welfare of environment and climate protection. The students assumed the role of “Organic Farming Ambassadors”. The various activity conduct under the seed club like distribution of Earthen water pots (Mitti ke Sakore) in Bhaurkuwa square near college campus to save the birds from heat.</p> <p>Impact of the Activity: The establishment of the Seed Club under the Seed Technology Department of Holkar Science College has made a positive impact on environmental welfare and climate protection. One of the notable activities conducted by the club includes the distribution of earthen water pots (Mitti ke Sakore) near the college campus at Bhaurkuwa square, aimed at providing relief to birds during hot weather conditions. This initiative showcases a commitment to animal welfare and conservation, promoting a sense of empathy and responsibility towards the environment. By providing water sources for birds, the club actively contributes to preserving biodiversity and mitigating the effects of climate change. The Seed Club's efforts serve as a powerful reminder of the importance of collective action and individual responsibility in safeguarding our natural surroundings.</p>

होलकर महाविद्यालय के विद्यार्थी बताएंगे
किसानों को बेहतर कृषि करने के तरीके

इंदौर (नईदुनिया प्रतिनिधि)।

होलकर कालेज के विद्यार्थी अब अपने विषय की पढ़ाई करने के साथ किसानों की भी मदद करेंगे। संस्थान ने इसके लिए अनुठी कोशिश की है। कालेज में सीड क्लब बनाया गया है, इसमें बीएससी और एमएससी के 230 विद्यार्थियों को जोड़ा गया है। इसका मकसद गांव में जाकर किसानों को खेती करने के बेहतर तरीके बताना है। बीज तकनीकी विभाग में विद्यार्थियों को जैविक खेती, पर्यावरण, जल संरक्षण और किसानों के हित से जुड़ी समस्याओं तथा समाधान के बारे में विस्तार से जानकारी दी जाती है। कौन-सी फसल किस तरह की जमीन के लिए बेहतर है और मौसम का कृषि पर क्या फर्क पड़ता है। इसकी भी जानकारी कालेज के विद्यार्थियों को रहती है।

—सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट का कहना है कि बीज तकनीकी विभाग में विभिन्न जिलों के विद्यार्थी शिक्षा लेने आते हैं। इन विद्यार्थियों में अधिकांश ग्रामीण क्षेत्रों से हैं। अगर विद्यार्थी जीवन से ही इन्हें जागरूक करेंगे तो भविष्य में अपने-अपने गांव में जैविक कृषि दूत की तरह जैविक खेती की उपयोगिता का प्रसार करने में मदद मिलेगी। जल संरक्षण

अच्छी पहल

- कालेज का बीज तकनीकी विभाग कर रहा विशेष प्रयास
- जैविक खेती, पर्यावरण, जल संरक्षण के लिए कर रहा है जागरूक

और पर्यावरण संरक्षण में भी विद्यार्थियों की भागीदारी महत्वपूर्ण हो सकती है। इसके लिए व्यवस्थित काम हो सके, इसके लिए क्लब की स्थापना की गई है। विद्यार्थियों को गांवों में भेजा जाएगा और वहां वे किसानों को बेहतर खेती से संबंधित सभी जानकारी देंगे।

तकनीकी विभाग के विभागाध्यक्ष
डा. संजीदा इकबाल का कहना है कि

क्लब के उद्देश्य

- गांव में जाकर किसानों को सम्मानित किया जाएगा
- नुक़द नाटक से ग्रामीणों को कृषि करते समय ध्यान रखने वाली बातें बताई जाएंगी।
- क्लब के विद्यार्थी शहर का यातायात सुधारने में योगदान देंगे।
- किसानों को बीज और तकनीकी के बारे में निशुल्क जानकारी दी जाएगी।

क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में विस्तार से जानकारी दी गई है। इससे संबंधित सभी सवालों का जवाब विद्यार्थी देने में सक्षम हैं। संस्थान न क्लब की पूरी भागीदारी विद्यार्थियों को दे दी है, इसमें विद्यार्थी राहुल पहिरार को क्लब का अध्यक्ष बनाया गया है। नेहा सिंगारे को उपाध्यक्ष, सचिव के लिए विद्यार्थी मधु का चुनाव किया गया है और ससचिव नेहा तिवारी को बनाया गया है। कालेज के प्राचार्य डा. सुरेश सिलावट न बताया कि कृषि क्षेत्र में युवाओं की भागीदारी बढ़ाने के लिए इस तरह के प्रयास कारण साबित होंगे।

होलकर साइंस कॉलेज के सीड टेक्नोलॉजी डिपार्टमेंट की पहल
विद्यार्थियों को बनाया जैविक कृषि दूत
जल-वन्यजीव संरक्षण में करेंगे भागीदारी

दबंग रिपोर्टर • राफी मोहम्मद शेख
9826387809

नैतिक खेती को बढ़ाना देने के साथ ही पर्यावरण व जल संरक्षण और किसान हित में विद्यार्थियों की सहभागिता बढ़ाने के लिए अग्रेषण के विद्यार्थियों को प्रेरित किया जा रहा है। इस कड़ी में होलाकर साईंस कॉलेज के सीड टैक्नोलॉजी डिपार्टमेंट द्वारा सप्ताहों पहले पहल की गई है। उनकी जिम्मेदारी तय करने के उद्देश्य से कॉलेज में सीड क्लब का गठन किया गया है। इस क्लब में डिपार्टमेंट के बीएससी एवं एमएससी के 230 से अधिक विद्यार्थियों को सदस्यता दी गई है।

मिंसपल डॉ. सुरेश सिलावादी के अनुसार भविष्य को देखते हुए जैविक खेती एवं पर्यावरण संरक्षण हेतु विद्यार्थियों की भागीदारी तय करना जरूरी है। जैविक खेती को बढ़ावा मिलेगा तो उसका लाभ किसानों व शहर के हर परिवार को होगा। साथ ही जल संरक्षण एवं पर्यावरण हित हेतु विद्यार्थियों को प्रेरित करना भी बहुत जरूरी है।

अधिकांश विद्यार्थी किसान परिवार से

ಹೃತ್ ಸಾಲ ನ೯ ವಿದ್ಯಾರ್ಥಿ ಜುಡೆಂಗೆ

डिफरेंट को एचओडी अर्डी. संजीदा इकबाल ने बताया कि कलब के साथ विद्यार्थियों को जैविक खेलते के बारे में ईस्ट टेक्नोलॉजी विभाग के प्रो. धर्मेन्द्र खत्री, ईस्ट पाटीदा व गौंधि पटेल द्वारा विस्तार से समझाया जाएगा, जिससे विद्यार्थी सही जानकारी को प्रसार कर सकें। कलब से जुड़े विद्यार्थियों को डिफ्री पूर्ण करने पर कलब गतिविधियों में भागीदारी का प्रमाण-पत्र भी डिफरेंट में प्रदान किया जाएगा। साथ ही नए आने वाले विद्यार्थियों को हर वर्ष इस कलब से जुड़कर जैविक खेलते को बढ़ावा देने एवं पर्यावरण संरक्षण के साथ-साथ अपना जगतिष्ठेती कायों में अपना योगदान देने के लिए प्रेरित किया जाएगा।

सीड वलव के संयोजक प्रो. धर्मन्ट जाट ने बताया कि सीड टैगमेंटालोजी विभाग ने १९८१ में अधिकतर विद्यार्थी मनीषा के व किपान परियोजना से आते हैं। साथ ही प्रदेश के लगभग सभी विभाग के विद्यार्थी हैं। मनीषा की लुप्त सीड को पुनर्जीवित प्रत्यक्ष या अप्रत्यक्ष रूप से इन्हीं विद्यार्थी पर रहना। अगर हम इन विद्यार्थी को अपने विद्यार्थी जीवन से ही जास्तक के लिए वे भी मनीषा में आने-आने नाम में जीविक कुप दान की तरह जीविक रोखी की उपयोगिता को प्रसार करने में योगदान देते हो जाह करदम मील का प्रत्यक्ष सहाय हो सकते हैं। जल संयंत्र व प्यावजन संस्था में विद्यार्थी की भागीदारी आवश्यक है, इसलिए इन विद्यार्थी का वलव ध्यान या है। इसने प्रमुखसी प्रथम सेमेस्टर के विद्यार्थी को रीतारत अनुसंधान प्रथम राहुल प्रियदर्शी, उममय नेशा प्रियरी, सचिव मधु व सहायिका नेहाप्रियरी की दान या है।

विभिन्न जागरूकता कार्यक्रमों में भागीदारी

इस कलाबे के सदस्य डिपार्टमेंट के विद्यार्थी जैविक कृषि के प्रसार हेतु जैविक कृषि दूध की तराई कार्य करेंगे। प्यूल्वरन संस्था (पोथुरान, वनमजीव संस्था आदि) हेतु विद्यार्थी एवं आमजन को जागरूक करने और कलाबे के सदस्य सत्र में एक दिन शहर की श्रुतिक व्यवस्था में आना योगदान देंगे। किसान दिवस के अवसर पर किसी एक गाँव जाकर किसानों को सम्मानित कर किसान दिवस मनायी जाे। नुकुन्द गेटक के माध्यम से जलजैविक विद्यालय माध्यम पूर्व विश्व पर नाकन कर विद्यार्थी एवं आमजन को जागरूक करने के साथ में एक बार वृद्धाश्रम जाने के सत्र में किसानों को प्रगणतपूर्वी बाल की जानकारी देना। जील संस्था के प्रति जागरूकता के लिए अधिष्ठात्र चलाना आमजन को जागरूक करने का काम भी कलाबे के विद्यार्थी करेंगे।

		<h2 style="text-align: center;">विद्यार्थी बनेंगे जैविक कृषि दूत एवं वन्यजीव संरक्षण में देंगे अपनी भागीदारी</h2> <p>इंदौर। होलकर विज्ञान महाविद्यालय के सीड टेक्नोलॉजी विभाग द्वारा विद्यार्थियों को अपने विद्यार्थी जीवन में जैविक खेती को बढ़ावे देने, पर्यावरण, जल संरक्षण एवं किसान हित में कार्य करने हेतु प्रेरित कर उनकी जिम्मेदारी तय करने के उद्देश्य से में सीड क्लब का गठन किया गया है इस क्लब में विभाग के बीएससी एवं एमएससी के 230 से अधिक विद्यार्थियों ने सदस्यता ली है।</p> <p>सुरेश टी सिलावट के अनुसार भविष्य को देखते हुए जैविक खेती एवं पर्यावरण संरक्षण हेतु विद्यार्थियों की भागीदारी तय करना बेहद जरूरी है, क्योंकि जैविक खेती को बढ़ावा मिलेगा तो उसका लाभ किसानों के साथ साथ शहर के हर परिवार को होगा, साथ ही जल संरक्षण एवं पर्यावरण हित हेतु विद्यार्थियों को प्रेरित करना भी बहुत जरूरी है।</p> <p>सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट के अनुसार बीज तकनीकी विभाग में अधिकतर विद्यार्थी ग्रामीण क्षेत्रों एवं किसान परिवार से आते हैं, साथ ही प्रदेश के लगभग जिलों के विद्यार्थियों हैं, भविष्य की खेती का दायरामदार प्रत्यक्ष या अप्रत्यक्ष रूप से इन्हीं विद्यार्थियों पर रहेगा, अगर हम इन विद्यार्थियों को अपने विद्यार्थी जीवन से ही जागरूक करेंगे तो ये भविष्य में अपने अपने गांव में जैविक कृषि दूत की तरह जैविक खेती की उपयोगिता का प्रसार करने में योगदान देंगे तो यह कदम मौल का पत्थर साबित हो सकता है, साथ ही जल संरक्षण एवं पर्यावरण संरक्षण में विद्यार्थी की भागीदारी आवश्यक है, इसलिए इन विद्यार्थियों का क्लब बनाया जा रहा है।</p> <p>विभाग की विभागाध्यक्ष डॉ. संजीवा इकबाल ने बताया कि क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में सीड टेक्नोलॉजी विभाग के प्रभ्यापक धर्मेन्द्र जाट, इंटर पाठ्यद्वारा एवं गोविंद पटेल द्वारा विस्तार से समझाया जाएगा, जिससे विद्यार्थी सही जानकारी का प्रसार कर सकें।</p> <p>क्लब से जुड़े विद्यार्थियों की डिग्री पूर्ण होने पर क्लब गतिविधियों में भागीदारी का प्रमाण पत्र भी विभाग द्वारा प्रदान किया जाएगा। साथ ही नए आने वाले विद्यार्थियों को हर वर्ष इस क्लब से जुड़कर जैविक खेती को बढ़ावा देने एवं पर्यावरण संरक्षण के साथ साथ अन्य जनहितैषी कार्य में अपना योगदान देने हेतु प्रेरित किया जाएगा।</p> <p>एमएससी प्रथम सेमेस्टर के विद्यार्थियों राहुल परिहार को अध्यक्ष, नेहा सिंगरे को उपाध्यक्ष, मधु को सचिव, नेहाधरी तिवारी को सह सचिव बनाया गया।</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	NSS (UNIT 1 & 2)
2	Name of the Activity:	Cleanliness Drive (Swacchta Abhiyaan) at Historic Monuments of Indore
3	Name of the Scheme:	National Service Scheme
4	Date and Year of the Activity:	02/10/2017
5	Number of Students Participated in the activity:	22 Volunteers & 02 Programme Officers
6	<p>Report of the Activity:</p> <p>Mahatma Gandhi dreamt of an India which should not only be free but also clean and developed. In line of this thinking Swachhta abhiyan was successfully done by both NSS Units. The countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. This was the message which was conveyed by our volunteers in the society by observing cleanliness drive in adopted village, adjoining slum areas, Rajbara Chhatri the Historical monument of Indore city & also in the college campus. NSS Programme Officers Dr. Seemavati Sisodiya & Dr. Sandeep Kumar Gohar coordinated with the Volunteers for successful completion of this Activity. This activity was done under the Guidance of Dr. Arun Kher sir, Principal of the college.</p> <p>Impact of the Activity:</p> <p>The Cleanliness Drive (Swachhta Abhiyan) at Historic Monuments of Indore, organized by both NSS Units, had a significant impact on the society and the college community. The activity aligned with Mahatma Gandhi's vision of a clean and developed India. Volunteers conveyed the message of cleanliness and responsible waste disposal to the society, emphasizing that clean countries are a result of citizens' conscious efforts to avoid littering.</p> <p>The drive covered various areas, including the adopted village, adjoining slum areas, Rajbara Chhatri (a historical monument in Indore), and the college campus. This</p>	

	<p>widespread approach contributed to a cleaner and more hygienic environment in these locations. NSS Programme Officers Dr. Seemavati Sisodiya and Dr. Sandeep Kumar Gohar's coordination ensured the successful execution of the activity.</p> <p>Under the guidance of Dr. Arun Kher, the Principal of the college, the cleanliness drive demonstrated the college's commitment to promoting cleanliness and environmental consciousness. Overall, the impact of the activity was evident in creating awareness about cleanliness, encouraging responsible behavior, and fostering a sense of civic duty among volunteers and the local community.</p>

NSS Activity In charge

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	NSS (UNIT 1 & 2)
2	Name of the Activity:	Polythene Free Awareness Campaign
3	Name of the Scheme:	National Service Scheme
4	Date and Year of the Activity:	5 th June 2017
5	Number of Students Participated in the activity:	58 Volunteers & 02 Programme Officers
6	<p>Report of the Activity:</p> <p>Accumulation of plastic objects and particles on earth leads to adverse effect on wildlife, wildlife habitat and humans. Therefore, a polythene free awareness campaign was initiated on 5th June 2017 by both the NSS units, under this activity NSS Volunteers of the college collected the plastics thrown as a litter to free the college campus and adopted village from such an environmental menace. The NSS Programme Officers Dr. Seemavati Sisodiya & Dr.Sandeep Kumar Gohar organized this event under the guidance of Dr. Roop Lekha Vyas, Principal of the college.</p> <p>Impact of the Activity:</p> <p>The polythene-free awareness campaign initiated by both NSS units on 5th June 2017 had a significant impact on the college campus and the adopted village. By actively collecting plastics as litter, the NSS volunteers contributed to reducing the adverse effects of plastic accumulation on wildlife, wildlife habitats, and humans. The campaign raised awareness about the environmental menace caused by plastic and promoted responsible waste disposal practices.</p> <p>The event showcased the college's commitment to environmental conservation. The activity not only improved the cleanliness of the college campus and the village but also instilled a sense of responsibility towards the environment among the volunteers and the local community. Overall, the polythene-free campaign had a positive impact on promoting sustainable practices and fostering a cleaner and greener environment.</p>

NSS Activity In charge

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details
1	Name of the Department / Unit / Agency:	Microbiology
2	Name of the Activity:	Assessment of Air Quality of Indore City.
3	Name of the Scheme:	Outreach Research Study under Swachh Bharat Abhiyan
4	Date and Year of the Activity:	05.12.2017 to 16.02.2018
5	Number of Students Participated in the activity:	15 Students
6	<p>Report of the Activity (in 100 words):</p> <p>Department of Microbiology, Govt. Holkar Science College, Indore conducted research study on the assessment of air quality of outdoor locations of Indore city, in which temples, crowded areas, bus stand, Airport, collectorate office, and Rajwada has been covered. The study of aeromycoflora of a particular region provides the clear view about the interaction of fungal spores in the form of disease on plants as well as occurrence of allergy in human being. Present study was carried out in the months of December 2017- February 2018.</p> <p>Present study shows that the information about concentration and diversity of air borne fungi gives idea to allergologists in the treatment of allergic diseases. Except for <i>Aspergillus</i> sp. and <i>Alternaria</i> sp. all other fungi found in the lowest concentration which may be due to the positive impact of Swachh Bharat Abhiyaan in Indore. Care for the environment is essential because healthy environment is the basic need of all type of living organism such as human beings, plants and Air is the most important factor for survival so continuous sampling and analysis is required to provide information about allergic components of air which will help in restricting them from arising right at the source and minimize their impact on health.</p> <p>Impact of the Outreach activity:</p> <p>The outreach research study on the assessment of air quality in Indore city, conducted by the Department of Microbiology, Govt. Holkar Science College, had a profound impact on the students involved. Through this study, students gained valuable experience in field research, data collection, and analysis of aeromycoflora. They learned about the interaction of fungal spores, their impact on plants, and the occurrence of allergies in humans. This hands-on experience not only enriched their scientific knowledge but also heightened their awareness of environmental and public health issues. The study under Swachh Bharat Abhiyan inspired students to actively contribute to the improvement of air quality, fostering a sense of responsibility towards a cleaner and healthier environment.</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details
1	Name of the Department / Unit / Agency:	Microbiology in collaboration with Kamla Nehru Zoo, Indore
2	Name of the Activity:	One Day Workshop On “Conservation & Management of Wild Life”.
3	Name of the Scheme:	Extension Workshop
4	Date and Year of the Activity:	26 September, 2022
5	Number of Students Participated in the activity:	130 Students & 20 Faculties
6	<p>Report of the Activity:</p> <p>Department of Microbiology & Botany, Govt. Holkar Science College, Indore in collaboration with Kamla Nehru Zoo, Indore organized one day extension workshop On “Conservation & Management of Wild Life”. The program’s Convenor Dr. Sanjay Vyas conducted the program. Dr. Uttam Yadav, Director, Zoo were the key note speaker who gave a lecture on Zoo Management of Wild Life.</p> <p>The second speaker Dr. Shivani Bante, Veterinary officer from Mhow explained about the animal diseases, endoparasitic diseases and importance of botanical medicinal plants.</p> <p>After the guest lectures, Prof. Anuja Sharma, form Microbiology Department discussed Microbiological view of Zoo along with research prospects for microbiology students, followed by lecture of Prof. Purva Shrivastava, from Botany Department who discussed veterinary medicines in the use for treating animal diseases. Lastly Dr. Smita Dubey, Co-Convenor delivered the vote of thanks.</p> <p>Impact of the Activity:</p> <p>The one-day extension workshop on "Conservation & Management of Wild Life" organized by the Department of Microbiology & Botany in collaboration with Kamla Nehru Zoo, Indore had a significant impact. Keynote speaker Dr. Uttam Yadav highlighted the importance of Zoo Management for wildlife conservation. Dr. Shivani Bante's lecture on animal diseases and botanical medicinal plants emphasized the significance of veterinary care. Prof. Anuja Sharma discussed the Microbiological view of the Zoo, inspiring research prospects for microbiology students. Prof. Purva Shrivastava's insights on veterinary medicines expanded knowledge on treating animal diseases. The workshop fostered interdisciplinary learning and research collaboration, encouraging students to explore career opportunities in wildlife conservation and veterinary sciences. Overall, the activity contributed to promoting awareness and understanding of wildlife conservation and its relevance for sustainable ecosystems.</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	09 MP BN NCC HSC INDORE
2	Name of the Activity:	Cleanliness drive at historic Monuments: “ My Clean India”
3	Date and Year of the Activity:	02.11.2018
4	Number of Students Participated in the activity:	29
5	<p>Report of the Activity:</p> <p>My Clean India’ has now become a mass movement which aims to create an awareness about cleanliness and hygiene. To encourage the spirit of cleanliness across the nation. Cadets, on this day went to historic monuments of Indore and other public places has a cleanliness drive. They also made aware the visitors to keep such heritage areas very clean.</p> <p>Impact of the Activity:</p> <p>The "My Clean India" mass movement organized by the Cadets with a cleanliness drive at historic monuments in Indore has had a significant impact:</p> <div style="margin-left: 40px;"> <p>Awareness and Education: The activity brought attention to the importance of cleanliness and hygiene, not only in public spaces but also at historic monuments. By engaging with visitors and educating them about the significance of keeping these heritage areas clean, the cadets created awareness about responsible tourism and the preservation of cultural sites.</p> <p>Behavioral Change: The cleanliness drive and interactions with visitors likely resulted in behavioral changes among both the cadets and the visitors. The cadets, through their active participation, set an example of responsible citizenship and cleanliness, inspiring others to follow suit and adopt cleaner habits.</p> <p>Sensitization to Heritage Preservation: By focusing on historic monuments, the activity helped sensitize people to the need for preserving our cultural heritage. It fostered a sense of responsibility and pride among the visitors towards their nation's history and heritage, leading to a collective effort to maintain these sites in pristine condition.</p> <p>Community Participation: The involvement of NCC cadets and interactions with visitors created a sense of community participation in the cleanliness drive. It</p> </div>	

	<p>demonstrated the power of collective action and the role individuals can play in maintaining cleanliness in public spaces.</p> <p>Ripple Effect: The impact of the activity is likely to extend beyond the immediate participants. The visitors who were made aware of the importance of cleanliness at historic monuments might carry this message with them and apply it in other places they visit, creating a ripple effect of cleanliness and hygiene awareness.</p> <p>Government Support: The mass movement gained momentum, garnering support from various stakeholders, including local authorities and the government. This may lead to the allocation of more resources and initiatives for cleanliness and heritage preservation in the city and beyond.</p> <p>Promoting Tourism: The cleanliness drive and awareness activities at historic monuments contribute to promoting tourism by creating a positive and welcoming environment for visitors. Clean and well-maintained heritage sites enhance the overall tourism experience and encourage more people to visit such places.</p> <p>In conclusion, the "My Clean India" mass movement organized by the NCC Cadets in Indore, focusing on cleanliness and heritage preservation, has had a positive impact on creating awareness, promoting behavioral change, and fostering community participation. It contributes to the larger goal of creating a clean and hygienic environment across the nation and preserving our rich cultural heritage for future generations.</p>

EXTENSION /OUTREACH ACTIVITY

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	1 MP Girls Battalion NCC, Indore.
2	Name of the Activity:	Off-campus Tree plantation
3	Year of the Activity:	05.06.2018
4	Number of Students Participated in the activity:	20
5	<p>Report of the Activity :</p> <p>Tree plantation activity has been carried out by the 1 MP Girls battalion cadets, who participated actively in planting trees in an open field rather than in a campus. They went outside the campus and promoted tree plantation, encouraged people and spread message for planting as much as trees for the better environment. With this they showed their true love and affection towards the nature and their motherland.</p> <p>The activity has been conducted under ANO MAJ (DR.) PREETI CHATURVEDI Ma'am.</p> <p>Impact of the activity:</p> <p>The tree plantation activity carried out by the cadets of 1 MP Girls battalion had a significant impact on the environment and the community. By actively participating in planting trees outside the campus in an open field, they showcased their dedication to environmental conservation. Promoting tree plantation and encouraging people to plant more trees helped raise awareness about the importance of a greener environment. Their efforts not only contributed to improving air quality and mitigating climate change but also fostered a sense of responsibility towards nature and their motherland. The cadets' love and affection for nature inspired others to join in the cause, leading to a positive ripple effect for a better and sustainable future.</p>

EXTENSION AND OUTREACH PROGRAM

S. No	Component/Activities	Details of event
1	Name of the Department / Unit / Agency:	Department of Seed Technology
2	Name of the Activity:	Environment and climate protection through protection of Birds from summer heat
3	Name of the Scheme:	Seed Technology Club activity (58 Students Participated in it)
4	Date and Year of the Activity:	27.03.2022
5	<p>Report of the Activity : The seed club was established under seed technology department of Holkar science college for the welfare of environment and climate protection. The students assumed the role of “Organic Farming Ambassadors”. The various activity conduct under the seed club like distribution of Earthen water pots (Mitti ke Sakore) in Bhaurkuwa square near college campus to save the birds from heat.</p> <p>Impact of the Activity: The establishment of the Seed Club under the Seed Technology Department of Holkar Science College has made a positive impact on environmental welfare and climate protection. One of the notable activities conducted by the club includes the distribution of earthen water pots (Mitti ke Sakore) near the college campus at Bhaurkuwa square, aimed at providing relief to birds during hot weather conditions. This initiative showcases a commitment to animal welfare and conservation, promoting a sense of empathy and responsibility towards the environment. By providing water sources for birds, the club actively contributes to preserving biodiversity and mitigating the effects of climate change. The Seed Club's efforts serve as a powerful reminder of the importance of collective action and individual responsibility in safeguarding our natural surroundings.</p>

होलकर महाविद्यालय के विद्यार्थी बताएंगे किसानों को बेहतर कृषि करने के तरीके

इंदौर (नईदुनिया प्रतिनिधि)।

होलकर कालेज के विद्यार्थी अब अपने विषय की पढ़ाई करने के साथ किसानों की भी मदद करेंगे। संस्थान ने इसके लिए अनूठी कोशिश की है। कालेज में सीड क्लब बनाया गया है, इसमें बीएससी और एमएससी के 230 विद्यार्थियों को जोड़ा गया है। इसका मकसद गांव में जाकर किसानों को खेती करने के बेहतर तरीके बताना है। बीज तकनीकी विभाग में विद्यार्थियों को जैविक खेती, पर्यावरण, जल संरक्षण और किसानों के हित से जुड़ी समस्याओं तथा समाधान के बारे में विस्तार से जानकारी दी जाती है। कौन-सी फसल किस तरह की जमीन के लिए बेहतर है और मौसम का कृषि पर क्या फर्क पड़ता है। इसकी भी जानकारी कालेज के विद्यार्थियों को रहती है।

सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट का कहना है कि बीज तकनीकी विभाग में विभिन्न जिलों के विद्यार्थी शिक्षा लेने आते हैं। इन विद्यार्थियों में अधिकांश ग्रामीण क्षेत्रों से हैं। अगर विद्यार्थी जीवन से ही इन्हें जागरूक करेंगे तो भविष्य में अपने-अपने गांव में जैविक कृषि दृष्टि की तरह जैविक खेती की उपयोगिता का प्रसार करने में मदद मिलेगी। जल संरक्षण

अच्छी पहल

● कालेज का बीज तकनीकी विभाग कर रहा विशेष प्रयास

● जैविक खेती, पर्यावरण, जल संरक्षण के लिए कर रहा है जागरूक

और पर्यावरण संरक्षण में भी विद्यार्थियों की भागीदारी महत्वपूर्ण हो सकती है। इसके लिए व्यवस्थित काम हो सके, इसके लिए क्लब की स्थापना की गई है। विद्यार्थियों को गांवों में भेजा जाएगा और वहां वे किसानों को बेहतर खेती से संबंधित सभी जानकारी देंगे।

तकनीकी विभाग के विभागाध्यक्ष डा. संजीदा इकबाल का कहना है कि

क्लब के उद्देश्य

- गांव में जाकर किसानों को सम्मानित किया जाएगा
- नुकड़ नाटक से ग्रामीणों को कृषि करते समय ध्यान रखने वाली बातें बताई जाएगी।
- क्लब के विद्यार्थी शहर का यातायात सुधारने में योगदान देंगे।
- किसानों को बीज और तकनीकी के बारे में निशुल्क जानकारी दी जाएगी।

क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में विस्तार से जानकारी दी गई है। इससे संबंधित सभी सवाल का जवाब विद्यार्थी देने में सक्षम हैं। संस्थान ने क्लब की पूरी भागीदारी विद्यार्थियों को दे दी है, इसमें विद्यार्थी राहुल परिहार को क्लब का अध्यक्ष बनाया गया है। नेहा सिंगोरे को उपाध्यक्ष, सचिव के लिए विद्यार्थी मधु का चुनाव किया गया है और सहसचिव नेहा तिवारी को बनाया गया है। कालेज के प्राचार्य डा. सुरेश सिलावट ने बताया कि कृषि क्षेत्र में युवाओं की भागीदारी बढ़ाने के लिए इस तरह के प्रयास कारगर साबित होंगे।

होलकर साइंस कॉलेज के सीड टेक्नोलॉजी डिपार्टमेंट की पहल विद्यार्थियों को बनाया जैविक कृषि दूत जल-वन्यजीव संरक्षण में करेंगे भागीदारी

दरभंग रिपोर्टर • रवी मोहम्मद खोखर,
9826387809

जैविक खेती को बढ़ाना देने के साथ ही पर्यावरण व जल संरक्षण और किसान हित में विद्यार्थियों की सहभागिता बढ़ाने के लिए अब कॉलेज के विद्यार्थियों को प्रेरित किया जा रहा है। इस कड़ी में होलकर साइंस कॉलेज के सीड टेक्नोलॉजी डिपार्टमेंट द्वारा सबसे पहले पहल की गई है। उनकी जिम्मेदारी तब करने के उद्देश्य से में कॉलेज में सीड क्लब का गठन किया गया है। इस क्लब में डिपार्टमेंट के बीएससी एवं एमएससी के 230 से अधिक विद्यार्थियों को सदस्यता दी गई है।

प्रिंसिपल डॉ. सुरेश सिलावट के अनुसार भविष्य को देखते हुए जैविक खेती एवं पर्यावरण संरक्षण हेतु विद्यार्थियों की भागीदारी तब करना जरूरी है। जैविक खेती को बढ़ावा मिलेगा तो उसका लाभ किसानों व शहर के हर परिवार को होगा। साथ ही जल संरक्षण एवं पर्यावरण हित हेतु विद्यार्थियों को प्रेरित करना भी बहुत जरूरी है।

अधिकांश विद्यार्थी किसान परिवार से

सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट ने बताया कि सीड टेक्नोलॉजी डिपार्टमेंट में अधिकतर विद्यार्थी ग्रामीण क्षेत्रों व किसान परिवार से आते हैं। साथ ही प्रदेश के लगभग सभी जिलों के विद्यार्थी हैं। भविष्य की खेती का ज़रूरतपूर प्रयास व अपराध रूप से दुर्नी विद्यार्थियों पर रहेगा। अगर हम इन विद्यार्थियों को अपने विद्यार्थी जीवन से ही जागरूक करेंगे तो वे भविष्य में अपने-अपने गांव में जैविक कृषि दूत की तरह जैविक खेती की उपयोगिता का प्रसार करने में योगदान देने में यह कदम मौल का पथर साबित हो सकता है। जल संरक्षण व पर्यावरण संरक्षण में विद्यार्थी की भागीदारी आवश्यक है, इसलिए इन विद्यार्थियों का क्लब बनाया गया है। इसमें पर्यावरण व जल संरक्षण के विद्यार्थियों को बेहतर जानकारी देकर उन्हें जागरूक करने का काम भी क्लब के विद्यार्थी करेंगे।

80 साल नए विद्यार्थी जुड़ेंगे

डिपार्टमेंट की एचओडी डॉ. संजीदा इकबाल ने बताया कि क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में सीड टेक्नोलॉजी विभाग के प्रो. धर्मेन्द्र जाट, इंटर पाठ्यक्रम व गोविंद मंडल द्वारा विवरण से समझाया जाएगा, जिससे विद्यार्थी सभी जानकारी का प्रसार कर सकें। क्लब से जुड़े विद्यार्थियों की डिग्री पूर्ण होने पर क्लब गतिविधियों में भागीदारी का प्रमाण-पत्र भी डिपार्टमेंट द्वारा प्रदान किया जाएगा। साथ ही नए आने वाले विद्यार्थियों को हर वर्ष इस क्लब से जुड़कर जैविक खेती को बढ़ावा देने एवं पर्यावरण संरक्षण के साथ-साथ अन्य जनहितकारी कार्यों में अपना योगदान देने के लिए प्रेरित किया जाएगा।

विभिन्न जागरूकता
कार्यक्रमों में
भागीदारी

इस क्लब के सदस्य डिपार्टमेंट के विद्यार्थी जैविक कृषि के प्रसार हेतु जैविक कृषि दूत की तरह कार्य करेंगे। पर्यावरण संरक्षण (बीओपीए), वन्यजीव संरक्षण आदि हेतु विद्यार्थियों एवं आमजन को जागरूक करेगी और क्लब के सदस्य सत्र में एक दिन शहर की दैनिक व्यवस्था में अपना योगदान देंगे। किसान दिवस के अवसर पर किसी एक गांव जाकर किसानों को सम्मानित कर किसान दिवस मनाएगी तो नुकड़ नाटक के माध्यम से जनहित के लिए विद्यार्थी विश्व पर नाटक कर विद्यार्थियों एवं आमजन को जागरूक करेगी। सत्र में एक बार बुद्धिमान जाने के साथ किसानों को गुणवत्तापूर्ण बीज की जानकारी प्रदान करेंगे। जल संरक्षण के प्रति जागरूकता के लिए अभियान चलाकर आमजन को जागरूक करने का काम भी क्लब के विद्यार्थी करेंगे।

		<h2 style="text-align: center;">विद्यार्थी बनेंगे जैविक कृषि दूत एवं वन्यजीव संरक्षण में देंगे अपनी भागीदारी</h2> <p>इंदौर। होलकर विज्ञान महाविद्यालय के सीड टेक्नोलॉजी विभाग द्वारा विद्यार्थियों को अपने विद्यार्थी जीवन में जैविक खेती को बढ़ावे देने, पर्यावरण, जल संरक्षण एवं किसान हित में कार्य करने हेतु प्रेरित कर उनकी जिम्मेदारी तय करने के उद्देश्य से में सीड क्लब का गठन किया गया है इस क्लब में विभाग के बीएससी एवं एमएससी के 230 से अधिक विद्यार्थियों ने सदस्यता ली है।</p> <p>सुरेश टी सिलावट के अनुसार भविष्य को देखते हुए जैविक खेती एवं पर्यावरण संरक्षण हेतु विद्यार्थियों की भागीदारी तय करना बेहद जरूरी है, क्योंकि जैविक खेती को बढ़ावा मिलेगा तो उसका लाभ किसानों के साथ साथ शहर के हर परिवार को होगा, साथ ही जल संरक्षण एवं पर्यावरण हित हेतु विद्यार्थियों को प्रेरित करना भी बहुत जरूरी है।</p> <p>सीड क्लब के संयोजक प्रो. धर्मेन्द्र जाट के अनुसार बीज तकनीकी विभाग में अधिकतर विद्यार्थी ग्रामीण क्षेत्रों एवं किसान परिवार से आते हैं, साथ ही प्रदेश के लगभग जिलों के विद्यार्थियों हैं, भविष्य की खेती का दायरामदार प्रत्यक्ष या अप्रत्यक्ष रूप से इन्हीं विद्यार्थियों पर रहेगा, अगर हम इन विद्यार्थियों को अपने विद्यार्थी जीवन से ही जागरूक करेंगे तो ये भविष्य में अपने अपने गांव में जैविक कृषि दूत की तरह जैविक खेती की उपयोगिता का प्रसार करने में योगदान देंगे तो यह कदम मौल का पत्थर साबित हो सकता है, साथ ही जल संरक्षण एवं पर्यावरण संरक्षण में विद्यार्थी की भागीदारी आवश्यक है, इसलिए इन विद्यार्थियों का क्लब बनाया जा रहा है।</p> <p>विभाग की विभागाध्यक्ष डॉ. संजीवा इकबाल ने बताया कि क्लब के सभी विद्यार्थियों को जैविक खेती के बारे में सीड टेक्नोलॉजी विभाग के प्रभ्यापक धर्मेन्द्र जाट, इंटर पाठ्यद्वारा एवं गोविंद पटेल द्वारा विस्तार से समझाया जाएगा, जिससे विद्यार्थी सही जानकारी का प्रसार कर सकें।</p> <p>क्लब से जुड़े विद्यार्थियों की डिग्री पूर्ण होने पर क्लब गतिविधियों में भागीदारी का प्रमाण पत्र भी विभाग द्वारा प्रदान किया जाएगा। साथ ही नए आने वाले विद्यार्थियों को हर वर्ष इस क्लब से जुड़कर जैविक खेती को बढ़ावा देने एवं पर्यावरण संरक्षण के साथ साथ अन्य जनहितैषी कार्य में अपना योगदान देने हेतु प्रेरित किया जाएगा।</p> <p>एमएससी प्रथम सेमेस्टर के विद्यार्थियों राहुल परिहार को अध्यक्ष, नेहा सिंगरे को उपाध्यक्ष, मधु को सचिव, नेहाधरी तिवारी को सह सचिव बनाया गया।</p>
